In Memoriam

REV. E.C. ROACH
1898 1966
Pastor in the Association for thirty-five years

REV. E. C. ROACH 1898 1966 Pastor in the Association for thirty-five years.

Born January 1, 1898, died May 10, 1966.

Joined Stoners Grove Baptist Church in his youth where he was licensed to preach February 17, 1918. He preached his first sermon here six months previous. He was ordained to the ministry by the Southside Baptist Church, High Point, N. C. on September 8, 1922. The Presbytery was composed of the following: Rev. J. M. Hilliard, Rev. J. F. Fletcher and Rev. C. V. Brooks. After his ordination by this church he served as its pastor for several years.

During his ministerial life of forty-four years he served the following churches in the Liberty Baptist Association; Oakhill Memorial, Southside, Welcome, Center Hill, Jersey, Erlanger, Denton, Liberty, Lick Creek, Reeds, and Mountain View. For several years he was pastor at North Kannapolis. His last pastorate was at the Highlands Baptist Church in New London.

After his retirement he came back to the Liberty Association and served as supply pastor of Welcome, Coggins Memorial, and Erlanger churches. He loved his native county and its people and they loved him. The Liberty Association held a dear spot in his heart. Here he was always active and interested. Here he made his home and lived his last years, being constantly in demand as a supply preacher, teacher and funeral conductor. Here he lived his religion and walked with God. The multitude of people that he served loved him. He preached the Gospel without any reservations.

Now, whereas he was devoted to the work of this association and attended its sessions for over forty years and served in many capacities other than pastor;

Therefore be it resolved that the Minutes of this the 134th session of the Liberty Baptist Association be dedicated to his memory.

Respectfully submitted,
Sam J. Smith

Article I-Name

The name of this body shall be the Liberty Baptist Association.

Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

Article III-Meetings

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.
2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.
3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we

recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, Quarterly, Annually).

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be distributed.

REPORTS

EXECUTIVE COMMITTEE REPORT

The Executive Committee of the Liberty Baptist Association meet as prescribed by the constitution, and at each of the four meetings reports were given of the work of the organizations of the association. Also a treasurer's report and a report of the activities of the Associational Missionary were given at each meeting.

In addition to the reports the following business was transacted on behalf of the Association:

November 1, 1965: An application was approved to request aid on the Missionary's salary from the State Convention in the amount of $876. for the year. It was also moved that the Moderator, Chairman of the Missions Committee, Missionary, and Treasurer be allowed to review other applications for state aid for the year. The application of the Hillside Park church was later reviewed and approved.

January 31, 1966: The resignation of the clerk, Rev. W.F. Bowen, was accepted with regret, due to his leaving the association, and Richard Chapman was elected to serve as clerk until the annual meeting in September. It was moved that the outgoing clerk be given $120. of the $200. honorarium for the work he had done prior to his leaving our association, and that the new clerk receive $80.00 for his work for the remainder of the year.

April 25, 1966: A motion was passed and a committee appointed, composed of Ray Billings, Chairman, Edward Kissiah, Bennie Crawford, Richard Chapman, and Leonard Rollins, to study the constitution relative to the matter of reports from churches during the year of watch-care, and the section dealing with the requirements for active membership in the Association.

September 13, 1966: A discussion of the annual meeting was held. A motion was passed that the Executive Committee recommend to the Association the proposed changes in the Constitution be adopted by the Association. A motion was made and passed that the Finance Committee be instructed to confer with the deacons of the

Erlanger Baptist church to determine a fair rental value on the Associational office which is located in the Erlanger church building, and that the Association begin to pay rent on the office.

Detailed information on these meetings is available from the clerks records.

Respectfully submitted,
Richard Chapman

REPORT OF COMMITTEE ON TIME, PLACE AND PREACHER

Your committee on Time, Place and Preacher, reports the following recommendations:

1. That the next Annual Meeting of the Liberty Association be with Mills Home, the first day, and with Rich Fork, assisted by Faith and Victory the second day.

2. The time to be on Tuesday and Wednesday, September 26-27, 1967. (This is in accord with the action of this Association at the meeting in 1957, and so reported on page 39 of the 1966 Minutes of the Association)

3. We further recommend that Pastor Hoke Coon, of the First Baptist Church, Lexington, preach the annual sermon, and that W.R. Wagoner be the alternate.

MISSIONS COMMITTEE REPORT TO THE ASSOCIATION

The Missions Committee of the Liberty Baptist Association met twice this year. In our January meeting, the committee was advised that the Rolling Hill Committee of the First Baptist Church, Lexington, had met on several occasions, but the only information available at that time was that more than four acres in the center of the Rolling Hills Development had been purchased and that something had to be started within two years.

The Committee was also advised that Calvary Baptist Church, Lexington, had purchased property at the corner of Old Linwood Road and Brown Street, that it was the plan of Calvary to re-locate here and sell its present property. This report was made to keep the Missions Committee familiar with location and activity within the Association.

The Executive Committee of the Association asked that the Missions Committee investigate the reasons why many churches of the Association were not supporting the Associational financial program. The Missions Committee studied and discussed this matter thoroughly. The 1964 minutes indicated that 10 churches did not give anything to Associational Missions, yet they were privileged to send messengers to the Annual Associational Meeting, with all authority to vote and participate. Also the 1964 minutes indicated that 7 churches did not give anything to the Co-operative Program, and 6 churches did not give anything to either Associational Missions or the Co-operative Program. The Missions Committee gave consideration to the advisability of setting standards for support for maintaining Associational affiliation or for improved relationship with these churches. A committee was appointed to formulate a letter from the Missions Committee to all churches who had not participated financially, requesting that they seek to improve their relationship with the Association. The letter was to be presented for consideration at the next meeting of the Committee.

In our next meeting in June, after much discussion, it was the approval of the Committee that we send a letter to all the churches in the Association with a listing of gifts from the Associational Treasurer. The report would be mailed to the pastors and treasurers of each church. This was done on July 5. It was reported that the 1965 minutes indicated that 10 churches did not give anything to Associational Missions, 8 did not give anything to Co-operative Program, and 5 did not give anything to either Associational Missions or Co-operative Program.

Also in the June meeting, the Committee gave consideration of applications received from two churches who had requested membership in the Association. The first consideration was to Cedar Lodge Church, Route 2, Thomasville, organized in July, 1964 with 69 charter members. The membership of the church then was 130, with 17 baptisms this year. Copies of the Church Covenant and Articles of Faith were sent with the application. The church indicated an interest in participating in all Associational and Southern Baptist causes. After discussion, the Committee voted to recommend Cedar Lodge Church to be admitted under the watch-care of the Association for one year, according to the constitution.

The second consideration was given to Little White Church, Route 4, Thomasville. This church was organized in 1957 with 15 charter members. The church had then a membership of 97 members. The church also sent their church Covenant and Articles of Faith. They indicated a desire to cooperate fully with the Baptist program. Our Associational Missionary, Leonard Rollins stated that he had met with the deacons, and our Moderator, Carl Hemphill said he had spoken to the church membership, both discussing the advantages and obligations involved in membership in the Association. The church gave further indication of their contributions made to various Baptist causes. After discussion, the Committee voted to recommend Little White Church to be admitted under the watch-care of the Association for one year, according to the constitution.

In compliance with the By-Laws that the Executive Committee be informed of the churches making application to the Association 30 days before the Annual Meeting and since the next Executive Committee meeting was not until September 12, it was approved that a letter be sent to all pastors concerning the recommendation of these new churches. This was done on August 22.

Consideration of these applications led to a discussion of the need for a closer supervision of churches under watch-care, along with understanding of the requirements of the watch-care relationship between churches and the Association. After some discussion, the Committee voted to recommend to the Committee now studying the Association's By-Laws that quarterly reports be required of churches under watch-care.

Your Missions Committee is seeking to faithfully guide and lead the Association in a better relationship for God's kingdom to grow.

Respectfully submitted,
A. Judson Rotan, Chairman

REPORT OF ASSOCIATIONAL MISSIONARY

During the past associational year it has been my joy to be in forty of our churches for at least one service, and I hope to visit the other five before the end of December. The invitations to preach continue to be numerous, and this reduces the opportunities to visit in many churches for their regular worship services. Included in these speaking engagements have been January Bible Study at Smith Grove and Abbott's Creek, a clinic for Sunday School teachers at Welcome, a revival at East End, the dedication of a new sanctuary at Hasty, "Forrest Feezor Appreciation Day" at Jersey, ordination sermon for Tommy Floyd at Mountain View, Homecoming message at Smith Grove, dedication of pastoriums at Coggins Memorial and Reeds, and ordination of deacons at Park Place, Smith Grove, Mountain View, Reeds, and Welcome. I preached four weeks at New Friendship during the illness of their pastor, six weeks at Clearview while they were without a pastor, and five weeks at Rich Fork during an extended vacation on the part of their pastor. Outside of our association I worked in Sunday School Enlargement Campaigns at Gastonia, Asheville, and Hickory; preached in revival services at Spencer Baptist Church in Spindale and Armfield Heights in Asheboro; and served on the faculty for the third Training Union week at Caswell. It has been difficult to record the total number of times that I have spoken concerning the Brazil Preaching Mission, but I am convinced that it is more than seventy. In addition to the numbers of times that I shared my experience here in this association, I spoke at Edgewood and Ardmore in Winston-Salem, Churchill Drive in Shelby, Hilliard Memorial and English Street in High Point, Spencer Baptist in Spindale, Clover Baptist in Granite Falls, Love Memorial in Gastonia, and Sandy Run Baptist Church in the Sandy Run Association.

I have tried to lend assistance to twelve of our churches as they looked for a pastor, supply preacher, or interim pastor and have worked with the Missions Committee in considering applications of Cedar Lodge and Little White Baptist Churches for admission into our association. The Rolling Heights section in west Lexington has been surveyed, First Baptist Church in Lexington has purchased property, and it is hoped that services can begin in that area by the middle of October. Clinics dealing with the Five-Year Spiritual Growth Program were held in our association in February and September. The World Missions Rally in January, Baptist Youth Night at Erlanger, the Preacher's Revival, Boys' Rally, and the W. M. U. Annual Meeting proved to be a real blessing to those who attended. The appearance of the Mars Hill College Choir in Thomasville and the participants and winners in the Regional Training Union Convention at Greensboro brought splendid recognition to our association.

The hope for the 1966-67 year in Liberty Association is that every church would become convinced that it is already in a missionary situation. The task of associational missions is to help every church live where it is. As your missionary I stand ready to do what I can to bring this to pass.

Respectfully submitted,
Leonard Rollins

EVANGELISM REPORT

We live in an age that can be described accurately as rebellious on one hand

and indifferent on the other. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. On the other side of the picture we are seeing an indifferent attitude toward the church exhibited which is heartbreaking to those who are concerned about God's work. Too often the gospel is preached with little visible results. One man described preaching in these days "like trying to pour water into a jar with the lid screwed on tight." It is easy to be pessimistic in our times. The fact is that many of our church members have already become bewildered!

We do, however, have a glorious message for this generation and that message is the old, old, story of Jesus. God's answer is in New Testament churches - preaching the Gospel of our Lord - preaching by precept and by example.

One of our leaders recently said, "God's answer to the critics and persecutors of the church has been the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete."

The analysis survey of 1965 baptisms in North Carolina Baptist Churches reveals that 66% of those baptized in our churches were Primaries, Juniors, and Intermediates. Only 23% were adults. This is an indication that we are not reaching adults as we should.

In our own Association we baptized about the same number of people as we did last year. In 1965 our baptisms total was 488 while the total this year is 464. Which is 24 less than last year. Other additions were 376. The total gain in membership is 134. This record is not bad but it isn't nearly as good as it should have been.

The overall attendance to our associational meetings was down from last year. We need desperately to create a greater spirit of concern among our people.

Our plans are to continue with the Preacher's Revival and a series of Evangelism Clinics. We will do well to throw all of our support behind the Church Growth Plan of the Sunday School. It is a plan that can be effectively used to win more people to our Lord.

Also we want to ask you now to make the Crusade of the Americas of 1969 a matter of prayer. A committee has been appointed to study the possibility of a crusade in our own association for that year.

May we pray for and seek earnestly to see the fire of Evangelism burn brightly in our land once again!

Respectfully submitted,
William C. Adams
Chairman of Evangelism

CHURCH MUSIC REPORT

September 27, 1966

It is recognized generally that music is one of the strongest elements of life. The purpose of music used in our churches is to help the people to worship our God; therefore every hymn sung and every instrumental number played, should be done in such a manner as to cause every Christian to be drawn closer to the Lord, and for the lost people to want to accept Him as their Saviour and Lord.

According to recent reports from less than 50 percent of the churches in the Southern Baptist Convention, there are 43,546 beginner children taking some kind of singing lessons, 100,299 primary children, 141,163 intermediates, 86,174 young people, 291,480 adults, 41,853 general music officers participating in the music program of their church. This makes a total of 923,871 individuals, almost one

million musicians.

The Liberty Baptist Association has 46 churches. I sent each church a Church Music Information form, furnished us by our State Music Secretary, Joseph Stroud. I received an answer from 20 churches. From these, I am estimating the number of people enrolled in the music ministry of Liberty Baptist Association.

Organist and Pianist - 175
Choir Members - all ages - 1,500
Average choir membership of each church - 20 members

From the information forms sent out to the churches, came the following needs from the Pastors and Ministers of Music:

1. Improving congregational singing.
2. Training Song Leaders.
3. Training Organists
4. Training Pianists

Above all, devout Christian men and women to lead the music in the churches of our Lord and Master.

Respectfully submitted by,
Carey J. Davis

SUNDAY SCHOOL REPORT

Your Sunday School Officers in the Liberty Baptist Association held four planning meetings and conducted four Leadership Conferences during the past year. The Sunday School Leadership in each of the Churches in the Association has been urged throughout the year to improve Bible teaching through more and better trained teachers. A special conference for Sunday School Officers was held on September 13 relative to the "Five Year Spiritual Growth Program."

Most of the age departments were represented in the Vacation Bible School Clinic conducted by our State Convention Leadership at Wingate College last Spring. A Clinic was held in the Liberty Association in April. The various department conferences were led by those who attended the State Clinic. Thirty-eight Churches have reported a Vacation Bible School this year. The Vacation Bible Schools continue to be the most effective single effort of our Sunday School emphasis. We urge those Churches who have not had a school to begin preparation for one next year.

The total Sunday School enrollment continues to increase slightly. (Last year, the gain was approximately 1%.) We believe that our rate of growth should be greater. Your Associational Officers are available to assist Sunday Schools to conduct surveys and plan special programs for enlisting people for Bible study.

Your Associational Officers pledge themselves to total service to every and any Church who should request their help throughout the coming year. We will also be planning Conferences for all age groups which will be designed to train leadership and improve the Bible teaching program in each of our Churches.

Respectfully submitted,
F. T. Bowman, Superintendent

ASSOCIATIONAL TRAINING UNION REPORT 1965-1966

Training Union is getting better and better! It is more than a Sunday night organization, and today it is playing a new role in the churches. This role is to provide whatever training is needed by the church and its organizations.

We now have a three-pronged program: first, the orientation (or training) of

new church members; second, the training of all church members (this is Training Union as we have always known it); and third, the training of church leaders (this includes Sunday School teachers, deacons, church officers, committeemen, etc.)

With new days there have come new ways of doing things. This summer five new leadership manuals were released. These new "concept books" replace those which have been in use for more than thirty years. We urge all of the churches to study these books as soon as possible.

Just as the Sunday School now has the new Life and Work Curriculum, so does the Training Union have the same curriculum as well as the Christian Training curriculum which more nearly parallels our former materials. Preceding these manuals were other thrilling new materials for group learning and programming. As an example we have alternate organizational plans, unit selection plans, resource units, lesson course plans, bibliographies, etc. There are materials for every type Training Union, and flexibility and versatility are the key words now in Training Union. Never has Training Union been so challenging and thrilling.

During the present year we have had six general meetings, and two meetings of our executive committee, as well as the regional convention in Greensboro, the state briefing meeting in High Point and a training conference in Salisbury. Twenty-eight (28) of our forty-five (45) churches have Training Unions. An association may be defined as a cooperative fellowship, or koinonia, of churches of like faith and order. Our organization exists only to meet the needs of the churches. We hope to be a service organization and offer a ministry to all the churches, small or large, and help in the area of Training Union.

There is opposition to Training Union on the part of some persons. Usually this comes from no clear understanding regarding the purpose and the place of this organization in the life and work of the church.

Training Union has the program! Training Union has the materials! Training Union has a broad base on which to work! We need the cooperation of every pastor and training Union director in the Association. We all recognize the truism"no organization will rise above its leadership."

Your associational organization is committed to the task of interpreting the role of training union to the people, blueprinting organizations and training leaders. We ask for your prayers and support. Will you help us?

Respectfully submitted,
Ed Kissiah

BROTHERHOOD REPORT

The report of the Brotherhood in Liberty Baptist Association for the 1965-66 year shows that we have 19 churches with Brotherhood organizations. The total enrolment is 766. During the past year the following special projects were promoted:

1. R.A. Leadership Course at First Baptist, Lexington, on October 26 and 28. This course was attended by 27 different people during the two days.
2. Associational R.A. Banquet at New Friendship on November 13. Rev. Henry Crouch, pastor of Ardmore Baptist Church in Winston-Salem, was the speaker, and 148 boys and men from 14 of our churches were in attendance.
3. On January 24 the Brotherhood and W. M. U. jointly sponsored a World Missions Rally at Carolina Memorial in Thomasville. Miss Faye Tunmire, one of our Southern Baptist missionaries to the Philippines, was the speaker, and more than 300 attended this meeting.
4. Publicity was given to the State Brotherhood Convention and R. A. Congress in Greensboro on March 25-26, and our association was represented in that

meeting.

5. The Associational Boys' Rally was held at Erlanger on June 25 with 65 in attendance.

The Associational Brotherhood Officers met on April 14 at First Baptist Church, Thomasville, with Rev. Bill Jackson to set up dates for associational workshops. It is hoped that under the leadership of the new president a time can be found soon for a Brotherhood workshop in our association and that every church with a Brotherhood will use it as a missionary force.

W. M. U. REPORT

Woman's Missionary Union has shown indications of new zeal for missions and organized planning for the accomplishment of the tasks assigned to WMU as it "Helps the Church Fulfill Its Mission."

Attendance increased at the leadership and courses of accreditation when 152 cards of accreditation were earned for completion of this course. A mission study institute for the foreign mission study series was conducted on an associational basis. Carolina Memorial Baptist Church in Thomasville was the scene of two important meetings; the missions rally, jointly sponsored by the Associational Brotherhood, in January when Miss Faye Tunmire, missionary to the Philippines, was the featured speaker, and the WMU Annual Meeting in April which used as its theme "Proclaim to Every People." Rev. Roy J. Smith, Director of Seminary Extension in Region 10, placed special emphasis on home missions and an impressive closing meditation was presented by the Intermediate GA's of Mills Home. Sixteen of the 37 WMS organizations, having a total membership of 1410, received recognition on the aims for advancement, an increase of five over the previous year; one new WMS organization at Cedar Lodge, has been organized during the year. The association was well-represented at the State WMU meeting, the Annual Meeting in Detroit, and at the workshops conducted for associational leadership.

Youth activities have continued to show enthusiastic interest and participation. Quarterly YWA council meetings were held, one of which included a banquet for all YWA's and their leaders. Facilities were reserved for YWA week at Ridgecrest and 21 of the YWA's and leaders attended for the week. Of the 21 YWA organizations, with membership totaling 203, four organizations received recognition for attainment of aims.

Girls Auxiliary, having a total membership of 552, has not only shown membership increase, but an increased number of organizations also received recognition, 26 compared to 20 for the previous year. The Father-Daughter banquet held at Reeds and the picnic, followed by services in the Old Church at Tanglewood Park, were highlights of the well-attended associational quarterly meetings.

One of the first for Sunbeams in the association was the attainment of "Honor" recognition by the Churchland Sunbeam organization. Membership of 613 showed an increase and recognitions mounted from 3 to 13 for the 43 Sunbeam organizations. Two day camps were conducted for the World Friends group with 8 churches participating.

The Associational WMU shall continue in its objective to assist the churches in establishing, conducting, enlarging and improving the work of WMU and thus HELP The Church Fulfill Its Mission!

Charlotte Cook

RESOLUTIONS COMMITTEE REPORT

WHEREAS The First Baptist Church of Thomasville and the Center Hill and Calvary Church of Lexington have been gracious hosts to the one hundred and thirty-fourth annual session of the Liberty Baptist Association and

WHEREAS this session has abundantly provided fellowship, inspiration and information.

THEREFORE BE IT RESOLVED:

1. That we express our sincere appreciation to the Host Churches - the pastors and members for their hospitality and effort which have contributed so much to our comfort and enjoyment during these days.

2. That we express our thanks also to the Program Committee, the Moderator, Music Director, Clerk, and the program personnel for their contributions to this session of the Association, and

3. That we all express, again, our profound gratitude for the life and labors of our Associational Missionary Leonard Rollins who continues to render outstanding and inspirational leadership.

In offering this resolution of appreciation may we all be reminded that "thanksgiving is more a matter of the life than the lips."

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for the body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and

help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

REPORT ON NORTH CAROLINA BAPTIST COLLEGES 1966

The North Carolina Baptist Colleges supported by the Cooperative Program with their 1965 enrollment as follows:

Campbell College	2,192
Chowan College	1,179
Gardner-Webb College	1,191
Mars Hill College	1,428
Meredith College	942
Wake Forest College	2,996

Total	11,414

At present, approximately 600 young men and women who expect to give their lives to a Christian vocation including pastors, chaplains, directors of religious education and music, missionaries, and others are enrolled in North Carolina Baptist Colleges.

The guaranteed annual income from the Cooperative Program is an important factor in maintaining accreditation, and the Cooperative Program has been called the lifeline for the North Carolina Baptist Colleges. The budget for the council on Christian education for 1966 is $1,382,000.00 In addition to this, each college will share in an anticipated Cooperative Program overage of approximately $120,000.00. The amount budgeted for the different colleges is as follows:

Council Operations		$29,600
Campbell College	$225,850	
Chowan College	$135,240	
Gardner-Webb College	$128,478	
Mars Hill College	$194,746	
Meredith College	$194,746	
Wake Forest College	$331,338	
Wingate College	$142,002	$1,352,400
Grand Total		$1,382,000

There have been several important changes in the administration of the colleges in 1966. Dr. Hoyt Blackwell, President, Mars Hill College, and Dr. Carlyle Campbell, President, Meredith College, retired in 1966, and Dr. Leslie Campbell, President, Campbell College, will retire in 1967. These men have contributed a great deal to the cause of Christian higher education.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING, 1966 REPORT

This has been a good year for the North Carolina Homes for the Aging. The Homes have come a long way during the last fifteen years. There are 164 people in residence at Resthaven and Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. The Yanceyville Home bids are ready "to let" and the ground breaking will perhaps be held in about a month.

The financial aid from the churches comes from two vital avenues, the Special Day Offering, received the third Sunday of February each year, and the Cooperative Program. Special Day Offering for 1966 was the highest ever, $106,000.00.

We in the Liberty Association gave the second highest offering in the state, $4,995.67. The First Baptist Church in Lexington gave the second largest offering in the state with the First Church, Greensboro giving the highest.

Knowing that 90 percent of the 164 people in the homes receive about $90.00 a month from the offerings and could not be in the Homes without this support, we must help.

May we in Liberty Association continue our financial help and prayers for these in our Homes. With the new Home at Yanceyville being added this next year we must increase our offerings, if possible.

Respectfully submitted,
T.C. Williams, Jr.

STATE MISSIONS REPORT

I recently read an interesting article on Missions which the author entitled "Satan Loves Foreign Missions." The point that he was making was that Satan would like to lull us into thinking that we are true and faithful witnesses when we are concerned with carrying the Gospel to people across the oceans. But FOREIGN MISSIONS is only a part of the Great Commission. Jesus said for us to tell the world about our Lord, beginning in Jerusalem, then in Judea, then in Samaria and ultimately into all the world. If we aren't interested in Spiritual needs right here in North Carolina we can hardly be genuinely interested and effective in Foreign Missions.

We are witnessing now in our state to many special groups, including military personnel, the deaf, migrant workers and retired ministers. We feed the hungry and clothe the naked in our city missions. We support camps and assemblies where many young people accept Christ each year.

Last year the Liberty association with its 43 churches gave to all causes of State Missions $5041. Thirty-two churches participated in this offering. Twenty churches gave less than $100 each and 11 churches made no contribution.

Many more souls could be won to Christ, many more lives could be saved from despair and suffering, if we as individuals, as churches and associations adequately support by prayer, words and money the 15 programs by which State Missions seeks to carry out the Great Commission.

Respectfully submitted,
Mrs. Robert C. Foster

HOME MISSIONS REPORT

Through the Home Mission Board Southern Baptists enjoy the privilege of supporting a program which sends missionaries into every state in the United States, and into Cuba, Panama, the Canal Zone, and Puerto Rico. In addition to this we have a liaison ministry between Southern Baptists and Canadian Baptists. The missionary force grew last year by 148 to a total of 2,520.

In light of almost 34,000 Southern Baptist Churches in the United States one might wonder why an additional missionary program of this nature is needed.

The Home Mission Board cooperates with all the State Conventions in the support of Christian missions in dealing with certain specific needs otherwise unmet. Such areas of work as language groups, Indians, the deaf, Negroes, pioneer missions, urban-rural studies, student ministries, juvenile rehabilitation and ministries to military personnel are among those dealt with in this relationship.

One of the major opportunities of Christian witness in America is among the more than 30 million people of different language or cultural backgrounds from our own. There are at least 40 of these language and culture groups, and the Home Mission Board participates in the employment of over 900 missionaries who work among different language peoples. These language missionaries serve in 29 of our 50 states. In some instances these ministries are administered directly by the Home Mission Board, but always in hearty agreement with the state conventions of the areas involved.

The support of the missionary program of the Home Mission Board comes basically from two sources: the Cooperative Program and the Annie Armstrong offering. The amount of support given through these two sources limits the number of missionaries and the work the Board is able to accomplish.

Materialism, atheism, and spiritual indifference seem to be on the increase in the United States, and this creates an ever increasing demand for a concerted mission program in the homeland. The Home Mission Board is now better organized and more able to meet the challange than ever before. The world is looking to us in America for moral and spiritual strength and we cannot give what we ourselves do not possess.

The Home Mission Board wishes to make its total resources and personnel available to its Baptist constituency in helping to stimulate a moral and spiritual awakening in our homeland. Each Baptist and each church should be a part of this tremendous program of Spiritual advance.

Respectfully submitted,
Woodrow W. Hill

FOREIGN MISSION REPORT

At the close of 1965, there were 2,070 missionaries under appointment by the Foreign Mission Board for service in 61 countries plus Hawaii and the Spanish Publishing House in El Paso. Two hundred and thirteen new missionaries were appointed during the year including missionary associates and missionary journeymen. Seven missionaries were reappointed.

Special stress is being laid upon evangelism. The nationwide evangelistic crusade in Brazil, launched with a meeting in Rio de Janeiro attended by 150,000 persons resulted in more than 82,000 decisions for Christ, with meetings still continuing at the year's end.

At the close of 1965, the sum of $1,823,505 was received through the Cooperative Program for advance. The Foreign Mission Board received through the Cooperative Program in 1965 a grand total of $11,123,505. This amount represented 49.28 percent of the Cooperative Program funds received by the Executive Committee of the Southern Baptist Convention.

It is hoped that 250 missionaries may be appointed in 1966. A minimum of $2,000,000 increase in the operating budget of the Foreign Mission Board is necessary in order to provide for the appointment of new missionaries and make minimum provision for strengthening the work on the fields.

In the 1966 Foreign Mission Board report, Dr. Baker J. Cauthen had this to say, "God has brought us into a day of vast human needs. The task that is before God's servants in the closing decades of this century is unlike anything ever known before. There must be a breakthrough on a world scale of spiritual power and witness in order that the world in its confusion, dispair and brokenness may find the truth of the living God."

Dr. Perry Crouch said in his newsletter of September 1966 that, "At the end of August 1966, our increase for the Cooperative Program was 11.23% ahead of last year. Last year at the end of August we were just 3.5% ahead of 1964."

In 1966 37 churches in the Liberty Association gave $107,948 through the Cooperative Program, and $33,319 through the Lottie Moon Christmas Offering.

REPORT ON CHRISTIAN LITERATURE

(Given by Orville Scott at the 1966 session of Liberty Baptist Association.)

Perhaps there has never been a time when Christians need so much to be well informed on social and moral issues.

The new morality; a bill on liquor by the drink to be introduced at the next legislative session; a proposed name change for the Southern Baptist Convention; attitudes of young people toward the church; the issue of federal aid; new currents flowing through what has become a national body of Baptists rather than a regional one; all of these and other issues make it difficult enough for Mr. Average Baptist to be as informed as he ought. To help him keep up to date, he usually depends on Baptist publications.

Baptists of Liberty Association are apparently among the state's best informed. Twenty-seven churches in the association subscribe to CHARITY AND CHILDREN, while the BIBLICAL RECORDER, official organ of the State Baptist Convention, goes to 28 churches. Statewide circulation of CHARITY AND CHILDREN is about 50,000 while BIBLICAL RECORDER goes into about 85,000 homes.

CHARITY AND CHILDREN in newspaper format, and the RECORDER in magazine format, are both weekly. Of necessity, they sometimes overlap in news coverage-but serve to complement each other rather than compete. The RECORDER, edited by J. Marse Grant in Raleigh, was founded in 1833. CHARITY AND CHILDREN was begun in 1886. Orville Scott is editor. The Children's Homes paper emphasizes the child care program, but, like the RECORDER, also carries general Baptist news and inspirational items with considerable use of pictures. Both papers are noted for strong editorial stands.

HOME LIFE magazine, published monthly in Nashville, Tenn., by the Baptist Sunday School Board, is the other most widely distributed denominational publication.

Other Christian literature received either by individuals or churches in the association includes HOME MISSIONS magazine, published monthly in Atlanta, Ga., by the Home Mission Board; THE COMMISSION, also published monthly in Richmond, Va., by the Foreign Mission Board; BROTHERHOOD JOURNAL, published quarterly by the Brotherhood Commission in Memphis, Tenn.; and UPWARD, a magazine for youth published by the BSSB in Nashville.

AMERICAN BIBLE SOCIETY REPORT

One hundred-fifty years ago the sixty men who met in Garden Street Church were not only men of faith and vision, but men of action. Returning to their homes as far apart as Kentucky, North Carolina, New Hampshire and Ohio, they went to work. The first year income from the sale of Bibles, dividends from donated stock and contributions amounted to $37,779.35. From this beginning a firm foundation was provided for the task ahead.

In 1965, gifts amounted to $3,930,244.00, which proves that when people are aware of the need for more Bible translations they willingly give of their time, talents and money. From the denominational list, Southern Baptists were first in membership and gifts, with the Methodist Church in second place.

With the 150th report, the past is history and a foundation for the future, the American Bible Society Advisory Council set the following goals for the anniversary year, 1966:

1. Ten million new Bible Readers.
2. Bibles in all public libraries and public school libraries.
3. A fair and meaningful contribution from every church in the United States.
4. One Sunday set aside by every church for American Bible Society emphasis and offering.
5. Joint meetings where several denominations may cooperate in special "Bible Day" observances during "The Year of the Bible." But there will still be millions of people in the world without the knowledge of Christ. The search for those who have not heard must continue until His will is done on earth as it is in Heaven.

REPORT ON PUBLIC MORALS

The evils of alcohol are more evident today than ever before. Due to the apathy of voters and the silence of many Christian people the alcohol industry has virtually won North Carolina. "Brown Bagging" now has the nod of the State Supreme Court as it issued a restraining order to prevent the Mecklenburg County ABC board from enforcing its own laws against "brown bagging" and "bottle clubs," until the legislators have an opportunity to "review," or shall we be honest and say "change" the present laws. The "boot-legger" who was so much in the news last year just before our ABC election has ceased to concern those leading citizens who were so concerned before, but my predictions are that we will hear from them again on this matter just as soon as they are ready for another ABC vote. This does not mean that the "boot-legger" does not now exist, for he is still just as active as ever, and is ready and willing to be used again to sell people on the "advantages" of the ABC system.

Public morals include more than alcohol. We should be concerned with the problems of immorality among our young people where narcotics flow freely, promiscuity is increasing, and delinquency is rampant. To illustrate this problem I need cite you only one example in North Carolina where one juvenile detention center was recommended to be closed because of homo-sexuality among the inmates.

Adultery and fornication are still tremendous problems. There is an annual increase in the number of illegitimate births each year in spite of the fact that birth control information flows as freely as water. Illegal abortions are at an all time high, and so is divorce.

If you made a trip to the fair last week you know that gambling has come out

into the open more boldly than ever before. Not only at the fair but when we go to our grocery stores we are reminded of the inroads that gambling is making in our society. We are given chances on the horse races and dog races, or we are given a card to play "three of a kind." Gambling is being socialized and all too soon attempts will be made to legalize it, and we as Christian people will have our own hands too full of "chances" to be able to lift our hands or our voices against it. Often we feel that there is no real danger here, but I am reminded of these lines from a little poem:

O Ho, I cried, the world is wide and its fettered limbs grow lame
And once or twice to shake the dice is a gentlemanly game;
But he does not win who plays with sin in its guilded halls of shame.

A part of the blame for these evils must go to our pulpits. Many people are preaching the new morality which says that we must make the prodigal son happy in the far country. Other pulpits are silent saying "its none of my business; anyway if I get involved people will label me as a moralist." Others say that the state should do something about it, and since we believe in the separation of church and state we should keep silent. The question is are we going to have a silent church in a hostile state or are we going to have a strong church in a friendly state? The time has come for us to sing the Brotherhood hymn with our lives instead of our voices and;

Rise up, O men of God, Have done with lesser things,
Give heart, and soul, and mind, and strength, to serve the King of Kings.

REPORT OF THE HISTORIAN
HISTORY OF THE CENTER HILL BAPTIST CHURCH

The Center Hill Baptist Church is one of the many daughters of the Jersey Baptist Church. This church was the direct result of a revival held in the fall of 1907 at the Center Hill School house by Rev. S.D. Swaim, who was then pastor at Jersey. He was assisted in this meeting by Rev. E.L. Weston of Cooleemee. After the close of this revival on October 18, 1907 a council met for the purpose of organizing the Center Hill church which was named in honor of the school house which was located a short distance from where the church now stands.

The Council consisted of the following: Rev. S.D. Swaim, Rev. E.L. Weston, and the following deacons from the Jersey church: Z.T. Sharpe, J.B. Palmer, C.S. Palmer, Lindsey Kepley, and A.L. Yarbrough. Also, A.A. Yarbrough from the First Church, Lexington. The church had 55 charter members.

In this same meeting the following were appointed as building committee: T.M. Sheets, A.V. Miller and Marcellus Gallimore. This committee began action immediately and Marcellus Gallimore gave an acre of land, another acre was purchased for $16.00.

The members gave lumber, money and free labor to get the church building started. J.L. Bowers and Bruel Bowers hauled the first load of lumber to the site. Shortly after this little Lee Bowers, son of Burel Bowers died. He was buried in a grove of pines, later to become the church cemetery. On April 14, 1908, Frank Paterson and Burel Bowers laid the first sill in the foundation. The people gave freely and they borrowed some $500. to complete the church which was completed in about one year. They met in the school house until the building was finished. In 1908 the church reported 64 members to the Association. Amanda Sharpe donated the church bell which is still in use. The present pews are the original ones. Members donated the lumber for these, hauled it to High Point by horse and wagon where the pews were made. Ed Leonard, a singing teacher of those days helped the church to

secure its first organ.

The church building was dedicated November 7, 1908, just thirteen months after it was organized. The sermon was preached by Rev. E.L. Weston. $125.00 was raised on the building indebtedness. On this same day the church organized its first Sunday School with C.A. Owen as superintendent and T.M. Sheets as secretary.

Rev. S.D. Swaim resigned as pastor on July 2, 1910, and Rev. Henry Sheets was called. At that time the church was receiving from the State Board the sum of $45.00 per annum toward the pastor's salary. By December 1915 the church was self-supporting, paying the pastor $100.00 per annum. At this time the church made assessments of the monthly dues against those that did not voluntarily contribute. This assessment was 15¢ for the heads of families, 10¢ for boys and 5¢ for girls.

Rev. Henry Sheets resigned as pastor on November 19, 1916. Rev. B.C. Ingram was called to succeed him. In April of 1918 Rev. Forest Feezer was called to replace Rev. Ingram for the summer. On May 22, 1920 Rev. J.L. Shinn was called as pastor at the salary of $250.00 per annum. Rev. W.L. Barrs was called as pastor in March of 1923. He resigned January 24, 1926 and was replaced by Rev. H.T. Penry.

The Sunday School of this church has had a steady growth, from 98 in 1913 to 325 last year. The church membership has grown from 64 in 1908 to 427 last year.

Rev. G.A. Martin served as pastor from 1930 to 1934; Rev. E.C. Roach from 1934 to 1937, Rev. C.D. Barringer from 1937 to 1939, Rev. D.W. Digh from 1939 to 1944; Rev. J.W. Dickens from 1944 to 1952. Since that time Rev. Charles Young has been pastor. Under his leadership the church has made much progress in all phases of the work.

On March 17, 1929 the church voted to brick veneer the church building and to build eight additional Sunday School rooms. In 1940 the main auditorium was renovated and a heating system installed and in 1942 the basement was completed and two more Sunday School rooms added. In 1945 the church built an eight room parsonage on lots donated by R.B. Sheets.

On January 11, 1953, under the leadership of Rev. Charles Young the church began full time services, with morning and evening services each Sunday. About this time a brotherhood was organized with Wade Jarrett as president. In October 1954 the church licensed Tommie Honbaier to preach.

In June of 1955 the church accepted plans for a new educational building, which was to be a brick veneered, two story building of twenty-eight rooms. This building was completed in 1957. The building committee was composed of Joe Hunt, Chairman, Bill Sheets, Frank Forshee, Wade Holmes and Mrs. Hobart Wilson. The church is free of debt and plans in the near future to begin the building of a new sanctuary.

Before this meeting the Liberty Baptist Association has met with this church three times: In 1915 with O.A. Keller as preacher and moderator, and Henry Sheets as clerk; in 1940 with L.S. Gaines as preacher, R.D. Covington as moderator and Sam J. Smith as clerk; and in 1957 for the second day with J. Roy Clifford as moderator and J. Wade Jarrett as clerk.

Much credit and many thanks are given to Mrs. Clinton Mabry, long time the efficient clerk of this church for her assistance in preparing this report.

A BRIEF HISTORY OF FIRST BAPTIST CHURCH, THOMASVILLE

Deeds recorded in the Register of Deeds office at the county seat show that in 1860 John W. Thomas made an agreement with the Baptist church and the Methodist church to give each a lot on condition that they build suitable church buildings. Records show that the Baptist church must have been nearing completion in August, 1862, for the Liberty Association meeting for the next year was scheduled to be held in Thomasville. A deed made in 1863 giving the lot on Randolph street to the trustees of the church covers the central part of the larger holdings of the First Baptist Church today.

This church has had a varied experience in its history. The exact date of its constitution is not known, but was during the year 1857. It was received into the fellowship of the Liberty Association, August, 1859. It was represented by the following delegates, Aquilla Jones, John Hudson and S.M. Dorsett. At this meeting it reported 9 members and Rev. John Mitchell as pastor. At this meeting of the Association it was voted that the funds in the hands of the former Treasurer be divided between the struggling church at High Point and the Thomasville church. The first church building was completed in 1863.

The church beginning with a membership of 9 never had a membership of 44 until 1888, when Rev. J.N. Stallings was pastor. In 1870 it reported only 14 members. In 1905 the church had a membership of 40.

It is not known who the 9 charter members were, but the three delegates above named to the 1859 session of the association were doubtless three of the nine. In 1926 the church reported 375 members.

A Sunday School is said to have been organized in the church in 1862. It is said that the church building was used as a Confederate Hospital in 1865. The first W.M.U. was organized in the church in 1897.

In 1908 a new building was decided upon during the two-year pastorate of T.S. Crutchfield. In 1911 plans were completed and excavation begun under the pastorate of G.A. Martin. The new building was completed and formally opened in March, 1913. The original building was moved out to become Southside Baptist Church, fostered by First Baptist. Also, the Ladies Aid Society (known as Church Furnishing Society) and Training Union (then called BYPU) were organized.

In 1919 the church was able to discontinue the need for funds from the State Mission Board. In 1923 the first full-time pastor, C.H. Trueblood, began his two-year pastorate. In 1926 a major improvement program was undertaken during the nine-year pastorate of M.O. Alexander. This growth included ground-floor Sunday School rooms, a new heating plant, a pipe organ, the purchase of adjoining land east of the church, and the purchase of a house south of the church for a pastorium. The debt for these improvements reached $29,500, was reduced to $10,000 by 1934, and completely wiped out in 1942.

In 1930 the Carolina Avenue Baptist Church was fostered by First Baptist. 1935 showed accelerated growth which continued during the ten-year pastorate of W.K. McGee. During this time 50 members organized what was to become Park Place Church.

In 1946 the Greenwood Baptist Church was fostered by First Baptist. In 1952 the Youth Education Building was built during the twelve-year pastorate of Charles F. Leek.

In 1957 F. Stanley Hardee, Jr. became pastor of the church. Under his leadership the debt for the Youth building was liquidated; more than 500 members were added to the church for a total of 1,200 members. This created a critical need for additional expansion, so in 1959 a survey and planning committee was appointed to study the feasibility of erecting a new sanctuary and a new adult building. A campaign was later begun to raise funds. In 1962 the fifty-year old brick structure was torn down and the new buildings begun. The sanctuary and adult building were completed in 1963, which cost around $360,000.00. Inaugural services were held December 15, 1963. Six days of formal dedication were held March 15 through March 20, 1964.

The present pastor is Woodrow W. Hill, who came on the field April 1, 1965.

Since John Mitchell, the first pastor, the following have served in the order named, J. B. Jackson, J. B. Richardson, P. H. Fontaine, F. M. Jordon, J. J. James, J.B. Richardson (Second Time), H. Morton, J.N. Stallings, C.G. Wells, J.M. Hilliard, W. M. Rich, G. A. G. Thomas, J. B. Richardson (third time), George P. Harrell, T.S. Crutchfield, G.A. Martin, Dr. I.M. Mercer, J.S. Hardaway, C.H. Trueblood,

M.O. Alexander, W.K. McGee, Chas. F. Leek, F. Stanley Hardee and Woodrow Hill.

Associational meetings of the Liberty Association before this year were held with the church:

1863, Moderator, J.B. Jackson, Preacher, T.W. Toby, Clerk, Azariah Williams.
1906, Moderator, James Smith, Preacher, J.S. Farmer, Clerk, Henry Sheets.
1927, Moderator, Archibald Johnson, Preacher, M.T. Penry, Clerk, Sam J. Smith.
1944, Moderator, H.M. Stroup, Preacher, C.B. Atkinson, Clerk, A.L. Snider.

Last year the church reported a membership of 1150, and a Sunday School enrollment of 883.

I am indebted to Mrs. Robert Porter, the church clerk, for her able assistance in the preparation of this historical sketch.

Respectfully submitted,
Sam J. Smith, Associational Historian

LIBERTY
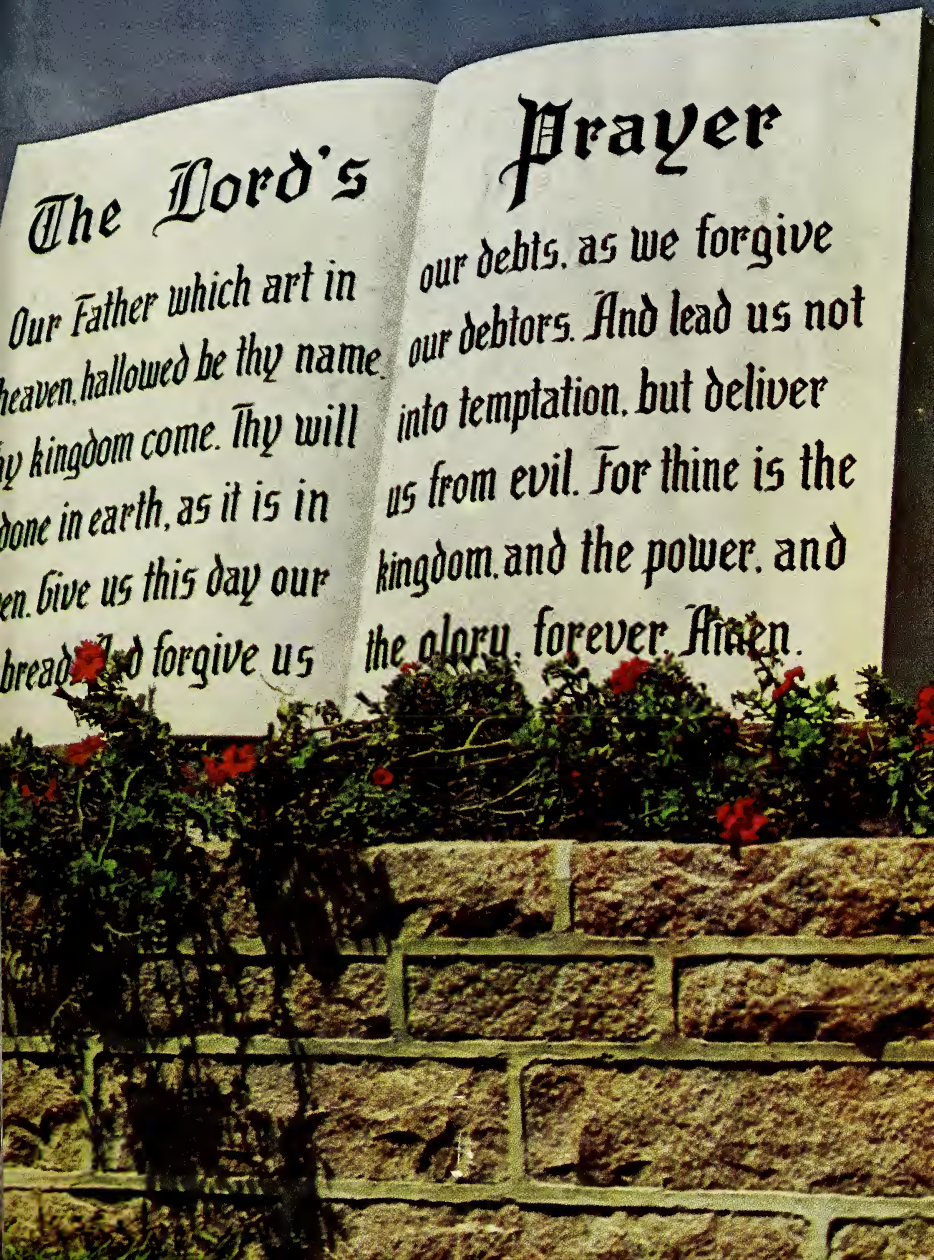
Baptist Association
North Carolina 1967



The Lord's Prayer
Our Father which art in heaven, hallowed be thy name. Thy kingdom come. Thy will done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen.

CONSTITUTION

(Adopted September 29, 1954-Revised September 28,1966)

Preamble

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

Article I-Name

The name of this body shall be the Liberty Baptist Association.

Article II-Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

Article III-Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV-Composition of Meetings

Section 1. The official voting body shall be composed of messengers from

the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

Other officers shall be elected on the last day of the annual meeting for terms of one year each. (Clerk one year,also) They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations, as the committee's nominees for election as the Association's Officers also.

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is

favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.
2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.
3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, Quarterly, Annually).
2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be distributed.

4. Inform member churches of their record of giving.

REPORTS

EXECUTIVE COMMITTEE REPORT

The executive committee of the Liberty Baptist Association met as prescribed by the constitution, and at each of the meetings reports were given of the work of the

organizations of the Association, the associational treasurer and missionary.

In addition to hearing reports the following business was transacted on behalf of the Association:

November 7, 1966: An application was approved to request aid on the Missionary's salary from the State Convention in the amount of $840. Judson Rotan resigned as Chairman of the missions committee due to his leaving the association. F.T. Bowman was asked to serve as chairman of that committee until the Nominating Committee could meet.

January 30, 1967: Dates were set for the Association's participation in the 1969 Simultaneous revival crusades for April 6 through April 20. Melvin Greene was elected to the Missions Committee replacing Judson Rotan, and Roger Williams was named as Chairman of the Missions Committee. The Executive Committee expressed appreciation to the First Baptist Church, Lexington for their sponsorship of two radio programs, Master Control, and the Sunday School Lesson, on Radio Station WBUY. A resolution was passed expressing opposition to any legislation designed to increase the distribution and/or consumption of alcoholic beverages in North Carolina.

April 24, 1967: An advisory committee, composed of Carl Hemphill, Chairman, Bill Adams, Don Sides, Melvin Greene, James Lambert and James Helvey were authorized to proceed with plans to establish at least one Seminary Extension Center in the Association this fall. A motion was passed that an Area Wide Evangelistic Crusade be sponsored by the Association in August, 1969, with services to be held in the auditorium of the Lexington Senior High School. The speaker will be announced later. A motion was passed to pay hospitalization insurance on our Associational Missionary and his family at a cost of $19.25 per month, effective June 1, 1967.

September 11, 1967: A motion was passed to change the dates of the area wide Crusade to July 31 through August 11, 1968, to erect a tent on the fair grounds, to engage Jack Stanton as speaker, and to seek cooperation from all the churches within the Association.

Respectfully submitted,
Richard Chapman, Secretary

REPORT OF MISSIONS COMMITTEE

The Missions Committee of the Liberty Baptist Association met twice this year. In our November meeting the Constitutional Amendment adopted by the Association at its last annual meeting stipulating conditions to be met for membership, and the need of notifying the churches of this amendment, were discussed at length. Motion was made by Mr. F.T. Bowman, seconded by Mr. Dothan Reece, and unanimously passed that a letter outlining the said Constitutional Amendment be written to the pastor, clerk, and treasurer of each of the 45 churches in the association, and request be made therein that the letter be read to the church. In the discussion of this motion, it was pointed out that further notification could be sent at a later date if requirements of the amendment had not been met.

The next matter of business discussed was the type quarterly report which should be furnished this committee by churches under the watch-care of the assooiation, in accordance with the Constitution, as amended. After discussion, motion was made by Rev. Carl Hemphill, seconded by Rev. Bennie Crawford, and unanimously passed, that the chairman prepare said form to embody: membership, baptisms, cooperative program gifts, associational missions and other special objects of giving, and other activities.

The Chairman stated that the next matter of business was the matter of request for assistance from the Baptist State Convention. He stated that the request submitted last year was $876; however, the State Convention approved assistance for $840. The Treasurer advised that the budget adopted at the annual meeting was presented on

the basis of receiving the same allocation from the State Convention. Following discussion, motion was made by Rev. Bennie Crawford, seconded by Rev. Carl Hemphill, and unanimously passed, that the Missions Committee recommend to the Executive Committee that assistance of $840 be requested from the State Convention for the year.

In concluding the meeting the chairman, Rev. Judson Rotan, advised that he would be moving to Sylva, North Carolina, as pastor of Scotts Creek Baptist Church. With expressions of regret to his leaving and best wishes for work in his new pastorate, the group adjourned to the Executive Committee meeting which followed.

The second meeting was held in September, and since the Committee did not have a chairman, Rev. Leonard Rollins served as chairman of the meeting. In compliance with instructions of the Missions Committee in its last meeting, it was reported that quarterly report forms had been furnished the churches under the watch-care of the Association for the year, and notification of the change in the Constitutional requirements was mailed to each pastor, clerk, and treasurer.

As a matter of information, it was reported that at the close of the books on August 31 there were 6 churches which had made no contribution during this year as provided in the Constitution of the Association.

The Chairman stated that the main purpose of the meeting was to make a decision concerning two churches, Little White and Cedar Lodge, who had been under the watch-care of the association for the past year, and that such decision would be presented as a recommendation from this committee to the association in its annual meeting on September 26. He further stated that both churches had met the requirements of the committee in furnishing the quarterly reports, and he proceeded to give the following summary of these reports:

LITTLE WHITE: Pews and organ purchased and sanctuary air conditioned; 8 baptisms; 11 other additions; total membership 113; Sunday School enrollment 140; no Training Union, Brotherhood, or W.M.U.; total contributions to missions $628 allocated to - $18 Cooperative Program; $100 Associational Missions; $26 Lottie Moon Christmas offering; $79 Children's Home; and $185 to Baptist Hospital. Associational leadership furnished for Vacation Bible School and ministers preached in revival.

CEDAR LODGE: 23 baptisms; 33 other additions; total membership 188; Sunday School enrollment 249; 1 W.M.U. organization; no Training Union or Brotherhood; total contributions to missions $729.50 allocated to - $300 Cooperative Program; $50 Associational Missions; $41 State Missions; $195 Home Missions; $43.50 Foreign Missions; $35 Children's Home; and $35 Baptist Hospital. Rev. W.C. Adams preached in revival.

Motion was made by Robert Cook, seconded by Carey Davis, and unanimously passed, that recommendation be made to the Association that Little White and Cedar Lodge churches be accepted into full fellowship of the Association.

Respectfully submitted,
Leonard Rollins, Missionary

REPORT OF EVANGELISM COMMITTEE

Our evangelism report this year reflects a spirit of love and concern in Liberty Association. Baptisms show an increase over last year. 518 persons were baptized in our churches in 1966-67. This represents an increase of 54.

The past is now history. We are grateful to God for the achievements of this past year. The future now demands our full attention. The major item for all of our associational planning for this new year should center around the Davidson County Crusade for Christ to be held at the Davidson County Fair Grounds on July 31-August 11, 1968. Dr. Jack Stanton of the Home Mission Board is to be our Evangelist.

We will need the full support of every church in the Liberty Association. The first meeting in preparation for this Crusade will be held in the Lexington First Baptist Church next week - Friday night - October 6 at 7:30 P.M. We urgently request that every pastor and at least one layman from each church be present for this meeting. Mr. Jack Edmonds of the Home Mission Board will be present to lead in our preparation.

We earnestly plead with each of you to make this Crusade a matter of serious prayer and to be ready to help in any way that you are called upon to help. We also request that all of our churches keep these dates open for full participation next August.

Now a word about the Crusade of the Americas Revivals which will be April 6-20, 1969 in our Association. The following schedule of emphasis should be a part of our prayer and planning:

1. Nation-Wide Emphasis on Prayer - Jan. 14, 1968 and Jan. 12, 1969
   Pact - Prayer Partners Program
   Watch Night Prayer Service - Dec. 31, 1968
2. Nation-Wide Search for Prospects - May-August 1968
3. Nation-Wide Visitation Witnessing - Sept.-Nov. 1968
4. Nation-Wide Crusade Revivals - March-May 1969
5. Nation-Wide Emphasis on New Member Orientation - Follow up of Crusade Revivals
6. Special Emphasis in North Carolina on Christian Maturity - Jan. 1 - Dec. 31, 1970

Respectfully submitted,
Bill Adams

Association programs and speakers	100.00
Miscellaneous	150.00
TOTAL PROPOSED BUDGET DISBURSEMENTS	$ 12,683.08

After preparing this budget, the Finance Committee came to the following conclusions:

(1). We are pleased with the performance and work of our Associational Missionary.

(2). We sincerely believe the budget to be reasonable and necessary in promoting the Associational programs.

(3). In the light of inflation and rising cost of operational expenses, a small increase in the budget was necessary. Therefore, again, it is most sincerely requested and expected that each church contribute 10 cents per month per resident member, or at least $1.00 per year for each church member. It was also the feeling of this committee that in order to pay and keep our Association's finances in a strong position, that a 10 per cent increase of Associational giving would be most welcome and desirable, and thus assuring a sound financial backing of the Association's program.

(4). The over-all increase in our financial structure for the year was $831.00 which is explained as follows:

$200.00 in Missionary's salary; $200.00 in travel allowance; $231.00 in payment of the Missionary's hospital plan which was recommended and directed by the Association's Executive Committee and has been in effect

for several months; $300.00 office rental; and $25.00 for the music department. The budget was reduced $100.00 in maintenance and $25.00 in the leadership conference.

(5). Since the Finance Committee adopted the budget including $231.00 for the Missionary's hospital plan, the Committee has been informed that the annual hospital premiums will amount to $277.75 instead of $231.00. We recommend that the additional amount of $46.75 be paid and included in the budget. This will make a total budget of $12,729.83.

BAPTIST FOUNDATION REPORT

Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I.G. Greer, has been critically ill at his home in Chapel Hill. Some weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention. Certainly all of us will continue to remember them in our prayers and best wishes.

This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

Respectfully submitted,
C.C. Wall, Sr.

REPORT ON CHRISTIAN LITERATURE

(Given by Orville Scott at the 1967 session of the Liberty Baptist Association.)

People are what they read, could be said to a large extent of most Liberty Association Baptists.

Because we depend so much upon books, magazines, newspapers and other printed matter for feeding and broadening our minds, we are either the victims or the beneficiaries of the printed word.

Kyle Haselden, editor of CHRISTIAN CENTURY Magazine, says there is a greater danger toward poisoning the minds of our people through the great abundance of soft core pornography than through the filthy pictures, stag-party films and other sordid materials considered taboo. He lists as other forms of obscenity, just as evil as sexual obscenity, such things as vicious defamation of character, poisonous racial jokes, sickening rumors, and the glorification of war and violence.

The most effective way to suppress bad literature is to supplant it with good literature.

Baptists of the Liberty Association seem to be ahead of the game, and are certainly among the state's best informed. Twenty-seven churches in the association subscribe to CHARITY AND CHILDREN and about the same number receive the BIBLICAL RECORDER, official organ of the State Baptist Convention. Both are available individually, sent to the Homes, or in bundles at the churches.

CHARITY AND CHILDREN in newspaper format, the RECORDER in magazine format, are both weekly. Sometimes news coverage may overlap, but primarily the papers complement each other and every church ought to get both.

THE RECORDER, edited by J. Marse Grant in Raleigh, was founded in 1833. CHARITY AND CHILDREN was begun in 1887. Orville Scott is editor. THE CHILDREN'S HOMES paper emphasizes the child care program, but, like the RECORDER, also carries general Baptist news and inspirational items with considerable use of pictures. Both papers are noted for strong editorial stands.

Periodicals and publications available for every home through the Southern Baptist Convention and its agencies include HOME LIFE Magazine, THE COMMISSION, and HOME MISSIONS. Available for those interested are SUNDAY SCHOOL BUILDER, TRAINING UNION Magazine, THE CHURCH MUSICIAN and CHURCH ADMINISTRATION.

Our women and girls should have ROYAL SERVICE, THE WINDOW, and TELL. The men and boys should all receive the BROTHERHOOD JOURNAL and AMBASSADOR LIFE.

W.M.U. REPORT

Woman's Missionary Union--"Laborers Together with God"--has placed increased emphasis on correlation and coordination in "Helping the Church Fulfill Its Mission."

Courses of accreditation were again offered with enrollment reaching 200. Of this number 151 from 24 churches earned cards of accreditation. A mission study institute for the foreign series was conducted with 14 churches being represented. Mission books and materials were made available at each of these sessions on consignment from the Baptist Book Store.

Rev. Ralph Harrell, missionary to Kenya, was the featured speaker at the missions rally held at Erlanger Baptist Church. This rally, jointly sponsored with the Brotherhood and youth organizations joining in attendance and promotion, resulted in the largest rally attendance. Miss Carol Leigh Humphries, missionary to Nigeria, was the main speaker at the WMU Annual Meeting. Following the theme of the meeting "O Master Let Me Walk With Thee," Miss Humphries enthusiastically relayed her walk as our missionary.

Response of the local churches in more than 15% attaining recognition on the Aims for Advancement made it possible for the attainment of Honor recognition for the second successive year, being one of 20 associations of the state so recognized. One local church - Jersey - also received recognition as an Honor WMU. Of the 41 WMS organizations with membership of 1487, 3 received honor recognition, 7 received advanced recognition and 9 were recognized as approved organizations. The 21 YWA organizations with membership of 173 reported 1 honor organization, 8 advanced and 2 approved organizations. The GA membership, totaling 557 consisted of 52 organizations, 6 of whom were honor, 10 advanced and 9 approved, and the Sunbeam member-

ship of 647 consisted of 50 organizations with 4 being honor, 3 advanced and 5 approved.

Associational leadership attended state workshops and the association was well-represented at the WMU Week at Ridgecrest as well as the state and convention annual meetings. Youth activities have continued to flourish. Quarterly bulletins to directors and counselors and well-planned inspirational programs have helped increase attendance at the quarterly GA and YWA meetings. Day-camp attendance for the Sunbeam World Friends group climbed from 43 last year to 72 representing 7 churches.

Mission Action To Help The Church Fulfill Its Mission will be the emphasis for the coming year as the Associational WMU assists the local churches in establishing, enlarging and improving WMU organizations.

BROTHERHOOD REPORT

The meeting of the Southern Baptist Convention in May of 1965 was an historic one for the Brotherhood program. In this meeting the Brotherhood leadership of the Convention was assigned the responsibility of developing an effective Missionary Education -- Action program for the men, young men, and boys of the churches. The objective became, "leading, young men and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, and to a personal involvement in missions."

There have been many opportunities for the Brotherhood Department during the past year to acquaint the men of the churches in North Carolina with the new mission program. One such opportunity has been that of training some 75 Laymen and ministers, who are already active in their churches and associations, so that they might be used to communicate the program to the men of the churches. Two of us ministers from this Association, your Brotherhood president and Melvin Green, have had the privilege of attending these Brotherhood workshops.

We had one Associational Brotherhood meeting during the past year. We had a joint meeting with the W.M.U. January 23 at Erlanger Baptist Church. The meeting was well attended. We also had one Associational R.A. meeting at Stoners Grove 130 men and boys attended with 13 churches represented.

The Brotherhood officers and R.A. leaders of the Liberty Association are making plans for the future. In cooperation with our State Brotherhood Secretary, J. Edwin Bullock, a workshop is planned for the Brotherhood officers and R.A. leaders. This workshop will be held October 16 and 17 at Carolina Memorial Baptist Church. Mr. Paul Eddinger and his R.A. committee are already meeting each quarter and are making big plans for the future.

HOME MISSION REPORT

The command of Jesus to the Gadarene democratic after he was made whole, "to go home to thy friends and tell how great things the Lord hath done for thee," is still His plea to us today.

Never in American history have we needed this message as today when we begin to look around us and observe the way mankind is living. Racial strife, juvenile

delinquency, secularism, materialism, and the sexual revolution are predominating the American public today. The Gospel is being challenged more today than in years past.

The Home Mission Board is presented a deeper challenge because of present conditions. Our missionaries must offer them something greater and more sufficient than the things which occupy first place in their lives and only the Changeless Christ can satisfy.

Let us focus our attention on a few of the highlights of the Home Mission Board this year:

1. A missionary force of over 2,100 assists Southern Baptists in their efforts to bring men to God through Jesus Christ. Four-hundred twenty-seven new missionaries were appointed in 1966 with 119 on career basis.
2. They have experimented and searched for methods in missions, such as those in resort communities, industrial situations, juvenile delinquency, and ex-prisoners.
3. The Annie Armstrong offering goal was reached for the first time since 1961. Four million dollars was given.
4. Work among language groups is still a pressing need which is unmet.
5. Viet Nam Military Forces were served by 100 of the 849 Southern Baptist military chaplains serving on active duty.
6. Financial assistance went to 270 churches for loans totaling more than $4.5 million dollars.
7. The attitude of Southern Baptists toward racial problems is changing and cooperation with the National Baptists is shown by open discussion, more involvement, and seeking better relationships.
8. Five-hundred sixty new missions were started, a gain of 141 over the previous year.
9. The number of churches constituted were 11 less than the previous year.
10. The total professions of faith and additions to churches reported by the Board were 88,093. This number, as large as it seems, is 4,837 less than the year before.

As we have taken a birds-eye view of a few of the accomplishments this year by the Home Mission Board, we can see how much more the need of home missionaries is. There have been several things listed showing decreases and this could be because the number of missionaries decreased. There were not as many workers as there should have been. May I close this report with this challenge. Am I doing the will of God toward Home Missions? Would I be willing to go if He should call me or let my child go should he be called? The Lord told us what to do when He said, "The harvest truly is plenteous, but the laborers are few; pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest."

Paul T. Mason

FOREIGN MISSION REPORT

"The call to lift our eyes to new horizons of 5,000 missionaries" has brought an encouraging response. We can interpret this only as God working in the hearts of his people. We close 1966 praising God for his blessings and grace, and confident that Southern Baptists will continue responding to his call by laying their lives upon the altar and their gifts at our Master's disposal so that the message of life can be shared with people in every part of the world. We turn our eyes to the future, giving God the glory. Determined to serve in the power of his spirit to the end of the way."

-----Baker James Cauthen

At the close of the past year there were 2,208 missionaries under appointment by the Foreign Mission Board. These are serving in sixty-five countries of the world, 207 missionaries appointed during the year. These included missionary journeymen and missionary associates.

Missionary journeymen are making a significant contribution. Ninety-two young people are engaged in teaching, nursing, student work, clerical services, and other functions on the mission field.

Special projects in evangelism and church development have been utilized in many parts of the world during the year, including the Asia Sunday School Crusade which brought much strengthening to the churches following large-scale evangelistic meetings.

Special evangelistic efforts will be undertaken during 1967 in Jordan, Japan, Indonesia, East Africa, Portugal, France, and Chile.

Preparations are in progress for the Crusade of the Americas scheduled for 1969. Great blessings are anticipated from this effort on all Latin American Mission fields.

Last year the Foreign Mission Board received through the Cooperative Program the sum of $1,829,531 for advance. This makes possible provision for unmet capital and current needs in 1967 as follows: Latin America, $500,000; Orient, $500,000; Africa, $250,000; and Europe and the Middle East, $250.000. It also makes possible $100,000 for relief and the sum of $229,531 for special projects in evangelism and church development throughout the world as recommended by the missions on the fields.

Funds from the Cooperative Program and the Lottie Moon Christmas Offering join together to provide resources for foreign missions. The Cooperative Program will provide $11,780,300 in 1967, and the Lottie Moon Christmas Offering $7,317,000 for support of missionaries and ministries on mission fields.

The total budget of the Foreign Mission Board for 1967 is $28,022,300. Ninety-three percent of this will be spent on mission fields abroad. Sustained advance in foreign missions calls for increasing the resources a minimum of $2,225,000 annually for the support of Missionaries and other needs on the field. It is necessary each year to leave waiting more than $4,000,000 of recommendations which have been submitted to the Foreign Mission Board because there are not sufficient resources to provide for them.

Surely, then we as Southern Baptists must continue to increase resources for foreign missions through the Cooperative Program and the Lottie Moon Christmas offering, so that our response to the ever increasing urgency of a world taks may be in terms of a large and more effective outreach in the name of Christ.

Respectfully submitted,
Mrs. Paul Kesler

CHURCH MUSIC REPORT

The music ministry is the fastest growing program in the Southern Baptist churches. Last year a 12 1/2 per cent increase in music enrolment was registered throughout the Southern Baptist Convention. Many churches which never before gave an emphasis to music are starting music ministries.

The following were some of the highlights of the Liberty Baptist Association's music ministry this past year. First, our music committee met at Mills Home Church with Rev. Leonard Rollins and Mr. Charles Gatwood, Director of Associational Work of the State Convention, to make plans for three hymn sings which were held May 18th; one at New Friendship led by Don Harrington, another at Liberty led by Kenneth Little, and one at Center Hill led by Carey J. Davis.

In August and September we have been having associational choir rehearsals preparing to sing at this evening's service.

God gave some the gift to sing and some to play musical instruments, which are two of God's greatest gifts to man, when used to glorify God's holy name. The cantata which the choir is singing this evening, "Behold The Lamb of God," written by Carey J. Davis, tells of the greatest story that the world has ever heard. The text is from the New Testament, telling of the ministry of Jesus, beginning with the time John the Baptist saw Him coming and said "BEHOLD THE LAMB OF GOD," which taketh away the sin of the world. (John 1:29) Then Revelation 1:18, Jesus said, "BEHOLD I AM ALIVE FOR EVERMORE, AMEN"

Carey J. Davis

REPORT OF ASSOCIATIONAL MISSIONARY

This 135th session of the Liberty Baptist Association is the 16th for me and the 5th in which I have submitted a written report dealing with my work as missionary.

Since we last met in annual session I have been in forty of our forty-five churches for at least one service, and I hope to visit the other five before the end of December. I have also been in both of the churches, Little White and Cedar Lodge, which were accepted into full membership in our association this morning. Included in these speaking engagements have been Foreign Mission Study at Southside; January Bible Study at Rich Fork, Abbott's Creek, and Mills Home; two Sunday School clinics involving six nights of study at Erlanger; a total of fifteen services at Calvary while they were looking for a pastor; Home Mission Study at Welcome, Wallburg, Greenwood, Abbott's Creek, and Stoner's Grove; ordination service for the pastor at High Rock; two Homecoming messages; speaking to the Associational Y.W.A.'s; groundbreaking service for a pastorium at Summerville; one wedding; three funerals; Easter Sunrise service; and a revival meeting at High Rock. The Bible Study at Mills Home and Vacation Bible School at Little White involved the enlisting of twenty-one workers from other churches and proved to be very successful.

Attendance in the churches has been varied and has included two receptions for pastors coming into the association; one farewell reception for a pastor leaving the association; three Christmas programs; Forward Program Fellowship supper; choir recognition night; revival services; Brotherhood and W.M.U. meetings; examination and ordination services for two pastors; Week of Prayer services; 50th anniversary service for one church; and five Vacation Bible Schools.

Outside of our association I preached in a School of Missions in the Neuse Association, brought the stewardship messages in a School of Missions in the Rowan Association, worked in a Sunday School Enlargement Campaign at Reidsville, and preached in revival services at Hamilton and Union Mills.

I have tried to lend assistance to eight of our churches as they looked for a pastor.

There were 508 present for Training Union "M" Night, 325 attended the World Missions Rally in January, and more than 260 attended an excellent Youth Night on March 21. The December issue of THE BAPTIST TRAINING UNION MAGAZINE will carry a feature article on our Youth Night.

The opening of two Seminary Extension Centers on October 3 and the area-wide Evangelistic Crusade planned for 1968 should provide opportunities for training and the winning of the unsaved.

Respectfully submitted,
Leonard Rollins

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society, one of the oldest missionary societies in America was founded in 1816, with one single purpose in mind, "The wider circulation of the Holy Scriptures without note or comment to every man on earth in the language or form he can best read and understand."

Throughout its long years of service, members of many Christian churches have united in its activities. More than 65 denominations are represented on its Advisory Council. Its work in the United States and overseas serves hundreds of missionary societies and national church bodies, supplying them with translations, scriptures in Braille and other raised letter systems, talking Bible records and tape recordings.

The American Bible Society also shares the concern for worldwide missions which Southern Baptists are expressing in plans for the Crusade of the Americas and World Missions Year. The entire program of Bible Society work is founded on these basic missionary principles:

1. People must have the Bible because it presents Jesus Christ, the one hope of men and nations.
2. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.
3. The Bible is the essential tool of missions and evangelism.

During 1966 the American Bible Society rejoiced in the fact that some part of the Bible has been published in 1280 languages; the full Bible in 240, a Testament in 301 more, and a Gospel or other complete book in 739. It gave more than 500,000 Scripture volumes for distribution to our Armed Forces and Veterans' Hospitals. Produced in several languages, scriptures in everyday speech. The Society also set new records by distributing 39,981,620 scripture volumes in the U.S.A. and a total of 61,815,238 volumes in over 400 languages, in some 150 countries around the world--and continued to increase translation, publication and distribution to meet urgent needs.

A program of advance is being carried on by the American Bible Society in cooperation with 34 other national Bible Societies around the world. In 1968 this program will enter its second phase with the theme, "God's Word for a New Age--the Book for New Readers." Its aim is to provide increased quantities of Scriptures urgently needed for mission work. The long range goals are:

A bible in every Christian home.
A testament in every Christian's hand.
A scripture portion for every reader.
Supplies of scriptures for Christians to share.

REPORT ON SUNDAY SCHOOL

Two training conferences were conducted for Sunday School leadership on a departmental basis and two promotional and inspirational meetings were held, including Action Night, September 12, 1967. Dr. Claude W. White, Secretary of the Sunday School Department of the Baptist State Convention, brought the message at Action Night. Attendance at the four meetings range in numbers from forty to one hundred and twenty-five, representing from thirteen to twenty churches.

The Vacation Bible School Leadership attended the Training Clinic at Wingate College in January, 1967, which was under the direction of our Baptist State Convention personnel. An Associational-Wide Clinic was conducted in April and thirty-nine of the forty-five churches have reported a Vacation Bible School.

Each church in the Association has an organized Sunday School with a total enrollment of approximately twelve thousand. This is an average of about six per cent over the resident membership. The average annual enrollment increase continues at approximately one per cent. The statistical report of all the Sunday Schools, printed in the minutes, gives a complete record of the number of people reached for Bible study.

Your associational officers are committed to service and I urge all the churches to call upon them for help in training programs, organization, church surveys, etc. May we work together to improve the teaching program of the Sunday School in each church in the Liberty Association.

Respectfully submitted,
F. T. Bowman

REPORT ON TRAINING UNION

Of the 45 churches sending in an Associational letter this year, we have 25 with Training Unions, with a total enrollment of 2328. One can readily see that we

have almost as many churches without as with Training Union organizations. This offers a challenge to your associational officers.

This morning I am like the fellow who said, "There are two things I want to say, and I'll say one of them first...."

First, I would like to say that there is nothing wrong with Training Union.

There may be something wrong with the time it meets. There may be something wrong with the attitudes of deacons, pastors, and church members, but there is nothing wrong with Training Union. Sometimes we hear the old cliche, "Training Union is old hat. It needs to be re-shaped, revitalized, perhaps even discontinued!" All of us have heard the old line, "I don't enjoy Training Union." This is absolutely ridiculous. May God help us if we withdraw from everything we do not enjoy!

I would like to go on record this morning as saying, "There is nothing wrong with Training Union -- it simply needs to be honestly evaluated, or re-evaluated. What is its function? What does it seek to accomplish in the life of the church? Honest answers to these questions will clearly show that the Training Union is important in the work of the church and is quite essential in producing and developing mature Christian men and women, boys and girls. As for the time of meeting, it may be necessary to meet some time other than Sunday night. With the short work weeks, and long week ends for pleasure, our church program stands to suffer even more in the coming days. It may be necessary to reschedule the meeting of this important organization. Think about it. In my opinion, "There is nothing wrong with Training Union. There is something wrong with attitudes of church members toward Training Union, but the organization itself is vitally important because of its contribution to the spiritual life of the church.

The second thing I would like to say is that "Training Union is getting better and better!"

Curriculum materials are superior in every way. We now have new discussion guides, preparation checklists, built-in tests, unit selection plans, resource units, undated units, flip charts, bibliographies, filmstrips, recordings, book reviews, Bible Readers' course and Missionary Prayer Calendar, to mention just a few learning aids.

The Sunday School Board was organized in 1891 and last year for the first time in 76 years, Southern Baptist churches were offered a choice in curriculum materials. After years in preparation we received the Life and Work Curriculum. The response this year, 1966-67, was as follows:

Sunday School - 60% increasing to 66% by the end of the year.

Training Union - 60% increasing to 70% by the end of the year.

The highlight of our Training Union this year was the very successful Youth Night on March 21 with more than 260 persons from 14 churches in attendance. The December Training Union Magazine will carry a story on this meeting.

Considerable interest was manifested this year in the various tournaments. At the regional tournament we had 20 participants, with 17 winners.

Immediately before us is Training Union "M" night on Monday, October 9, in the First Baptist Church of Thomasville. Many Associations are making the switch this year from December to October. This is because "M" night is designed primarily to promote the Training Union theme for the new year and it is highly desirable to do this at the beginning of the church year in October, than three months later in December. "M" night this year will feature a pageant, "Who Cares, Anyway?" based on our theme for the new year, "A Church Fulfilling Its Mission Through Ministry."

In the near future we hope to have a training school in which all of the new leadership manuals will be taught.

Rev. Sam H. O'Neal, State Training Union Director, will speak to this report.

REPORT ON CHRISTIAN HIGHER EDUCATION

The Baptist State Convention of North Carolina supports a unique program of Christian higher education. There are three senior colleges: Campbell, Buie's Creek; Mars Hill, Mars Hill; and Meredith, Raleigh; Wake Forest University, Winston-Salem; and three junior colleges: Chowan, Murfreesboro; Gardner-Webb, Boiling Springs; and Wingate, Wingate.

As of October 1, 1966, there were enrolled in the North Carolina Baptist Colleges 11,347 students. This represents approximately the same number enrolled last year. Limited facilities, both in housing and in instruction, have made it necessary to turn away many qualified students. Enrollment ranges from a high of 3,022 at Wake Forest University to a low of 930 at Meredith.

The Baptist Colleges in North Carolina and elsewhere in the Southern Baptist Convention continue to train the vast majority of the church vocational workers. Currently, there is the same concern in our colleges that is being expressed throughout our Convention about the decline in the number of young people answering the call to full-time Christian service. The Christian colleges, through the Council, are currently seeking ways and means of cooperating more fully with local churches in an effort to reverse this trend.

However, the Christian college is not solely in the business of training full-time Christian workers, for the vast majority of students attending a Baptist college will return to their communities as laymen. Sometimes we tend to overlook the vital contribution of lay-leadership trained in our Christian colleges. These men and women return to their communities not only to assume responsibilities in the local church, but to bear a Christian witness through their professions in the communities where they work.

The Baptist Colleges in North Carolina continue to be grateful to the Cooperative Program and its vital financial support. For the year 1967, $1,578,960 has been budgeted.

Dr. Harold W. Tribble, president of Wake Forest University, and Dr. Leslie H. Campbell, president of Campbell College, retired at the end of the school term this year.

Two excellent Christian laymen, both of whom are ordained deacons, have been elected to head Campbell College and Wake Forest University. Both of these men are eminently qualified to serve as president of these institutions. Dr. Norman A. Wiggins, formerly professor of Law at Wake Forest College, took the reins at Campbell College on June 1. Dr. Ralph Scales, formerly president of Oklahoma Baptist University, and more recently academic dean of the Colleges of Arts and Sciences, University of Oklahoma, assumed his duties as president of Wake Forest University on July 1.

A dream of many years was realized by Wake Forest College and the Baptist State Convention, when on June 12, 1967, Wake Forest College officially became Wake Forest University. Wake Forest University, in addition to law and medicine, is now offering the master's degree and doctor's degree in several areas. Baptist undergraduate colleges throughout the Convention are rejoicing in the prospect of being able to turn to Wake Forest University for much needed teachers with graduate degrees.

The colleges are grateful for the unusual response this year in orders for Christian Education Day materials. In 1966, the Christian Education Day offering was $132,046, and we are in hopes that there will be an increase this year.

The North Carolina Baptist colleges have cooperated fully in the recent Convention-wide study of Christian higher education, sponsored by the Education Commission and the executive committee of the Southern Baptist Convention. The results of

this study, dealing with nine major areas of concern, will be published before the first of the year.

In order to share this material fully with the pastors and churches in North Carolina, seven seminars will be conducted in the spring of 1968, one on each college campus. Pastors and laymen are urged now to attend one of these meetings.

The Council on Christian Higher Education continues to serve as a coordinating agency of the Baptist Colleges and the Baptist State Convention. Special material is available to churches and individuals upon request.

The Council office also cooperates with local churches, pastors' conferences, and associational meetings in furnishing speakers on Christian higher education.

Visitors from local churches are always welcome in the Council office.

REPORT OF ASSOCIATIONAL HISTORIAN

In keeping with a resolution passed at the 1959 session, the historical report deals with the history of the host churches.

RICH FORK

A historical report on the Rich Fork church was made at the 1962 session of the association, but at that time the old minutes of the church had been lost and for that reason that report was not complete. The 1962 sketch is recorded on page 62 of the minutes for that year.

This sketch will deal mainly with information not included in the one of 1962 and some of which is a quote from an article written by the late Rev. J.D. Newton in 1927.

The early beginning of the Rich Fork church which was organized, Dec. 30, 1884, with 18 members might be said to have started from a Sunday School and a day school, both of which were conducted by Martha Mills. The Sunday School was held in a log house standing on the same grounds where the church now stands. The organization of the church was hastened by a revival held in the New Hope school house a mile west of where the church is located.

The revival was conducted by Miss Martha Jones of High Point, a sister of the late Milton Jones, builder of the Thomasville and Denton railroad.

Many people were converted in that revival at the New Hope school house. The names of the converts that expressed a choice of joining a Baptist church were given to J.H. Mills, who lived near where the Rich Fork church is located and who a year later began the Thomasville Baptist Orphanage. At this time the Rev. H. Morton of Thomasville was preaching occasionally in the above mentioned log house where the Sunday School was being held.

The names above mentioned were later handed to the Rev Morton. He and J.H. Mills decided to organize a church.

The Presbytery sitting at the organization of the church were, Rev. Morton, Rev. S.H. Thompson, Rev. L.E. Duncan, and Rev. W.H. Hamner.

The eighteen charter members were as follows: George W. Leonard, Guy S. Leonard, Sarah F. Leonard, William Freedle, Mary Jane Freedle, Z.G. Ottinger, Andrew Miller, James Griffin, E.S. Sapp, W.S. Kanoy, Walter Fitzgerald, J.A.C. Ottinger, France Leonard, Martha Mills, E.W. Mills, J.H. Mills, A.V. Leigh, and A.E. Leigh.

Rev. H. Morton was the first pastor of the church. For a complete list of the pastors that have served the church see page 62 of the 1962 minutes. See same page for other church officers prior to 1962, and for building activities prior to 1962 see same.

For about 8 years the Rich Fork church was the church of the Thomasville Orphanage, until a church was organized at the orphanage in 1891.

The land for the church and cemetery was given by J.H. Mills.

It is said that after the church was completed, it was a great joy to Mr. Mills at the orphanage to have the teams hitched to the wagons on preaching days at Rich Fork, load the children at the orphanage, their teachers and matrons on the wagons and drive out to the church for preaching services. Dinner had been prepared the day before, this was also put on the wagons and after services was served in the grove surrounding the church. These occasions were always looked forward to by the children at the orphanage and the children of the community as well as by the older people in the community.

Rev. James Helvey has been pastor of the church for the last five or six years, under his leadership the church has made great progress in all lines of the work.

In the summer of 1963 the men of the church built a picnic shelter costing $1500.00. During the summer of 1964 the auditorium was remodeled at a cost of some $20,000.00. In 1965 a new entrance and remodeled vestibule was made at a cost of $6,000.00. On May 29th this year a new educational building was dedicated, which cost around $90,000.00. The building committee was as follows, James Beck, Chrm., Gilbert Myers, Austin Yates, Woodrow Clinard, Bruce Ball, Jimmy Edwards, Hoyle Tate, Mrs. Mozelle Woodlief and Miss Rebeca Pentecost.

Dr. Lois V. Eddinger, Associate Professor of Education, University N.C., Greensboro delivered the dedication address; her grandparents belonged to the church.

Those that have served since the 1962 report have been as follows: S.S. Supts., James W. Beck and Hoyle Tate; W.M.U. Presidents, Mrs. Zelma Snow and Mrs. John L. Kanoy; Church Treas. Mrs. Mozelle Woodlief; Church Clerks, Mrs. Cora M. Mabe, Mrs. James Curry, and Miss Mary Sue Bray.

We dedicate this page to the memory of those that have labored here in this church and gone on.

In the Book of Books we read:

"And I hear a voice from Heaven saying to me, write, Blessed are the dead which die in the Lord." Rev. 14-13.

"Wherefore seeing we are compassed about with so great a cloud of witnesses, let us lay aside every weight and the sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith." Hebrews 12: 1-2.

HISTORY OF MILLS HOME BAPTIST CHURCH

John H. Mills called a group of Baptist neighbors together at his home and organized the Rich Fork Baptist Church Dec. 30, 1884. He was founder and general manager of the Thomasville Baptist Orphanage which admitted its first child Nov. 11, 1885. A deeply religious man, one of his first concerns was a spiritual home for "his orphanage children." The Lea Chapel was erected in 1886 and was the center of the religious life of the orphanage community. John Mills appealed to the orphanage trustees for the formation of a church for the orphans and workers, but was turned down. The Baptist State Convention also rejected his plea on the grounds that Rich Fork was just three miles from the campus and Thomasville Church was only a mile distance. Mr. Mills tried then to get Thomasville church to build a mission close by the campus but was refused. He then secured the services of Rev. J.N. Stallings, a teacher in Thomasville to act as chaplain at the orphanage.

Following the resignation of Mr. Stallings, Rev. Henry Sheets of Lexington was invited to serve as chaplain. In July, 1888 the orphanage board of trustees elected Mr. Sheets as assistant manager of the orphanage, assistant editor of Charity and Children, and chaplain. His compensation was $250.00 per year.

In May of 1888, Rev. G.W. Gwaltney came and preached a number of days at the orphanage which resulted in the conversion of five boys and nine girls. On Sunday, June 3rd, Mr. Mills took them to Rich Fork as candidates for church membership. On Monday, June 4th, they were baptized in the pond below Marble Springs on the orphanage campus. The orphanage children attended Rich Fork regularly with Mr. John Mills.

John Mills required the children and workers to attend worship services anytime the bell tolled on campus. These averaged 92 services each month; but Mr. Mills still insisted the children needed their own spiritual home. At 3 P.M., Tuesday, April 28, 1891, the Orphanage church was formed with 27 charter members. The organizing presbytery consisted of Rev. Thomas Carrick and Rev. J.D. Newton (son-in-law of Mr. Mills). Charter members were the 14 children from the orphanage baptized into membership at Rich Fork: Minnie Wells, Georgia Faircloth, Nellie Wheeler, Emma Southern, Linnie Judd, Melissa Brockwell, Mattie Cook, Sallie Farrior, Pattie Pope, Edwin Coble, John Gay, Thomas Belch, Tyler Wheeler, and David Coble; from Cape Fear church, Mrs. Isabella Cecil; Shelby church, Miss Kate Durham; Concord church, Rev. J.D. Newton; Buelah church, Virga E. Moore, Ella J. Moore, and William H. Moore; Durham church, Miss Ida Christmas and Mrs. Octie D. Thomas; Oxford church, Miss Ella Thomas; joining under watchcare awaiting letters, W.P. Pickett, Mrs. Aldell Pickett, and Mrs. J.D. Newton (Martha Mills).

Rev. J.D. Newton was elected pastor, Miss Ella Thomas was elected church clerk after Mrs. J.D. Newton declined to serve, deacons were elected ten months later. The first deacon board consisted of William P. Pickett and Mrs. Nannie Williams, deaconess. We quote from Dr. B.W. Spillman's book "The Mills Home"- "When the Orphanage church was constituted there was considerable opposition locally, especially in the Liberty Association which body both Thomasville church and Rich Fork church belonged. The Orphanage church waited two full years before it made application for membership in Liberty Association. In the fall of 1893 it united with the association."

Rev. J.B. Boone was known as the builder due to the growth of the orphanage during his administration. When Central School Building was completed June 7, 1897, he used it both as a place of worship and school. The Orphanage church had outgrown its small meeting place in Lea Chapel. As the orphanage family grew in size, the Orphanage church increased in membership.

During Dr. M.L. Kesler's administration, Sept. 1, 1905 until his death Aug. 19, 1932, the orphanage family grew and grew until over 550 children were being cared for at Mills Home. In Davie County was a practicing Medical Doctor, S.W. Little, that didn't belong to any church, but supported the Thomasville Baptist Orphanage with gifts. In his legacy he left enough money to erect an auditorium, a need he had learned of from Dr. Kesler. The Little Auditorium was completed and put to use as both a place of worship and school programs, April 19,1915.

The Thomasville church and Orphanage church were both seeking pastors, so they formed a field and called Rev. W.H. Rich in Feb., 1896. This arrangement lasted 29 years, until the Orphanage church called its first fulltime pastor, Sept. 7, 1924 and Rev. E. Norfleet Gardner began his duties January 1, 1952.

The church membership voted to change the name of the Orphanage church to Mills Home church, November 25, 1929, because Thomasville Baptist Orphanage had changed to Mills Home. The church and home being the same people, in most part, keeping their identity by the same name.

During the administration of Dr. I. G. Greer, a non-church member heard him speak over the radio one Sunday morning in Winston-Salem. He sent word to Dr. Greer he would like to see and talk with him. As a result of their meeting, Robert M. Idol left over a half million dollars to Baptist Children's Homes. The Sarah Maston Idol Church Building, honoring Mr. Idol's mother, made it possible for the first time to have a place of worship, and worship only, in the history of Mills Home. The educational plant and sanctuary were completed and put to use during 1953. Again God moved in a most unusual way to provide "His children" with a house of worship.

One can see that the home and church are still, as John Mills said they should be, closely related. Contrary to many peoples' belief, the Mills Home church is not supported with funds sent to the home through their offerings. It is a self supporting Baptist church controlled by its membership. The Mills Home church pays its pastor's salary, elects their own deacons, sets its own budget, and votes its own rules. The big difference in it and your church is the place of meeting belongs to the Baptist Children's Homes and is maintained by the Homes. One can see from the foregoing statements that the Mills Home and the Baptist church, composed of its members, are closely tied together by history and common interest.

Following are the pastors who have served the thousands of children and workers residing at the home since Mills Home Baptist Church was founded April 28, 1891:

ANNUITY BOARD

In recent years the Annuity Board staff has been doing a more acceptable job, but the Relief and Annuity Board has always assumed a rather arbitrary attitude and given help in reverse order. Those among us who often have served longest and most sacrificially receive the least, often to the extent of positive neglect. One notices that the term RELIEF - "capital R" - is usually omitted from our literature since the ones who most NEED this help in ill health or old age generally

get the least! The tendency toward "official arbitrariness" becomes more potent and distasteful year by year.

Our State Representative requests through our genial and gracious associational missionary that we stress two main suggestions: 1. That participating churches move up their retirement program for all staff members to 10 per cent of their total salaries; 2. That those churches not yet participating be urged to do so at once.

Whatever the faults and inadequacies of our Relief and Annuity program, it is the only one we have. Let us support it and improve it!

Respectfully and prayerfully submitted,
F. M. Powell

BAPTIST HOSPITAL REPORT

Early in 1967 our Baptist Hospital advised the Associational Representatives, that our Mothers Day offering should be increased 40% over 1966, in order for it to render necessary medical care to our needy sick. The additional money was needed due to increased cost's of hospital care, and many more people needing the services of our Medical Center.

This information was presented to our Executive Committee.

Our churches did not increase their offering 40%, however they did increase their over all gift to our hospital, through the Mothers Day offering. Our total gift through August was $6,944.03. An increase of $546.63.

17 churches increased their gift, 16 churches gave less, 7 churches gave an equal amount of their 1966 gift, and at the end of August, 5 churches had not given a Mothers Day offering.

Through our Mothers Day offering we as churches, and individual Christians, join hands with those who serve in our fine medical center. And if medical care is made available to all our people who need it, we, of necessity, have to provide much of the means, for their are many who can not pay for it.

This is a wonderful opportunity when we, by simply giving our money, share in so important a service to our Brother in need, and even hear a "Well done." "For inasmuch as ye have done it unto one of the least of these my Brethren ye have done it unto me."

Respectfully submitted,
G. C. Lewis

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

1967 Associational Report

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new Home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all of the Homes.

As you know, we now have four Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albemarle Home at Albemarle; the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the

support of our residents - the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your 5 Homes exists for the people from all over our great State. We could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord.

Respectfully submitted,
Inman L. Stewart

BAPTIST CHILDREN'S HOME REPORT

After Pharoah's Daughter had recovered the baby Moses from the river's brink, she said to his mother, "Take this child away and nurse it for me, and I will give thee thy wages." Our Baptist Children's Homes have through the years been recovering children from unfortunate and undesirable places. The many faceted functions of the Children's Homes have grown out of a definite felt need among North Carolina Baptists to minister to these neglected and sometimes abandoned young lives coming from every conceivable circumstances in our complex society.

Our Baptist Children's Homes are ever searching for new and more effective ways to deal with these multiple needs in a well rounded child care program. A good example of this can be seen in the opening of a rehabilitation center for boys at Wallburg. This is an off-campus project for boys with special needs who require individual attention. Already the Rev. and Mrs. Don McIntyre and their two children are there occupying the renovated house on the Children's Home property. Mr. McIntyre will direct this pioneer work in a much needed and heretofore neglected area. They are getting some boys this week.

We are proud of our children's homes and are grateful to God for all that is being done through this wonderful ministry. Let us continue to liberally support our Baptist Children's Homes with our prayers and our monetary gifts.

Respectfully submitted,
Jack Byrd

STATE MISSIONS REPORT

North Carolina Baptist might well think of their state as "variety mission land" when they consider the scope of State Missions. Geographically State Missions reaches all areas of North Carolina as it seeks to minister to a variety of needs, and it is one mission program that blesses every local church.

Consider for instance, the blessings we are receiving from State Missions in our associational program. We have some pastors in our fellowship who have studied at Fruitland, a school undergirded by State Missions that it might provide learning opportunities to pastors who have not had the opportunity of a college and seminary education. This year's State Mission offering will help build a new building at Fruitland.

Next week at the Jersey Church and the Mills Home Church we will have an opportunity to learn more about the New Testament and Church Music through the Seminary extension program. This effort is aided by State Missions.

In Denton we have been helped the last two summers by the Youth Corps and the Apostolic work, two efforts sponsored by the Baptist Student Union and undergirded by State Missions. Our experience in these areas makes us wish to continue this work each year.

Camp Caraway is close enough to be a greater blessing to us than to most associations in North Carolina. Many of our boys have attended this camp, and with the plans to expand this camp ministry to reach girls, families and special groups, the State mission investment in Caraway will bring still more dividends to the churches of the Liberty Association.

Jerry Potter will be speaking in a few minutes. All of us know something of the work he and Neal Peyton are doing for the silent people in North Carolina. The weekly TV program for the deaf that Mr. Potter directs is viewed in nine states beyond the North Carolina borders. Did you know that this too is a part of State Missions?

Richard Chapman's report to our association last night indicated that we are doing next to nothing as far as ministering to prisoners, young people in trouble, or the Negroes among us. But this is not true throughout our state. State Missions reaches those in prison and the young people in correctional institutions. It is color blind in its efforts to bless the sick and touch the lives of little children through Vacation Bible Schools.

State Missions, at least in North Carolina, takes on the aura we usually reserve for Home and Foreign Missions. The Cherokee Indians are a part of the responsibility of State Missions, and a unique foreign mission effort is promoted by State Missions as we seek to reach several thousand foreign born wives of U.S. service men stationed at the large military bases in North Carolina.

Here in Davidson County we are strategically located in an area of continuing industrial expansion. This means that many of our existing churches will have to be remodeled and new educational facilities will have to be built. State Missions will step in to help us with free architectural planning. Before long we will probably need to buy land for new churches, and State Missions will be ready to help us do this.

I have not sought to cover the State Missions program in this brief report, but I hope I have helped you to see some of the ways in which North Carolina is indeed a "variety mission land."

Constitution

(Adopted September 29, 1954-Revised September 28, 1966)

PREAMBLE

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

ARTICLE I—Name

The name of this body shall be the Liberty Baptist Association;

ARTICLE II—Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III—Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV—Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V—Officers and Their Elections

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. Other officers shall be elected on the last day of the annual meeting for terms of one year each. (Clerk one year, also) They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations, as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

ARTICLE VI—Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

ARTICLE VII—The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

ARTICLE VIII—Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

ARTICLE IX—Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

By-Laws

BY-LAW I—Parliamentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Kerfoot's "Parliamentary Law" shall be followed as the Association's rules for conducting its deliberative assemblies.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.

2. Sponsoring church to work in cooperation with Associational Missions Committee.

3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.

4. Sponsoring church to call Mission pastor and select all workers in the Mission.

5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.

6. Sponsoring church should insist upon a full and well defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.

7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.

8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, Quarterly, Annually).

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be distributed.

EXECUTIVE COMMITTEE REPORT

During the past associational year the Executive Committee met as prescribed by the Constitution, to review the work of the Association, hear reports of the different organizations, and transact business on behalf of the Association.

The business transacted on behalf of the Association was as follows:

November 6, 1967—approved a request to the Baptist State Convention for aid

on the Associational Missionary's salary in the amount of $828.00 for the year 1968.

January 29, 1968—Permission was granted to Mrs. Ray Cashatt of the North Randolph Historical Society to reprint Sheets, HISTORY OF THE LIBERTY BAPTIST ASSOCIATION, with the stipulation that no copyright be secured except in the name of the Liberty Baptist Association, and that the Association and churches be allowed to purchase copies of the reprint.

The Executive Committee voted to buy an electric typewriter, to be used by the Crusade for Christ Committee, who will pay an amount equal to the cost of renting a typewriter, and after the Crusade the typewriter is to be turned over to the Association.

April 29, 1968—No business was transacted, but it was reported to the committee that the Chairman of the Missions Committee and the Moderator had begun to contact some of the churches who have not been active in the Association.

September 9, 1968—Approved that the trustees of the Association purchase one or two file cabinets for the Missionaries' office. That the Finance Committee be authorized to purchase a plaque for W. C. Adams for his work as Chairman of the Lexington Crusade for Christ. It was approved that Missionary Leonard Rollins be allowed to take one more week of vacation this year due to the illness and accident this summer which prevented him from benefiting from vacation time.

Respectfully submitted,
Richard Chapman

MISSIONS COMMITTEE REPORT

The Missions Committee of the Liberty Baptist Association met only once during the Associational Year because of limited time to meet at appropriate times. In the meeting held during the year, there were two matters of real concern discussed. Firstly, there was concern about a Vacation Bible School in the Cow Palace area. Such a School was held in this area sponsored by the Jersey Baptist Church. Secondly, there was expressed concern about churches in our Association which show no signs of cooperation with our work. As a result of the discussion, it was decided that the Mission Committee Chairman and the Moderator should make the initial contact with the inactive and uncooperating churches for the purpose of finding out why they do not cooperate with the Associational work.

One church was contacted and urged to call upon the Associational Missionary for information if the work and function of the Association was not clear to the pastor and the church involved. No such effort has been made on the part of that particular church at the present time.

For the coming Associational Year, our plans are as follows hopefully: (1) Mission Bible Schools in strategic areas of need in cooperation with and the advice of our Associational Missionary and the Associational Superintendent of Sunday School. (2) Mission Sunday Schools and mission centers throughout the county where SUCH is determined profitable and with no violation to a local church's outreach. This also will be done in cooperation with and at the advice of our Associational Missionary.

Respectfully submitted,
Melvin Greene, Chairman
Missions committee

REPORT ON EVANGELISM

During the past year our Association has learned several important things about evangelism. The Davidson County Crusade For Christ was held on the County Fairgrounds July 31-August 11. With seven other denominations joining us in this effort we saw over 500 persons make decisions for Christ. The attendance averaged over 2000 for each service. Dr. Jack Stanton and the Walch family became dear to our hearts as we saw the spirit use them so effectively. The financial obligations were met with a good balance left in the bank.

Two vital lessons certainly can be gleaned from our experience in this Crusade. The first is that our generation will respond to evangelism when it is Spirit filled and kept on a level that is Biblical—that is Christ centered. New Testament evangelism is not too old fashioned for this Atomic age in which we live. A second lesson we have seen demonstrated is the wonderful fact of what we can do together when we are willing to work together. We saw approximately 40 churches of our Association involved in the Crusade. This is no limit ultimately to what we can do under God when we are willing—each church—to be hitched to the yoke of our Lord's Will and learn of Him as we work together.

The REAL challenge however is before us now—The Crusade of the Americas. Never before in the history of our Baptist fellowship on this continent have we been so bold in our plans for reaching this nation for our Lord.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptist across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revivals next spring. Messengers of this Association are therefore urged to see that every church rightly face this challenge.

Our Lord's wonderful Spirit is warmly at work in this Crusade—Make sure that your church is involved in His work.

Respectfully submitted,
W. C. Adams

TOTAL PROPOSED BUDGET DISBURSEMENTS	$13,427.58

The Finance Committee makes the following observations:

1. We feel the Associational Missionary is using the money appropriated to his office in a wise and economical manner.

2. We believe the proposed budget is sound, reasonable, and necessary in carrying out the Associational programs and objectives.

3. This budget is an increase of $744.50 over 1968, and the reasons are as follows:

(a) The Missionary's salary has been adjusted upward $200.00 to off-set, some degree, the rising cost of living due to inflation.

(b) Family Hospital plan was automatically increased $74.50.

(c) Clerical assistance has been paid only $1.00 per hour for several years. Raised $70.00 to bring it up to $1.25-$1.50 an hour.

(d) An increase of $150.00 in Sunday School expenses to help defray a special program in training to promote the Sunday School Department.

(e) Evangelism, $350.00 increase. This is urgently needed for the simultaneous promotion of the Crusade of Americas in 1968-69. It will be noted

at this point that Jersey Baptist Church has already raised $100.00 to be contributed to the Association for this program.

(f) A reduction of $50.00 in printing and a $50.00 reduction in postage, etc. (under Minutes, Financial records, etc.) which was felt to be in order.

It will be noted that after deducting the $350.00 especially needed for the Crusade of Americas that the actual increase in the normal budget is only $394.50. We sincerely feel this extra is needed for the purposes pointed out herein.

We, the undersigned, respectfully recommend to the Association that this budget be adopted.

BAPTIST FOUNDATION REPORT

During the past year, the North Carolina Baptist Foundation, Inc., has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyer, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational missionaries, and our church representatives have been giving encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors.

Respectfully submitted,
C. Gordon Maddrey

W.M.U. REPORT

Woman's Missionary Union began the year by offering courses in accreditation for three evenings in October. The associational officers had attended a state workshop in Morganton, and equipped with posters, charts and books, presented a study of all phases of our missionary task. 205 women attended, and of this number 156 completed the work and earned leadership cards.

The YWAs had a delightful Sweetheart Banquet in February and served an "overflow" crowd of 150. In August they held an overnight Prayer Retreat.

The GAs have had three quarterly meetings, with well-planned inspirational programs, and a total attendance of 350. 75 Jr. GAs participated in a Prayer Retreat at Camp Caraway. One of the highlights of the day was a hike to Camp Mundo Vista, the new state WMU Camp which is being constructed now, by means

of our contributions to the Heck-Jones offering.

Our Sunbeam leaders have assisted in the formation of some new bands. A Day Camp for the 8 yr. old World Friends group was held in August with 54 attending.

Last year WMU made just one important change in terminology and scope from Community Missions to Mission Action, with the emphasis all year on a deeper involvement of individuals in meeting the needs of those around us. Our Mission Action Chairman, Mrs. Orville Scott, with the help of her committee, conducted a survey of community needs and opportunities for service through existing agencies, and sent copies of the list they compiled to each WMU in the association.

The first of this year we received word that new ideas of organization and terminology to help us be more effective in our old mission tasks, would be implemented this fall. Our executive council met, and believing that we should lead out in accepting the change and help our church women interpret the new materials, we recommended revisions in our BY-LAWS to conform to the new plans. The leader of the Liberty Association WMU is no longer a president, but a director. Working with her are four (not three) age-level directors—WMS as well as YWA, GA and Sunbeam Band Directors.

The recommended changes in By-Laws were adopted at our annual meeting at Greenwood Baptist Church on March 28. At that meeting Miss Bernice Popham of Raleigh spoke on "1968—A year of transition for WMU" and gave us a vision of the potential in the changes. Continuing our emphasis on mission action, Mrs. Hoyle Allred of Gastonia inspired us with her message "UNTO ME—in the local community."

During the month of May we held three organizational workshops at Rich Fork, Coggins and Greenwood. These were attended by 85 women who were all keenly interested in helping their church WMUs adapt to the new plans. We have been delighted to find, not resistance to change, but an eagerness to find ways to make our work more effective, and to involve more women.

In pursuing our emphasis on Mission Action, we learned that 20% of the adults in Davidson County are functionally illiterate. As a means of training some of us to begin a ministry to non-readers, we arranged with the Davidson County Community College, for them to conduct a course on how to teach non-readers. This is a 10 hour course which began two weeks ago, and for which the college is making no charge to the participants. We plan to follow this with a WMU workshop in this field, and begin a Ministry to Non-Readers, on an individual, then a class basis.

Our leaders have already attended a state workshop in Raleigh, in preparation for our Leadership Courses which will be held October 14 and 15 at First Baptist Church, Thomasville. There will be two night sessions, and one daytime session on the 15th. Miss Kathryn Bullard and Miss Sara Ann Hobbs of the state WMU will be here to assist our own leaders in teaching the courses. Your Associational WMU is accepting the "Challenge of Change."

BROTHERHOOD REPORT

The basic objective of a Brotherhood program in a Baptist Church is leading men, young men, and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, and to a personal involvement in missions.

A bright spot in the Brotherhood program during this past year has been

further curriculm developed. Basic manuals for each of the mission action units are now in the Book Store. The Baptist Men's Journal is greatly improved, and the guide magazine has proven to be a good resourse for mission study. The Home Mission Board has joined Brotherhood and Woman's Missionary Union in developing a survey for discovering mission needs and also a set of mission action units in reaching out to meet the needs of the people around the world as well as in the community.

The Brotherhood program has never had a greater challenge than the one which it shares with the Woman's Missionary Union, in helping the churches develop a concern for people. This concern will assuredly bring many demand for more united action.

What about the Brotherhood work in this association? According to last years report we have 22 churches with Brotherhood work, which is less than half of our churches. There were 785 men and boys enrolled in the organizations.

We are looking forward to an expanded Brotherhood work next year under the leadership of Mr. Horace Barefoot.Plans are already made for a R.A. Clonclave to be held in the fellowship hall of the Carolina Memorial Baptist Church November 9.

Respectfully submitted,
Carl Hemphill

HOME MISSIONS REPORT

Home Missions came home to Liberty Association through assistance in Seminary Extension Classes and assistance in the Davidson County Crusade for Christ, exhibitions of the dynamic effect of the Home Mission Board in its many areas of ministry.

Preparation for The Crusade of the Americas and Project 500 will magnify the ultimate purpose of all home mission work—to lead people to know and follow Christ. Project 500 locations have been identified and plans are being made in the state conventions and associations for the establishment of these 500 congregations during the two-year emphasis. More than half of these new churches will be located in the pioneer fields.

The missionary force totals almost 2300, a gain of over 100 for the year, with appointment of 460 associate and career missionaries. Other missionary workers included 740 student summer missionaries, 626 of whom were supported by the Home Mission Board and 114 by Baptist Student Unions. Great interest and participation was exhibited in the Christian Service Corps including more than 100 (enlisted in part by the Brotherhood) who assisted with flood relief in Fairbanks, Alaska. Chaplains on active duty in Vietnam number more than 100 while there are 666 chaplains on duty in the military.

The Cooperative Program and Annie Armstrong offerings provided the largest support in the history of the agency, totaling more than 9 1/4 million dollars, with major use of resources being in newer areas of the convention where the board helps through state conventions. The Northeast has shown most creative and rapid growth, with a 25% increase in the year, as part of an intensive emphasis upon pioneer missions. Loans totaling more than seven million dollars were made to 310 churches.

Professions of faith and additions totaled 88,619, an increase of 526 over the previous year; however, new missions started showed a decline from 560 in 1966 to 487 in 1967, and new churches constituted totaled 197, reflecting a decline of 36

from 1966 reports.

The growing leisure crisis and ways of ministering to resort communities have been under study, through conferences, pilot projects, and on-going mission efforts as directed by the Department of Rural-Urban Missions. Fraternal and cooperative relationships with National Baptists and Southern Baptists are seen as major factors in helping to solve problems of race. Interest in and ways to witness to non-evangelicals and expanding programs of christian social ministries are being projected. The ministry of Juvenile Rehabilitation has expanded to 100 areas, and new methods and new concerns are under study.

"The Christian task in the homeland grows with each passing day. The population has passed 200 million. By 1980 it is expected to reach 242 million. Migration from central cities to suburbs will continue, as doubtless will problems of poverty, racial tension and public and private morality. More than seventy-five million people in the United States are unchurched. Our national involvement around the world constitutes a heavy burden. We must pray and work for a renewal of spiritual vitality, a revival of Christian faith." (Arthur B. Rutledge, Executive Secretary, Home Mission Board).

Respectfully submitted,
Mrs. Robert W. Cook

FOREIGN MISSION REPORT
1968

On May 1, 1968, Southern Baptist missionaries were at work in 65 countries and were under appointment to four more. The overseas missionary staff numbered 2,392. Even with additional appointments since May 1, several hundred calls for missionary personnel are still unanswered.

Years of foreign mission labor have taught us that the cultivation of New Testament churches is the wisest investment of missionary resources—at the year's end there were 4,918 churches (3,211 of these were self-supporting) 6,463 mission points, and 4,119 national pastors. Also reported 46,275 baptisms, 571,647 church members and 515,630 enrolled in Sunday School. Mainland China, closed to missionaries at present, was last estimated as having 392 churches and 123,000 members related to Southern Baptist mission work.

Advance has been made during the past year in school and student work, publications, hospital and medical care, benevolent ministries and in total contributions. Total contributions amounted to $28,286,597 in 1967. The 1967 Lottie Moon offering reached a total of $14,664,679.30 by May 1, 1968. Several million dollars around the world to meet urgent requests are still needed.

The mandate to the follower of Christ is as clear today as it was almost 2,000 years ago when Jesus stood on a hillside and said to his followers "Go into all the world and make disciples of all nations." Southern Baptists have been going into all the world in a small way for a number of years. The harvest still is plenteous. The laborers still are few. The need for financial resources is still great. Let us be challenged by what we have done to launch out with greater support for the work of the Foreign Mission Board in 1968-69.

CHURCH MUSIC REPORT
SEPTEMBER 24th, 1968

Music in Evangelism or "THE MESSAGE OF MUSIC"

Music is an art which means many different things to many different people. We all are aware of the power of music, it can be used for good or evil. When used for good, music is one of the finest gifts that God has given to mankind. Music can be used to bring out the finest and the greatest in people. Spiritual awakening in church music Evangelism has given birth to our greatest hymnology.

Martin Luther's hymns came out of the Reformation, Charles Wesley's from Evangelical revivals. Contemporary times have seen Sankey, Rodeheaver and the Billy Graham Evangelistic Music team; these called men of faith have moved the world toward God, in the field of music in Evangelism. One of the greatest calls God has given to man is the Evangelistic song leaders, and the Gospel singers, and those that play the musical instruments. God has given them the honor to prepare men's hearts for the message of the word of God. Evangelistic church music program must begin with the congregation as the chief choir, for in hymn singing the individual expression is caught up in a corporate act before God.

Charles M. Alexander the first great congregation song leader of modern times published several collections of song books that were used in the United States, and England. Thus led by called men of God, Southern Baptist were influenced by congregational and evangelistic singing in the field of church music. The years between 1900 and 1920 witnessed a time of gospel song publishers whose various collections were used in many Southern Baptist Churches.

Just a word about the Davidson County Crusade for Christ; there were around 200 choir members from various churches in the county that pledged their services to sing in the crusade choir. There was an average of 150 present each evening. It was wonderful how the Lord used each singer. We were definitely drawn closer to God by singing for Him in this great effort for Lord and Saviour. Psalm 96:1—"Sing unto the Lord."

REPORT OF ASSOCIATIONAL MISSIONARY

MEETING TODAY'S CHALLENGE IN DAVIDSON COUNTY

Davidson County, created from Rowan County in 1822 with a beginning population of 1,500, is projected to have 122,948 by 1980. Who is responsible for these people? We may easily assume that our county is permeated with Christian truth. THIS IS NOT A SAFE ASSUMPTION! To hear the gospel preached is not sufficient, for preaching had been going on in the Jersey settlement for almost one hundred years before Lexington had 400 people living in the city. There are now 67 churches listed in the Lexington telephone directory.

If Jesus were on earth today He would probably say instead of "Take up your bed and walk," "Pick up your resources and work." The total budget of Liberty Association in 1951 was $5,286.20. In 1968-69 it will be $13,427.58. We gave $22,973.50 to the Lottie Moon Christmas offering last year. Our association ranked 15th in North Carolina in gifts to missions during 1967; $116,967.69 to the

Cooperative Program, $67,328.43 in special offerings; a grand total of $184,296.12. However, baptisms in 1951 were 691; last year there were 404. The aim of all of our churches should be to share the gospel with every person. They may listen or not, as they choose. BUT THEY MUST BE ADDRESSED! Every church is already in a missionary situation and needs to live where it is. Let it be emphasized again and again that there can be no progress in the association apart from the progress and growth of its individual churches.

There are rich opportunities for service outside the church building for those churches who are really concerned. The prison camp, the jail, a day-care ministry, a ministry to non-readers, and mission Vacation Bible Schools, as Holloways and Jersey discovered this past summer, are only a few of the possibilities. We still need work in the Cow Palace area of Southwest Lexington, the Pickett School area, Arbor Acres, between Erlanger and Welcome, east of new highway 64, etc.; but it is not best for these mission points to be started as a result of division in some church already in our association.

We need to pray for our pastors to be willing to invest their lives in one place of service until changes take place. Two hundred sixty two Southern Baptist Convention pastors left the convention last year to enter some other type work. There are 60 churches in the West Chowan Association; one-half of the pastors have changed since January, 1967.

We need to work on conserving the results of revival. Every person who is won to the Lord in the revivals of next spring (there are 34 churches committed to participate) ought to have some person already in the fellowship who will come to that person and say: "I want you to know that what happens to you is of concern to me." Southern Baptists lose 600,000 persons every year in active Christian service. This is more than we have lost by death in all of the wars that we have ever participated in as a nation!

The past year is history! The new year with its challenge is before us. The major project facing us in 1969 will be the CRUSADE OF THE AMERICAS with simultaneous revivals scheduled for the two weeks of April 6-20. The hope is for the involvement of all of our church members in personal evangelism. The Davidson County Crusade for Christ this year, with 501 recorded decisions for Christ, should give tremendous support to the revival effort of next spring. Seminary Extension, which enrolled 195 last year, begins again on October 1. We will have the same 4 faculty members that were so effective in our two centers last year.

The burden of my work continues to be non-participation on the part of churches in the activities which are promoted by the association. Would you give us your cooperation in helping to eliminate this difficult problem? There was an average attendance of only 133 in the Central Training School, September 16-18. This was true even though an outstanding faculty was enlisted and a large amount of money was invested by the association and Lexington First Baptist Church.

In Liberty Association we need every church and every church member as we attempt to do "united what we cannot do apart!"

Respectfully submitted,
Leonard Rollins

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society, one of the oldest missionary societies in America was founded in 1816, with one single purpose in mind, THE WIDER CIRCULA-

TION OF THE HOLY SCRIPTURES WITHOUT NOTE OR COMMENT TO EVERY MAN ON EARTH IN THE LANGUAGE OR FORM HE CAN BEST READ AND UNDERSTAND. Throughout its long years of service members of many Christian churches have united in its activities. More than 65 Denominations are now represented on its advisory council. Its work in the United States and overseas serves hundreds of Missionary societies and national church bodies.

In 1968 the golden door of opportunity and fulfilment of life is only an illusion for many of the peoples of the world. For some there seem to be no doors at all, only indestructible walls erected by poverty and discrimination; for others only the white-washed walls of hospitals and institutions; the forbidding walls of prisons; the walls of fire in combat; or the maze of walls created by unrest, violence, destruction and rebellion that threaten at times to imprison us all.

In every wall there is a door and the American Bible Society is in the business of opening doors. "The key it uses is the Word of God." Some doors of 1967 that were entered by the American Bible Society were the distribution of Scriptures throughout the United States amounted to 43,941,553 for an increase of 12.7 percent over 1966. In the Armed Services 1,190,839 Scriptures were donated through Chaplains to servicemen and women at home and overseas—more than twice the number distributed in 1966. In campus ministry 12,500 students received ABS Scriptures at two national, triennial student conferences. GOOD NEWS FOR MODERN MAN, the American Bible Society's English Version of the New Testament, passed the 8 million distribution mark in the first 15 months after publication. More than 40 million people participated in the Worldwide Bible Reading program—double the number reported last year. More than 7,000 news clips reporting American Bible Society activities were circulated to an estimated readership of over 352,949,000, and in radio and television news one minute spots were aired over 2,000 radio stations, and ABS motion pictures were shown 82 times on television to an estimated 4,351,400 viewers. Churches of 74 denominations contributed to the work of the American Bible Society.

The world can never be truly beautiful as long as the Word of God remains a closed book to any man. In 1967 the American Bible Society reached one out of every five people in the United States with a copy of Scripture. The other four are our neighbors; black, white, yellow, and red; rich and poor; in the city and on the farm. With our help, they, too, can find the way to eternal life through Jesus Christ.

G. H. Calvert

RESOLUTIONS COMMITTEE REPORT

Let it be resolved that we the messengers constituting the One Hundred Thirty-Sixth Annual Session of the Liberty Baptist Association go on record concerning the following:

1. We express our sincere appreciation to the host churches, First Baptist, Lexington and Jersey Baptist, for the gracious manner in which each has so hospitably and ably cared for our every need and arranged for our comfort.
2. Furthermore, we offer a good word of commendation to Brother William C. Adams and all those who worked with him so tirelessly in our Davidson County Crusade for Christ.
3. We recommend that every church in Liberty Baptist Association prepare itself now for participation in the Crusade of the Americas Revivals

scheduled for April 6-20, 1969.

4. Our Associational Missionary, Brother Leonard Rollins, continues an effective ministry among our churches. We commend him for his dedicated leadership and pledge him our prayers and support in the year ahead.
5. The Program Committee merits a deserved salute for an inspiring and informative program. Brother Woodrow Hill and his committee are to be congratulated for a work well-done. Our own program personnel and our gifted visiting personalities who participated blessed our lives beyond measure.
6. We express our deep appreciation to our moderator and clerk for their effective leadership and efficient manner in presiding over and recording the business of this Annual Session.
7. Also, our gratitude goes to Brother Carey Davis and his accompanists for providing inspiring music which thrilled our hearts and lifted our spirits. A very special thanks goes to Brother Gerald Carter, the musicians, and the youth of First Baptist, Lexington, for their challenging rendition of a part of the production, "Good News."

REPORT ON SUNDAY SCHOOL

Your Associational Sunday School organization wants to be of service to the churches of the Association in whatever way is possible. Leadership of this organization is committed to the idea of service in the churches, as well as seeking to provide training and enlargement opportunities from time to time during the year. It is our hope that you will feel free to invite us to work with you in building better Sunday Schools across Liberty Association.

During the past year, Action Night at Greenwood in September and two other inspirational meetings, one at Churchland and the other at Liberty provided some opportunity for information and planning. The joint endeavor of the Association Sunday School and Evangelism Committee at Liberty was well attended and provided an occasion for the cooperation of two of our organizations.

The efforts of the Rev. Lee Roy Hall and his staff of Vacation Bible School workers proved to be most effective. They received training at Wingate in January in order that they might be better prepared to lead our Clinic, held in April at Rich Fork, having two sessions, one in the day and another in the evening.

Our attendance at the various meetings needs to be encouraged by the pastors and Sunday School superintendents in order that the most effective work might be done. We have just recently had a Central Training School, which actually is a part of our 1968-69 program. Money was invested by the Association and the First Church, Lexington, and an excellent faculty secured. However, our support of this was not really what it should have been.

We look forward to a year of good work. We sincerely want to help. Our four meetings through the year will be located in convenient places and emphasis will be

given to things that concern you and your leadership. There is some possibility, if there seems to be the desire, that help would be forthcoming in having an enlargement campaign of some type. Let us continue to pray and work together that we might improve the quality of work we are doing and thereby bring honor and glory to God through the teaching of His Word.

Sincerely,
James M. Lambert

TRAINING UNION REPORT

"Change" has been perhaps the key word for Training Union during the past five years. And all of these changes have been for the betterment of this organization.

Training Union is not now just a program on Sunday evening. It is the training ministry of the local church.

Training Union is not a time concept—but a ministry.

Training Union is not an organization—but a service ministry of the church, training its members in three areas: 1) New Member Orientation 2) Church Leadership Training, and 3) Church Member Training.

Along with the new changes in curriculum, alternate organizational plans, resource units, undated units, flip charts, etc. Training Union is going to have a new name. Already our Training Union Departments at the Sunday School Board and in the Baptist State Convention have a new name, "Church Training Department." The actual new name of Training Union, however will not be released until 1969. The target date for the release of the new name will probably be during the Southern Baptist Convention in New Orleans next year.

New Name, new concepts, new materials, new programs all combine to make Training Union better than ever.

In this age of cybernetics, automation, the computer, age, etc. we are prone to analyze an organization as to the results it obtains. Someone has said we are suffering from "the paralysis of analysis." Some have already decreed that Training Union is dead. It is dead with some individuals, but those who are more perceptive know that such is not the case.

Many churches have already found that the time of day, not Training Union itself, is our main problem. Some churches are revising their schedules with Training Union on Sunday morning after Sunday School, without opening assemblies and a period of fellowship between. On the other hand, some churches have moved Training Union to Monday night or to Wednesday night. The Sunday night concept has been shattered. Training is now being recognized as a function of the New Testament Church and wherever a need exists for training, the time and place is right there. (The August Training Union magazine, in an article, "We Doubled Training Union—On Daylight Time," on page 10, described the wonderful possibilities of Training Union on Sunday morning.

Some churches have organized Training Unions for senior adults with meeting on a weekday morning or afternoon. This is a splendid program for your Senior citizens. You might double your Training Union attendance on daylight time. Try it!

We now have around 11,000,000 Southern Baptists. Out of every 100, 27 are non-resident, or "phantom Baptists," that is, they simply do not exist; 23 percent are non-active and unenlisted; of the remaining 50, only about 25 out of every 100 get under the load of the church. This gives you an idea of the tremendous task of

training which needs to be done in the local Baptist Church.

All of us are familiar with the faithful few who are overworked in our church programs. Pastors might well learn the wisdom of training his church members and thereby doing a more thorough and effective job in the community there.

Just a word about our activities during the year. On March 19 we had a most successful Associational Youth Night in the First Baptist Church of Lexington. More than 450 young people, and their leaders, were present for the hot dog supper and the stimulating program on "The Tuned Out Generation." Associational "M" Night was held this church year on October 9 in the First Church of Thomasville. The Training Union department of Lexington First presented a pageant, "Who Cares, Anyway?" which presented most effectively the theme for 1967-68, "A Church Fulfilling Its Mission Through Ministry."

In the regional Training Union Tournaments we had two participants in the Young People's speakers' tournament; one in the Intermediate Sword Drill and six participants in the Junior Memory Work Tournament.

In the 47 churches of our Association, there are 26 Training Unions. We hope that our Associational organization can be a service organization and strengthen the work of Training Union in all of the churches. The Training Ministry of the churches could easily become the most exciting part of our work. Training is the answer to all of our problems. Thank God for the Training Union.

CHRISTIAN HIGHER EDUCATION REPORT

In these days of riots and disturbances on the college campuses throughout our land, it is gratifying to know that students in the Baptist colleges and university in North Carolina are going quietly about their business, day by day, of preparing for productive lives through many and varied fields of education and training. With a few notable exceptions, this is in the Baptist tradition and most of us expect or take such behavior for granted.

These desirable conditions can and will continue to prevail so long as the institutions maintain open lines of communication between the State Baptist Convention, the Boards of Trustees, Administration, faculties and student bodies. It is encumbent upon all North Carolina Baptists to seriously interest themselves in their educational institutions and provide the necessary financial support to continue the high level of Christian education which is so abundantly provided. Certainly it is in this area, as in many others, that Baptists can number their blessings.

The following chart presents enrollment, by institution, for the 1967-68 academic year and the amount of funds budgeted each institution from the Cooperative Program for the current year.

	Enrollment 1967-68	Current Budget Cooperative Program
Campbell College	2,351	$ 272,377
Chowan College	1,302	163,100

As a result of the very successful BEST forums which were held last year, the Council on Christian Higher Education will again schedule forums on each campus of the seven Baptist colleges, to which pastors and other church leaders will be invited. Pastors and Sunday School superintendents will receive announcements of the schedules as soon as they can be arranged.

The increased interest in the Baptist College Day and the number of churches participating is most encouraging. The purpose of this special day is two-fold: to inform our people about the purpose and program of Christian higher education, and to provide an opportunity through the Baptist College Day offering to give much-needed help to our schools.

Pastors and churches this year should contact the schools and ask for a team of Baptist young people to give testimonies concerning what going to a Christian college means to them. One pastor said recently, "The two young people who came to our church have changed the whole attitude of our congregation toward the Baptist colleges and the Cooperative Program."

The Council on Christian Higher Education is a service organization and stands ready to assist the local churches in every way possible. When in Raleigh, visit the office at 301 Hillsborough Street, to obtain special material concerning all of our Baptist colleges and young people.

In keeping with a resolution passed at the 1959 session, the historical report deals with the history of the host churches.

JERSEY CHURCH

Although the exact date of its original constitution is unknown, preaching was held at "The Jersey Settlement" as early as 1755. Some time prior to this date a colony from New Jersey came South and settled on the banks of the Yadkin River among tribes of hostile Indians. According to the "History of Liberty Baptist Association," Benjamin Miller preached at Jersey in 1755. Mr. Miller was pastor of Scotch Plains Baptist Church in New Jersey, and it is thought that some of his members were among the early settlers, and their pastor probably accompanied them or followed them for the purpose of organizing a church. Around 1756 Rev. John Gano, a close friend of Benjamin Miller and also from New Jersey, accepted a call to work among the people at Jersey. After about 2 1/2 years, he returned with his family to New Jersey because of the war with the Cherokee Indians. (Mr. Gano, while a chaplain in Washington's army, is said to have baptized George Washington,

an Episcopalian who requested baptism by immersion.) After Mr. Gano returned to New Jersey, it is supposed that the church and community were menaced by the Indians so that they finally scattered and became extinct or else the records were destroyed as there is no further record until October 16, 1784.

During Mr. Gano's ministry a meeting house was built but there is no record of how long it stood or what happened to it. In 1797 and 1798 there was no meeting house and the people met for worship with the "arms of the church." In 1800 a new house of worship was built. In 1899 the church was enlarged and repaired and the slave gallery was remove. The church then stood as a one-room structure until 1933 when Sunday School class rooms were added. In 1945 a porch was added and memorial windows were installed. More class rooms were added in 1951, the baptistery was built and the sanctuary redecorated in 1955, and in 1965 the John Gano educational building was added.

In 1798 services were held once a month with Holloways, once a month with Reeds and the other two Sundays at the Jersey meeting house. These churches, then considered "arms" were provided pastoral ministry; they also financed buildings and other necessary items of cost. Not until 1952 did a full-time minister serve the Jersey congregation, meaning of the 34 ministers serving the church in its 213 years of existence, only 4 were able to devote full-time to one congregation.

Among those ordained as ministers from Jersey are Dr. J. Lee Carrick and Dr. Forrest C. Feezor, both renowned men because of their dedication and service in the ministry.

The church seems to have had normal membership growth with a beginning of 14 charter members in 1784 and a present membership of 392. This growth was perhaps the greatest at any one time in 1874 when, during the revival, there were 66 members added to the church.

The financial growth was different. Throughout the early years, and even as late as 1934, there was difficulty in paying bills and the pastor's salary. The total budget in 1942 was $920. The last 20 years have brought remarkable change in contributions with the budget increasing from $4,000 in 1947 to $21,990 in 1968, in addition to funds for church renovation, construction of a parsonage and educational building and marked increases in special missions offerings. Contributions for the past year totaled $32,433, which included its largest foreign mission offering of $1282.

Celebration of its 200th Anniversary in August, 1955, started a chain of events in Jersey history. With noted Baptist leaders and the Governor of North Carolina participating, the week-long celebration focused attention on what had been accomplished through the years and presented a challenge on "What of the Future?". Recognizing the 18 daughter, granddaughter and great granddaughter churches and other interests created by the anniversary celebration, brought the inspiration for the writing of the church history, undertaken by Dr. Garland A. Hendricks, of Southeastern Seminary. This major task was culminated on "History Day," May, 1964, when the publication "Saints and Sinners of Jersey Settlement," was released. During the intervening years, as Dr. Hendricks compiled his publication, members continued their work for the Lord as they made the history. Not only was there increased interest exhibited in the weekly ministries of the church through its five major organizations, but the future offered a challenge. Completion of an area survey led to the adoption of "A 5-year Program of Work" setting goals for the future. The adoption of these goals and the work prepartory thereto were instrumental in the presentation to Jersey Church of the "Church Achievement Award" at the Baptist State Convention in November, 1961, and in the Progressive Farmer's naming of Pastor Roy J. Smith as "Rural Minister of the

Year."

Other significant events followed—a new Constitution and By-Laws were adopted in September, 1962. Over the years, matters had been handled in an orderly manner even though no copy of the Constitution and Discipline adopted in 1883 was available. After plans had been studied for several years, the complete departmentalizing of the Sunday School in October, 1963, helped bring forth the decision to begin construction of much-needed educational space completed and dedicated in May, 1965. May, 1966, also marked another significant event when "Forest Feezor Day" was observed in connection with the homecoming in honor of Dr. Forest C. Freezor who had completed 50 years of service as minister, missionary and denominational leader.

Active mission organizations have contributed greatly to the ministries of the church and in developing leadership. Woman's Missionary Union has led in church-wide observances of Weeks of Prayer and special mission offerings, and in 1967 was awarded "Honor" recognition by WMU of SBC.

Progress has been upward along a zig-zag course, never an even or steady climb over a long period of time. This has made the challenge greater, the victories more meaningful and the future brighter with hope. As William C. Adams, perhaps the church's youngest minister, undertakes to interpret God's Word so as to offer food for thought and inspiration for right living, Saints and Sinners of Jersey Baptist Church will continue their uneven march into a fuller realization of God and in fulfilling their place in building a better future.

FIRST BAPTIST CHURCH, LEXINGTON, N.C.

In the year 1879 Lexington was a village of 700 inhabitants and had been officially considered a town for about 60 years. There were flourishing churches of the Lutheran, Episcopal, Methodist, and Presbyterian faiths within the town, and at least 10 Baptist churches within the county. On an evening in 1879, the Rev. Henry Sheets, Associational Missionary, stopped in Lexington for the night. While here he conducted a prayer meeting in the home of Mose Lamb, who lived next door to the old building now standing on South Mains Street. Seven persons were present and out of this meeting the First Baptist Church of Lexington was finally organized on July 3, 1881, in the Masonic Hall, located on the site Boots Shop now occupies. The presbytery that organized the church consisted of Rev. Sheets, Rev. W. H. Hamner, Rev. J. B. Richardson, Rev. S. F. Conrad and Professor W. H. Rinehart. Rev. Sheets was never pastor of the church, but truly can be termed the founder of it.

Rev. S. F. Conrad was called as first pastor. By December of this year the congregation, now 30 in number, had purchased a lot on South Main Street for $200.00 and on this lot a Baptist Church was housed from 1883 until 1955. The original building was built in 1883 and later remodeled and enlarged in 1909 and also in 1912. In 1944 a campaign was begun to raise $35,000.00 for the erection of a Sunday School building, but it was later decided it would not be wise to build further on the lot on South Main Street. In February, 1948 the church purchased a lot at the corner of W. Third Avenue and S. Hargrave Street for $20,000.00, where the present church building now stands. A new building was constructed at a cost of more than $600,000.00 and the first service was held in it on January 30, 1955.

Following the first pastor, Rev. S. F. Conrad, there was a succession of many beloved pastors: Thomas Carrick, J. H. Lambeth, W. H. Rich, W. A. Smith, J. I. Reddick, J. T. Watts, A. K. Wright, J. T. Jenkins, J. M. Hamrick, Fred D. Hale, R. E. White, C. A. Owens, J. M. Hayes, Louis S. Gaines, and J. Roy Clifford who served for 17 years. It was during Dr. Clifford's pastorate that the present building was completed.

The present pastor of the church, D. Hoke Coon, Jr. came to the church on March 18, 1962. The church has made steady progress under his leadership. Other members of the church staff include a full-time Minister of Education, Minister of Music, Pre-School Center Director, Secretary, Janitor and Maid. The organist, another secretary, and hostess are part time.

The church has a graded choir program consisting of five choirs with an enrollment of 200. The church has purchased a 33 rank Moeller pipe organ costing $60,000.00, including cost of installation. Steady growth is shown in the Sunday School and Training Union, and classes are held each week for two special groups: the Silent Class, organized May 1, 1966, with an enrollment of 38, and the Sheltered Class, organized February 5, 1967, with an enrollment of 22. A weekly kindergarten has been in operation since 1963. In September, 1968 the church opened a Pre-school Center and enrollment is now 46. The church approached this operation with a concept of ministry to the community.

The church has an active organization for women, the Woman's Missionary Union, with a new, simplified format geared to mission action.

First Baptist Church is proud of its accomplishments in the area of stewardship and has worked toward a goal of giving fifty percent of all gifts to missions. More than $325,000.00 has been given to mission causes since 1964. In North Carolina in 1966 the church was fifth in Cooperative Program gifts, fourth in special offerings, and fifth in total gifts to missions, competing in each instance with churches of considerably larger membership.

On March 11, 1968 the church purchased from the City of Lexington a 2 1/2 acre tract of land adjoining the church, including the city swimming pool. This land will be used for expansion and parking.

The church has always been missionary in its outreach. Under its leadership, a mission was begun in 1916 which became the Erlanger Baptist Church. In 1929 the Sheets Memorial Baptist Church was begun and in 1951 Coggins Memorial Church was chartered, after having been a mission of the First Baptist Church for two years.

The church sponsors two radio programs, "Master Control," and "The International Sunday School Lesson."

The church now has 1103 resident, and 229 non-resident members.

ANNUITY BOARD

Important Date for all New Members in Plan "A"

The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; this provision is called "Delayed Participation," commonly known as a "grace period." The grace period provision will become effective on January 1, 1969. The provision states that the grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This simply means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education

and dependent parent benefits will be proportionally reduced. The reduction will be the ratio which such years of delay bear to the total years from the grace date to the normal retirement date. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

Response to the new Program has been good. During 1967, 3, 146 members joined some part of the three-plan Program. The plans in the Protection Program are: Plan "A," formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan "B," the Age Security Plan; and Plan "C," the Variable Benefit Plan.

Information about the Protection Program, including the "grace period" provision, may be obtained from the annuity secretary in your state at the Baptist Building, or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

Annuitants Receive "13th" Check

For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. Each check was for an amount equal to 12 per cent of his annual benefit. These checks were made possible because of interest earnings in excess of what the plans required. The trustees approved, two years ago, the issuance of the "13th" checks, providing the Board realized such excess interest earnings.

Dues on Total Salary Encouraged

Inflation continues to affect the buying power of the dollar for everyone, including those who have retired. No sign of a leveling off period of the inflationary trend is indicated. The Protection Program is designed to help any church provide as much retirement income for the minister and staff as it desires. Many churches are moving to ten per cent dues on total salary, recommended as a minimum by the Annuity Board and state convention secretaries.

REPORT for 1967

As of December 31, 1967, 1,202 new members had been issued certificates in Plan "A" of the Protection Program. A total number of 17,400 churches were providing the Program for their ministers.

Of the 174 agencies in the state conventions and the Southern Baptist Convention, 145 were providing the Program. The total number of employes covered in the agency programs was 7,140.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 310 Hillsborough Street, Raleigh, North Carolina, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

Respectfully submitted,
Rev. Fred Jurney

BAPTIST HOSPITAL REPORT

If you have visited our N.C. Baptist Hospital this past year you have observed many changes taking place. Perhaps you were inconvenienced just a bit getting in

and out of our great Medical Center. But what you saw, was Progress being made. In 1971 the development program will be completed. Space for more than 200 new patient beds will have been constructed, the capacity of our nine schools will have been enlarged. The medical school will have been enlarged by 35%.

The cost of this large development program is being provided by interested individuals, Corporations, Foundations and Government Agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

So now as never before N.C. Baptists will have an opportunity to minister to the needy sick, through the Mothers Day Fund.

Through August 1968, Forty churches in The Liberty Baptist Association gave $6,635.95 to help our hospital in this great ministry.

The great concern of our Baptist Hospital is for these patients, who must have financial assistance, if they are to get the specialized care they need. But the hospital has now arrived at the point that it can not continue to operate without the money necessary to cover the cost. So as we begin another year we believe the great majority of our Pastors, and People, will give their full cooperation in giving a worthy Mothers Day Offering in 1969, substantially increasing our gift over 1968. So that our hospital may continue to fulfill its mission to our people who most need it.

Respectfully submitted,
G. C. Lewis

N.C. BAPTIST HOMES FOR THE AGING

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967. When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care. The opening of the Yanceyville Home has relieved the pressure greatly on our waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality or care, or quantity.

Churches in Liberty Baptist Association gave slightly less to the Homes in 1968 than they did in 1967. 1967-$2,857.42 – 1968-$2,840.33, Every church should

have a share in this great ministry and receive the blessing that comes from meeting this great need.

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. 1968

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever—now approaching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year—two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We convenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

STATE MISSIONS' REPORT

Based upon a practical and financial matter, all missionary efforts are grounded upon the strength and vitality of State Missions. State Missions are the local church and the individual who provides the funds, enthusiasm, leadership and prayers to accomplish mission objectives. Therefore, the success or failure of all missions rest primarily upon the strength or weakness of local effort.

Our State Missions Department through the cooperative program is now promoting policies and programs throughout North Carolina to give State Missions

a dramatic thrust forward. These programs include this year, among others, planning aid to some 800 churches, some $68,000.00 in assisting associational missions, aid for the purchase of lots, aid to young pastors, establishment of missions and support in the military and to the Indians, to recreational centers and resorts (which include Kitty Hawk, Lake Norman, Atlantic) and State parks. Your State Missions' dollars are also providing ministries to prison inmates and correctional institutions, such as Samracand, to juvenile rehabilitation and training centers, and to our Fruitland Institution where ministers with limited education and financial means are better trained for the ministry. Your State dollars provide interracial cooperation, summer assemblies and training centers and Baptist Youth Corp activities. Alcholics and drug addicts as well as prisoners and their families along with some thousand of labor migrants are all beneficiaries of State Mission dollars. All of these programs are dedicated to Christian ministry and ultimately for the spreading of the gospel of the saving knowledge and grace of our Lord Jesus Christ.

Therefore, it is clearly apparent that every person brought into the fold of Christianity at the local level brings not only salvation to his own life but through him and his support provides the great potential for the adventure of total world evangelism.

With one-half of the people of North Carolina unaffiliated with any church, it behooves all of us to become Home Mission minded and Home evangelists—for only with the success of our Home Mission Program ultimately rest the failure or success of all missions.

Respectfully submitted,
Beamer Barnes

Constitution

(Adopted September 29, 1954-Revised October 1, 1969)

PREAMBLE

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

ARTICLE I—Name

The name of this body shall be the Liberty Baptist Association;

ARTICLE II—Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into

the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III—Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV—Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V—Officers and Their Elections

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union Director and Brotherhood Director.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. He shall be elected for a one-year term. Other officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Sunday School, Traingin Union, Woman's Missionary Union and Brotherhood organizations, as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

ARTICLE VI—Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

ARTICLE VII—The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

ARTICLE VIII—Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

ARTICLE IX—Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a

pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.
2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.
3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the

Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, Quarterly, Annually).

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be distributed.

4. Inform member churches of their record of giving.

A motion was made and it was carried that a committee of three be formulated to study the Constitution.

January 22, 1969—The Constitution Study Committee members were named.

The Nominating Committee presented the names of some individuals to fill some associational vacancies.

Leonard Rollins reported on a request by Richard Chapman concerning a need for some men to travel to his area for some work in the 500 Project.

April 21, 1969-Missions Committee recommended that a World Missions Conference be conducted in the Liberty Association, October 8-15, 1972. A motion was made and carried that this date be adopted.

The Committee heard a report from Mr. Guy Cain, of the Annuity Board, concerning the Annuity Program of Southern Baptist.

August 11, 1969 (Called session)—Leonard Rollins presented the program for the service at Lick Creek Baptist Church in memory of Eli Carroll. It was agreed that September 7, 1969 at 3:00 p.m. with Dr. A. C. Reid as the speaker be the time for the service.

Melvin Greene, Chairman of the Missions Committee, presented that three

churches of the association have not been cooperating and that they be notified that unless they express a desire to cooperate by September 15 a resolution will be offered at the Annual Associational Meeting to have their names stricken from the roll according to the Constitution. This was accepted.

It was reported that a balance of $6,346.95 was owed on the missionary's home. The Finance Committee recommends that a plea be established among the churches for paying off the balance. There were to be the Moderator, Missionary, and three-at-large members to serve on this committee. This was approved.

The Nominating Committee recommended John Pace, Sunday School Superintendent; Joe Seay, Training Union Director; Jim Edward, Brotherhood Director. These were elected.

September 15, 1969—The Special Committee appointed at last meeting presented the motion that the indebtedness on the associational missionary's home be paid off by December 31, 1969. Suggested that each church in the association work out a plan to suit them in meeting pro ratio share of approximately 75 cents per member of the indebtedness now totaling $6,326.43. This was amended to read March 31, 1970. The motion was later voted to be tabled indefinitely. It was moved that the Finance Committee study the matter of the needs of the associational missionary for office improvement and submit a list at the next Executive Committee Meeting. This was carried.

Hoke Coon, program chairman, presented the proposed program for the Annual Associational Meeting. John Penninger, Trustee, recommended that the insurance on the associational missionary's home be increased from $16,000 to $20,000. It was approved.

MUSIC REPORT

1968-1969 saw some activity in the Associational Music Program. An extension course was offered in music reading at both our Seminary Extension Centers with a total enrollment of 20. This could have been more but we had already offered the course last year and had 80 enrolled.

Plans have been made for an associational choir clinic to be held at Mills Home Baptist Church on Monday and Tuesday evenings, October 20-21, from 7:30-9:00. This will be led by Mr. Van Ramsey of the First Baptist Church, Shelby, North Carolina. The music we are to use will be available for you at Mills Home on the nights of the clinic. The director is coming at no charge as he is reimbursed by the State Music Department for this clinic. We will send a list of all the music to be used along with an enrollment card for your choirs. We urge the whole choir to come and be a part of our clinic. This will be an opportunity to learn music to be used in your services each Sunday.

We are planning other activities for this coming year and hope your church will be a part of the Associational Music Program.

Respectfully submitted,
Kenneth Little
Associational Music Director

BAPTIST FOUNDATION REPORT

The assets of the North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a SERVICE arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their Will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

Respectfully submitted,
Isaac Terrell

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society, one of the oldest missionary societies in America, was founded in 1816 with one single purpose in mind, that people must have the Bible because it presents Jesus Christ, the one hope of men and nations and because it speaks to man's heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave and keep on speaking to a person's heart.

But, there is a worldwide shortage of Bibles because, in most countries, people cannot afford even the cost of printing the Scriptures.

The Society is a missionary non-profit organization, serving churches of many denominations in the United States and abroad.

During 1968 the Society rejoiced that some part of the Bible has been published in 1392 languages spoken by 97 per cent of the world's people; the full Bible in 242; a Testament in 320 more; a Gospel or other complete book in 830 more. In 1968 Scriptures were published in 67 new languages. This was more than one per week and five times the average increase a few years ago. But there are still over 1,000 languages in which not one book of the Bible has yet been published.

During 1968 the Society gave 2,153,015 Scripture volumes for distribution by chaplains to our Armed Forces and Veterans as a vital link between the home churches and the men in service. Military distribution was higher than any year since World War II and was an increase of 80.8 per cent over 1967.

During 1968 the Society set new records by distributing 51,634,211 Scripture volumes in the U. S. and a total of 77,950,978 volumes in over 800 languages in 150 countries. The year's combined distribution of all Bible Societies totaled 110,488,279 volumes. This was one copy for every 25 people in areas of the world which are open to Scripture distribution, giving hope that the world-wide population explosion can be overtaken by a Scripture distribution explosion.

GOOD NEWS FOR MODERN MAN by the summer of 1969 had totaled 16 million copies.

In 1968 Southern Baptist Churches gave $222,937 to the Society and ranked first among all denominations. Gifts from all churches in the U. S. totaled $1,312,615. Every church can give something that others may hear of Christ and be saved.

Ray Hooper

CHRISTIAN LITERATURE

It is hardly possible to go anywhere today without seeing the products of smut peddlers. Our permissive society seemingly has removed all restraints in the area of publishing and the arts; and passing as literature on almost every newsstand are not only lurid stories told in explicit terms, but also plain, unvarnished, hard-core pornography.

I lament this state of things the same as you. But I am not willing to join the ranks of the perennial pessimists who mourn the demise of all decent literature. Because they are wrong!

More good literature, and better prepared, is produced each year by your denominational presses alone than ever before.

Just to begin with, another good study book will be used this year for the January Bible Study program. Title of the book is "The Letter of James."

This leads us to mention a whole library full of good study course books. And mentioning the books leads us to report that the Church Study Course is coming to an end in about three months. But this does not mean that the denomination is curtailing its output of literature in this area. The old study course will be replaced by what is called the New Church Study Course. On January 1, 1970 most of the current books and the present award system will be discontinued. On the same date, the New Church Study Course will be available. It will build on the good points from the past and seek to improve upon them.

The Broadman Reader's Plan still is in full operation. Through this plan, the best in Christian literature comes into the home of the subscriber on a regular basis.

Also available at little or no cost is specialized literature published by the Southern Baptist Convention. For example, there is a series of booklets and pamphlets for young people on finding a life vocation.

For adult women there is ROYAL SERVICE; for men, the BAPTIST MEN'S JOURNAL; for the Music Ministry, the CHURCH MUSICIAN; for Training Union workers, the TRAINING UNION MAGAZINE; for Sunday

School workers, the SUNDAY SCHOOL BUILDER. This is not to mention OPEN WINDOWS, a daily devotional magazine, and the BAPTIST PROGRAM, a monthly magazine for Christian vocational workers, and a whole host of the other publications.

Baptists in North Carolina are fortunate to have two weekly publications which bring news of what Baptists are doing in North Carolina and around the world, what issues face the world of religion in general, and what moral aspects are involved in current social and political issues.

The BIBLICAL RECORDER has a 136-year history and during all that time has played a vital role in the life of North Carolinians—not just Baptists alone, but every citizen of the state. Right-thinking people in North Carolina owe a debt of gratitude to the RECORDER, to Editor Marse Grant, and to his associate, Toby Druin, especially for reporting the actions of the General Assembly earlier this year.

The BIBLICAL RECORDER enters some 90,000 homes each week.

CHARITY AND CHILDREN, the voice of child care since 1887, strives to tell the story of child care each week on its pages. But it does more. It seeks to bring news in capsule form of Baptists in particular and religion in general while treating in depth those issues most often affecting children and young people.

Beginning June 1, just four months ago, CHARITY AND CHILDREN has used a larger body type and has left more space between each line. This increases reading ease. Every week the staff of CHARITY AND CHILDREN sends out almost 40,000 copies of the paper.

Every Baptist home in North Carolina should receive and read, both the BIBLICAL RECORDER and CHARITY AND CHILDREN. Individual subscriptions for the RECORDER are $3 per year. Club rates are $2.50, and cost through the Church Budget Plan is $2. Individual subscriptions for CHARITY AND CHILDREN are $2 per year. Bulk rates are $1.50 per year.

MISSIONS COMMITTEE REPORT:

The Missions Committee of the Liberty Baptist Association met twice this year. In our November meeting it was reported that the State convention would give financial aid this year to our Association. The amount of the appropriation approved was in the sum of $732.00 Also in this meeting the office of our Missionary was discussed as to the needed equipment and furniture he should have for his work and meet visitors. There was also some discussion concerning non-cooperating churches in our Association. Mission Bible Schools, Mission Sunday Schools, and Fellowship Bible Classes in homes were discussed at length. Further, the committee gave attention to the possibility of having a World Missions Conference in our Association in the future. It was left to the chairman to contact the Division of Missions of the Baptist State Convention for a possible date. At this time the tentative date is October, 1972.

The second meeting was held in August, 1969. Rev. Bill Adams reported another good Vacation Bible School at Rolling Heights and indicated a need for a strong Southern Baptist Witness in that area. Equipment for the Associational Office was discussed breifly and decided that this project would continue. The main purpose of this meeting was a discussion of the non-cooperating churches in our Association which are Green Needle, Faith, and Union Grove. Green Needle has already requested that their name be removed from the Associational

roll. Therefore the Missions Committee voted to grant their request. Carl Hemphill made a motion and it was carried that Faith and Union Grove be informed that some action will be taken this year and that the Association stands ready to hold additional conferences with either church to see if there is any desire to solve the difficulities that might exist. If there is not any response by September 15, a motion will be presented to the Annual Meeting that these two churches be dismissed from the Association. This action by the Mission Committee was approved by the Executive Committee on August 18, 1969.

All this proceeding has been in accordance with our Constitution Article II, Section 2 (Membership) which states, "The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two years (consecutive) shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association. A cooperating Church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association."

Jesus said, ".....Go out into the highways and hedges, and compel them to come in, that my house may be filled." Our hopes for the Missions Committee this coming year is to try hard to fulfill this commission in our Association. We hope to survey areas where mission Bible Schools could be held, and seek to organize some Mission Sunday Schools or Fellowship Bible Classes. We will work faithfully with our Missionary to provide a better-equipped office. We will work earnestly and prayerfully to create a more intimate fellowship among our churches.

Respectfully submitted,
Melvin Greene, Chairman
Missions Committee

ANNUITY BOARD REPORT

It's very hard for some people to realize the importance of making plans for retirement annuity until their hair is either turning gray or turning loose. We should rejoice that we are fortunate enough to be a part of a Convention that has set up plans that we can be a part of when we come to the time of retirement.

Twenty-nine churches in this association have recognized that their pastors and staff members should have something laid away for the golden years. These churches and individuals are a part of the larger Southern Baptist Convention Annuity Program which you can read about in the larger report of the Annuity Board of the Southern Baptist Convention.

Rev. Guy Cain promotes the Protection Plan in North Carolina. He is jointly employed by the Annuity Board and the North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 310 Hillsborough St., Raleigh, or the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

BROTHERHOOD REPORT

The mandate of Baptist Brotherhood Work is to teach Missions to Christian men and boys of the local church and to challenge them to mission study and Mission Action—to commit them to a deeper involvement in Kingdom Work.

We have not measured up to our mandate and opportunities during the past year as members of the Liberty Baptist Association. However, some worthy undertakings have been carried out.

I, for one, will not soon forget the Associational Royal Ambassador Conclave held last November 9 in the fellowship hall of the Carolina Memorial Church. To be sure the Baptist men and Royal Ambassadors of our Association will long remember the "Baptist Men's Convention and Royal Ambassador Congress" held on Friday and Saturday, March 28, of this year, in Winston-Salem. A goodly number of Royal Ambassadors participated in a Track Meet on the campus of Wake Forest University on Saturday, May 17. Later in the spring a Royal Ambassador retrest was held on Mills Home Campus.

We still have many churches in our Association who are not reporting any Brotherhood work. Our new director of Brotherhood, Mr. Jimmy Edwards, and I are very anxious to be of any help to these churches and others who might need us.

Respectfully submitted,
Horace O. Barefoot

HOME MISSION REPORT

To a society convulsed by assassinations, riots, elections, disorders and other crises; to a society gaining a new awareness of its poor, its affluence, and its loss of values, Southern Baptists were led by their Home Mission Board to respond during 1968 primarily through three emphases: 1. Preparation for the Crusade of the Americas—Numerous preliminary meetings, such as a thousand associational rallies, were held; and telecasts were prepared for national release. 2. Establishment of new churches in Project 500—More than 150 of the 500 projections were started (30 per cent of the goal within 40 per cent of the time). The project was slowed because of inadequate funds, and many of these started were without financial aid. 3. Implementation of the Statement Concerning the Crisis in our Nation—The Board called meetings of other agency personnel to inventory actions and to project plans. The Board established a special committee which is seeking additional ways of response, and program leaders have directed personnel and funds toward acute needs.

A force of 2,385 missionaries serve in all fifty states, plus Panama and Puerto Rico. While 406 were appointed during the year, this represents an increase of but eighty-five. Thirty-five appointees were US-2ers. In addition, 897 college students served as student summer personnel for ten weeks.

A plan to emphasize getting God's Word to people by listing Scriptures appropriate for every group served by Southern Baptists through the Home Mission Board has brought miraculous response. Forty thousand New Testaments were bought and distributed through mission program leaders.

Chaplains on active duty in Vietnam number more than one hundred, and there are 680 active in the military, plus an additional 644 in reserve and other programs. There are 306 chaplains serving in hospitals, institutions, and industry.

Church loan assistance went to 306 churches, with loans totaling more than 7½ million dollars. Resort-Recreation areas received special attention from the

Rural-Urban Missions Department. Language work ministers to seventeen different language-culture groups, plus forty Indian tribes. Youth and Family services became the new title for work that includes juvenile rehabilitation. Work related to non-evangelicals has helped Southern Baptists to understand other religious movements and to learn ways of sharing one's faith with people who hold such beliefs.

Cuba released Southern Baptist Convention missionaries, the Herbert Caudills and the David Fites, and both families have established residence in Atlanta.

Of special interest to us are these facts concerning Liberty Association:

Amount given to Annie Armstrong Easter Offering, 1969	$ 5,697.86
Amount given through Cooperative Program, January June, 1969	$58,058.00
Number of churches giving through Cooperative Program	34
Number of churches not giving through Cooperative Program	13
Percentage of churches giving through Cooperative Program first six months of 1969	72%

Dr. Arthur B. Rutledge says: "We have come to the point in the life of our nation and of our denomination when our best is needed. There are at least 75 million unchurched people in our country, and pressing problems call us to give our Christian witness in every area of human life and experience."

Respectfully submitted,
Mrs. Leonard Rollins

1968-69 Annual Report of WOMAN'S MISSIONARY UNION

To begin the year we held a Leadership Training Course in October, at the First Baptist Church of Thomasville, for two day sessions and two night meetings. Miss Sara Ann Hobbs, the newly elected Executive Secretary of the State WMU, and Miss Kathryn Bullard, WMS Director from that office, assisted in the teaching. More than 200 officers and members earned cards of accreditation.

We had a most unusual Annual Meeting. As the season of the Crusade of the Americas approached, we moved our meeting to March 18, and arranged, through Herbert Baker, to have Dr. Beny Petrowsky, Executive Director of the Brazillian Baptist Convention, Rio de Janeiro, for our speaker. That evening he was very ill with the Flu. Another Brazillian, known to us as John the Baptist, was preaching in Asheboro, with Mr. Baker as interpreter. The pastor there, kindly let him off, to come to our meeting instead, and we all experienced something we can never forget. We felt and understood his message, almost before it was interpreted for us. It was an inkling of what might have happened on the Day of Pentecost.

Two Literacy Missions Workshops have been available to us. The first was sponsored by the Metropolitan Missions Dept. of our State Convention, and the second by First Baptist of Lexington. Invitations were sent to all WMU organizations, but only four churches outside the host church responded to this opportunity of training.

YWA's, GA's and Sunbeams have held regular meeting, and special services. A mother-daughter YWA banquet, with Mrs. Leonard Rollins as speaker, was an innovation this year, and was well attended, at Churchland.

Plans for Fall include a WMU Workshop, to be held at Rich Fork Church on

Monday, October 6, 7:30 to 9:30. The hours spent in this session will apply on a Leadership Basic Course to be held later, if needed. All eight of our age-level Directors and Associates, attended a State Workshop for Associational officers, which was held in Hickory in August. Three of our officers spent WMU Week at Ridgecrest, so all are prepared to conduct the Workshop.

For the first time we will have an association Mission Study Night. On November 13, Miss Maurine Perryman, on furlough now from Jordan, will speak on her work in the Mid-East. We are encouraging all WMU and YWA groups to attend, and also to read the mission study book in preparation for this meeting, and the Week of Prayer for Foreign Missions.

The south-wide goal of WMU this year is: A WMU Director in every church! We plan to work to this end, in our association.

Respectfully submitted,
Mrs. S. F. Nichols

FOREIGN MISSION REPORT

I stood on the campus of the Free University in Quito, Ecuador, one day and listened to a young Ecuadorian lawyer rant about all the things that are wrong in the United States and the world. He was a revolutionary, he said, and the only hope for the world was world revolution like Castro's Cuban revolution. When he calmed down a little, I pointed to the Baptist Church directly across from the campus and asked him if he had ever been in that church. "No", he said, "I have no use for religion." I told him that was too bad, for the Christ preached in that church was a revolutionary figure in His day and was still way ahead of us in world revolution ideals.

What our world needs is not a Communist revolution, or even to make the world safe for democracy. We are naive in believing that democracy is the best form of government for all the nations of our world. Many nations, not prepared for democracy because they have no spiritual foundations, may be better off under a benign dictatorship than under a corrupt democratic government.

After Dr. Keith Edwards returned to the U. S. from his first term of service as a medical missionary in Nigeria he let me read his diary. On the front page he had written, "Lord, let me go preaching. Let me preach as I make my rounds in the hospital, let me preach in the operating room, let me preach as I visit the sick. Lord, let me go preaching." In the diary I read about the day Keith delivered a little African baby in the delivery room of our hospital in Nigeria, and the baby would not breathe as it should. Dr. Edwards tried everything he knew to do, but still the baby would not breathe. Then he asked the nurse with him to pray, and Dr. Edwards prayed: "Lord, I am your doctor and this is your baby. Lord, as your doctor I have done everything I know to do and the baby will not breathe. Lord, if the baby is to live you are going to have to make him live." Dr. Edwards got up from his knees, pressed his white mouth against the baby's black mouth and started mouth-to-mouth breathing. In a moment the baby began to breathe on its own. This is a parable of our world: it will not breathe the breath of life unless we as Christians give it that breathe from our lives. This is our calling, this is our task!

How can we do it? We can do it by enlarging our support of the avenues of Foreign Mission that we now have. In a dying world Southern Baptist gave less than $3.00 per member to the support of missions around the world last year. We must do much more than this.

We must also keep our eyes open for special opportunities. Our missionaries can not solicit help for special projects, but there is nothing to keep our churches from giving such help when we learn of special needs. In our own church we are educating two young people in Brazil just now; we have bought land for a seminary and today the Foreign Mission Board is building apartments for married students on this land; we have had a share in opening the first Baptist hospital in Brazil. In all these things we have been blessed, for we feel that this is work that might not have been done apart from us.

I also feel that it is time for Southern Baptist to join hands with other Christian groups in mission work. This year I drove to New York to take a Brazilian Baptist pastor to talk with the leaders of Church World Service. Those leaders responded to the plan this pastor had for building a cooperative farming venture in Ceara, Brazil. They under-wrote the financial need of this project. There are mission opportunities that Baptist can help meet by offering their cooperation to other groups: we do not preach a Baptist Christ, a Methodist Christ, or any other denominational Christ. We preach Christ the Savior who lifted up will draw all men unto Himself, and who alone can bring about that change in the heart which must become the heart of change in our world.

H. M. Baker

RESOLUTIONS COMMITTEE REPORT

Whereas, the presence and leadership of God have been felt in the One Hundred Thirty-Seventh Annual Session of the Liberty Baptist Association and,

Whereas, the Holy Spirit has used many human instruments to manifest God's love and instruction,

BE IT THEREFORE RESOLVED that the following people be gratefully thanked by this assemblage:

(1) The congregations of believers who make up the First Baptist Church of Denton and Summerville Baptist Church, together with their pastors, the Rev. H. M. Baker, and the Rev. D. C. Sullivan, for their hospitality, the warm fellowship, the delicious meals and other provisions that have been made for our enjoyment and comfort.

(2) The Program Committee for arranging an inspiring and helpful program. Brother D. Hoke Coon and his committee are to be congratulated for a work well done. Both our own Associational personnel and our visiting personalities have blessed and enriched our lives with their stirring messages.

(3) We express our appreciation to our Moderator and Clerk for the very able manner and effective leadership in presiding over and recording the action of the Association.

(4) The Associational Music Director, Brother Kenneth Little and his committee, the accompanists for providing inspiring music to lift our hearts and bless our spirits.

(5) We express our profound gratitude for the continued effective ministry of our Associational Missionary, Brother Leonard Rollins, as he continues to render outstanding and inspirational leadership.

(6) We commend, with deep appreciation, the churches in the Association for their efforts and participation in the Simultaneous revivals of the Crusade of the Americas.

(7) Also, our gratitude goes to Brother Sam Smith for his effort, along with

others, for the memorial erected and dedicated in September 1969 to one of the founders of our Association, Eli Carroll. Also, the generosity of the Robert C. Carroll family for their gift toward this memorial is to be commended. As we remember and honor our heritage it should serve to strengthen our own faith and leave a richer heritage for the future generations of our Association.

In presenting these resolutions of gratitude to those who have given service to us may it challenge each of us to live out our theme "His Mind in You" in our service to God and our fellow man.

Lee Roy Hall

REPORT OF ASSOCIATIONAL MISSIONARY

During the past associational year it has been my privilege to be in thirty-six of our churches for at least one service, and I will be visiting in the others as time will permit. The invitations to preach reduce the opportunities to visit in many churches for their regular worship services. Included in these speaking engagements have been: three ordination services for deacons; foreign mission study at Mills Home, Denton, and Coggins Memorial; January Bible Study at Coggins Memorial; dedication of pastorium at Summerville; note-burning services at Tyro and New Friendship; special dedication service at Holloways; youth group in Vacation Bible School at Thomasville, First; report on Southern Baptist Convention at Lexington, First; five worship services at Reeds while they were without a pastor; deacon-appreciation Sunday at Jersey; and ordination sermon for Willie Freedle at Clearview. During the Crusade of the Americas revivals I preached for four weeks in three different churches: two weeks at First Baptist Church, Aberdeen, Maryland; one week at First Baptist Church, Dunn, N. C.; and one week at Victory Church in Liberty Association.

Outside of our association I worked in a Director-led Associational Sunday School Enlargement Campaign in the Rowan Association; a special mission project in Kokomo, Indiana; and attended the Southern Baptist Convention in New Orleans, Home Mission Week at Ridgecrest, Baptist State Convention in Raleigh, and Promotion and Planning Conference in Nashville, Tennessee.

I have tried to lend assistance to six of our churches as they looked for a pastor and have worked with the Missions Committee in dealing with the three delinquent churches that we took action upon in this meeting.

Emphasis and guidance on an associational level was given during the past year to the following projects: Seminary Extension Centers, R. A. Banquet and Boys' Rally, Training Union "M" Night, World Missions Rally, Preachers' Revival, Youth Night, Associational R. A. Track Meet, Training Union Tournaments, starting of a new Training Union at Holloways, Crusade of the Americas revivals, and Vacation Bible School Clinics.

Attention is being given now to the Brotherhood Workshop at Rich Fork on October 13 and 14; the opening of three Seminary Extension Centers on October 14, Church Choir Workshop at Mills Home on October 20 and 21, Training Union "M" Night in December, and "Shaping the 70's Preparation Period."

I would like to say again that any pastor or any church having need—whether it be spiritual, moral, financial, or physical—elicits my concern and prayers, and I am ready to render any service that I possibly can.

Respectfully submitted,
Leonard Rollins

REPORT ON SUNDAY SCHOOL

The results of this past year's efforts in Associational Sunday School work have been less than spectacular, to say the least. Apparently there was a failure on our part to communicate our willingness to come and share with you in your work of planning and building a better Sunday School if you should request such. It would seem that the greatest need of such an organization as that which we have would be to provide helpful sharing whenever we are called alongside. This cannot always be done in general meetings, but in some private conferences the churches and their leadership would arrange.

As a part of this past year's program, although reported in last year's minutes, an excellent faculty was arranged through the cooperation of the Associational Sunday School and the State Sunday School Department in order that we might offer a Central Training School. Quarterly meetings were held at various churches in the Association, none of which elicited much response from the people. Under the direction of Miss Kay Wiggs, our Vacation Bible School Superintendent, another helpful Bible School Clinic was held in April at Rich Fork, the leaders of which had been trained at the State Clinic at Wingate.

Your new Associational Sunday School Superintendent, the Rev. John Pace, the new pastor of the Reeds Church, will have the tremendous task of leading us through the time of preparation for and adjustment to the changes in the curriculum and grading that are coming in the Seventies. He has enlisted the help of departmental leaders who will do their best also to help us make this transition. Mr. Pace, along with nine others for the Liberty, will be attending a Conference in Greensboro January 20, to prepare them to lead us in an Associational Conference on February 9 in Lexington and February 10 in Thomasville. Let us support them in this ministry.

Attention is called to our third annual Seminary Extension Center in this Association. Beginning October 14 and continuing each Tuesday through December 9, nine Tuesdays in all, courses in Old Testament and Religious Education will be taught. At Churchland at 10:00 a.m. and at First Church, Lexington at 7:00 p.m., Dr. Clyde Chapman will teach Old Testament 111. Mrs. Leonard Rollins will teach Religious Education 115 at First, Lexington, only. Courses to be offered at Mills Home are the same. Mr. Vernon Sparrow will teach the Old Testament course; Mr. Robert Stump will teach the Education section. Cost to the student will be only $5.00 for either course, and this also covers the costs of the texts. It is our hope you will give this your support, as you have in the past.

Respectfully,
James M. Lambert

TRAINING UNION REPORT

Training Union is not just a program on Sunday evening. It is the training ministry of the local church. The Training Union is a service ministery of the church, training its members in three areas: (1) New Member Orientation (2) Church Leadership Training and (3) Church Member Training.

Even though the messengers did not accept the new name change at the Southern Baptist Convention meeting in New Orleans. There will be new changes in the curriculum, alternate organizational plans, resource units, undated units and other materials to meet the changing ministry of the church in the 70's.

In this day of change when the church must face up to the fact that its

members must be a part of the society in which we find ourselves. There is no better organization within the church to train members as to an active place in society than the Training Union. All the training ministry of the church can be carried through the Training Union structure. Therefore the Training Union is not a dead organization in the church but a live orgainzation according to the membership of the local church.

We have around eleven million Southern Baptists. Out of every 100, 27 are non-resident, 23 percent are non active and unenlisted; of the remaining 50, only about 25 out of every 100 carry the load of the church. This shows the tremendous task of training which needs to be done in the local Baptist Church.

During the year we had several highlights in the associational calendar sponsored by the Training Union.

In March we had a interesting and impressive Youth program in the First Baptist Church, Lexington on "Youth and the Drug Habit."

In December the First Church, Lexington was the host church to "M" night when the Youth Choir of the First Church, Lexington presented "Good News" a Christian folk music program to a full house.

In the regional Training Union Tournaments we had two participants in the Young People's speakers' tournament; two in the Intermediate Sword Drill and eight participants in the Junior Memory Work Tournament at the First Church of High Point.

A new Training Union was organized at Holloway's Baptist Church during the year.

In the 47 churches of our Association, there are 27 Training Unions. More than ever during the coming year the Associational organization must offer to the local churches the leadership with all the new materials for the 70's. Training is the answer to all of the problems. Thank God for an organization such as the Training Union in our churches today.

T. C. Williams, Jr.

CHRISTIAN HIGHER EDUCATION REPORT

We were honored to receive greetings from Mrs. Margaret Martin, Meredith College and Dr. L. H. Hollingsworth, Wake Forest University. They expressed appreciation for the continuing support of Christian Higher Education.

Dr. Ben Fisher reports an increase in the total Cooperative Program and therefore, an increase in the amount alloted to Higher Education. Contributions from the North Carolina Baptists Churches and the enrollments of our colleges and universities are as follows:

	October 15, 1968 Enrollment	Contributions
Campbell College	2,402	$ 280,645.00
Chowan College	1,338	168,081.00
Gardner-Webb College	1,316	159,649.00
Mars Hill College	1,306	241,993.00
Meredith College	995	241,993.00
Wake Forest University	3,177	411,725.00
Wingate College	1,588	176,454.00
	12,122	$1,680,510.00

One of the great services which our Baptist colleges render to the denomination is that of preparing young men and women for full-time Christian service. We have currently enrolled in the North Carolina Baptist colleges approximately 600 students who will become pastors, missionaries, directors of Religious Education, directors of Church Music, chaplains, denominational workers, and Christian college teachers. While these represent the major categories, there are numerous sub-divisions among these categories that require men and women with special training.

One of the great needs of our denomination is the effective use of our talented young students. Churches should investigate the use of a student to aid in developing church programs. College students may be the answer to staffing problems.

A new program was inaugurated this summer in which the Baptist colleges joined hands with the Church Training Department to utilize college students for summer work in the local churches. As this report is being written, we are getting some splendid reports from churches who have employed these young people.

It should also be noted that Baptist college students are working in a number of other areas and programs: summer assemblies, Brotherhood Department, Woman's Missionary Union, Vacation Bible School, Audio-Visual Aids, Department of Work with the Deaf, Town and Country Department, and Interracial Cooperation Department.

We urge the churches to begin now to think about the observance of Baptist College Day on Sunday, June 21, 1970. Our Baptist churches have been supporting the Baptist College Day offering in two ways. Some use the envelopes and take a special offering. Other churches include all of the special offerings in the budget. Because of the critical financial need of our Baptist colleges, we earnestly ask you to remember us with your special offering.

Someone has said that America today is a place where people know the price of everything and the value of nothing. Baptists and other great Christian denominations have an unparalleled opportunity through their colleges to place a fresh emphasis on man's moral and ethical responsibilities. Christian colleges can play a major role in helping America to regain a Biblical sense of values. It is still more important to know how to live than how to make a living. Your continued support of a college and university system dedicated to Christian Excellence is appreciated.

Marvin Miles

REPORT OF MEMORIAL COMMITTEE

With sober hearts we acknowledge the absence of our members who have gone on this past year. But with grateful hearts we acknowledge the presence of their indelible imprint upon our lives. We are keenly conscious of their guiding love and help in the past. If those of our number who have gone on before could but speak, they would not speak of death but of life. They would throw out to us the challenge to live worthily in these perilous times. Because death is but the beginning of life.

"And I heard a voice from Heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them." Rev. 14:13.

HISTORIAN'S REPORT

At the 1967 session of the Association, Sam J. Smith, Associational Historian, introduced a resolution asking that a committee be appointed to study the matter of erecting a memorial to Rev. Eli Carroll, who was the chief leader in the founding of the Liberty Baptist Association in 1832, and report back to the 1968 session.

Robert Carroll was named as chairman of the committee along with Rev. Leonard Rollins, Associational Missionary, and Sam J. Smith, Historian. Robert Carroll had offered to pay one-half the expense of erecting the memorial provided the Association would bear the other one-half.

Rev. Bill Adams, Pastor of Jersey Church, made a motion that the committee named be given power to act in the erection of the memorial. His motion prevailed. The memorial was completed a year ago and verbal report was made at the last session.

On Sunday, September 7, this year at Lick Creek Church at 3:00 p.m. a dedication service was held. The memorial was erected at Lick Creek Church.

The Rev. Eli Carroll is buried on his old farm one mile southeast of the church. It was appropriate that the memorial be erected at Lick Creek Church because it was there that Mr. Carroll stood up and took a stand that led to the birth of the Liberty Baptist Association in 1832. Mr. Carroll was pastor of the church at the time. A majority of the membership of the Lick Creek Church were opposed to missions and Sunday Schools. The majority drew up a letter to the Abbott's Creek Union Association which was to meet at Mount Tabor Church in Randolph County on September 24, 1832 and elected delegates and instructed them not to sit with anyone favoring missions and Sunday Schools. The Baptist State Convention had just previously been organized advocating missions and Sunday Schools. Mr. Carroll stood with the convention. He and a minority of the church membership that stood with him went out and made up a minority letter from Lick Creek Church and elected delegates from their ranks to the Abbott's Creek Union Association.

Quoting from Henry Sheet's HISTORY OF THE LIBERTY ASSOCIATION,

> "After the introductory sermon was delivered, the messengers retired to the house, where Isaish Spurgeon took the chair as Moderator. The letters were then called for, and two were presented purporting to be from Lick Creek Church. The clerk read the letter from the majority, claiming to be the church in which they named messengers and instructed them not to sit with any persons who were advocates of the State Convention."

Rev. Eli Carroll and his messengers were ruled out of the body; whereupon, they along with a few like-minded delegates from Jersey Church, Liberty, and New Friendship went out in a tent and organized the Liberty Baptist Association. Mr. Carroll was Moderator of the body the first eight years and preached the annual sermon three times during that time.

Having attended the sessions of the Liberty Association for the last 45 years I can say, in my opinion, the dedication service held at Lick Creek on September 7 was one of the most, if not the most hallowed, service of the association that I have ever attended.

Preliminary remarks were made by Leonard Rollins, Association Missionary, Bill Adams, Moderator, W. D. Williamson, Pastor of Lick Creek Church, and Sam J. Smith, Historian. The main address of the day was given by Dr. A. C. Reid, a native of the Lick Creek Community and a son of the late Mr. & Mrs. W. A. Reid, who were life-long influential members of the Lick Creek Church. Dr. Reid is a distinguished professor and writer at Wake Forest University and Southeastern Seminary. His message was a master piece and highly appreciated by the large crowd present. The Mills Home Choir furnished music for the day. Their opening hymn was "Faith of Our Fathers".

From the church the large crowd went out and assembled around the marker where Robert Carroll, Chairman of the Memorial Committee and who had donated one-half of the erection cost, made some dedication remarks. The closing and prayer of dedication was delivered by Rev. Bill Adams.

Respectfully submitted,
Sam J. Smith, Historian

HISTORY OF FIRST BAPTIST CHURCH OF DENTON

By: Mary Smith Grice

The First Baptist Church of Denton has had a long and interesting history of change and growth which reflects the faithful work and accomplishments of the people who have held membership there through the years.

The Tom's Creek Church, located about 2½ miles east of Denton, formed the nucleus of the Denton Baptist Church. The church had in 1811 an organization of 25 members. In 1832 the majority of members supported the Baptist State Convention on missions. Those in opposition set up a separate congregation at the present site of Tom's Creek Primitive Baptist Church. The Missionary Baptist continued to use the original site for worship until a few years after the Civil War.

On January 21, 1889, Rev. Henry Sheets presided as moderator of a presbytery of men called to pray and plan the establishment of a Baptist Church at Denton.

The conference named as trustees of the new Baptist Church Robert Tysinger, Andrew J. Buie, and James Asbury Snider. It is interesting to note that one of our present trustees Crola A. Snider is the grandson of J. A. Snider. The other two trustees are J. W. Royal and Robert C. Carroll.

The newly organized church met in the school building until a "meeting house" could be erected. On February 3, 1890, the trustees purchased from A. A. Snider two acres of land for the sum of $124. Twelve persons paid on the land. The old Tom's Creek Church house was sold by members for $8.45.

Seventeen women and sixteen men made up the charter membership of thirty three.

It was in the old building that some of the best of the day served as pastors, namely: (1) Rev. H. Morton, (2) Rev. H. Morris, (3) Rev. John A. Summey, (4) Rev. Jeff Lanning (elected twice), (5) Rev. J. M. Bennett, (6) Rev. C. E. Owens, (7) Rev. S. D. Swaim, (8) Rev. J. F. Fletcher, (9) Rev. Henry Sheets, (10) Rev. Hoyle Love, (11) Rev. E. S. Ivey, (12) Rev. W. A. Hough, (13) Rev. L. A. Connell, (14) Rev. Paul Berry, (15)Rev. M. A. Adams, (16) Dr. G. A. Martin, (17) Rev. R. N. Honeycutt, (18) Rev. W. Van Carroll, (19) Rev. H. M. Stroup who could be called a Moses since he led the people so ably in building. Since the erection of a new church the following have led, (20) E. C. Roach, (21) Rev. Fred A. Duckett, (22) Rev. George Shore, and (23) Rev. H. M. Baker.

During Rev. Fred A. Duckett's pastorate the church built a new parsonage. Then again under the leadership of Rev. George Shore the church built an Educational Building, finishing up rooms left unfinished, and recently the complete renovation of the sanctuary.

Throughout the years the various organizations have been established. The Sunday School begun with a few faithful ones meeting in the school building led by L. A. Tysinger, has advanced beyond dreams of that day. The Sunday School has a capable leader in person of Bob Wood.

The W. M. U. began around 1915 under the leadership of Mrs. N. A. Hedrick. Many women have served faithfully. Today Mrs. Hiram Ward is our President.

A progressive step was taken when in conference January 19, 1933, the church, under the leadership of Rev. H. M. Stroup adopted the cooperative program plan of giving. This plan of giving has proven to be very effective. In recent years giving to missions has included contributions for a hospital in Brazil. Through the W. M. U. worthy Brazilian students have received educational aid.

Also since Mr. Baker has been with us, we have been led to "reach out to"

or "become involved with" others. We have a Sunday School Class for the mentally retarded. A Day Care Center providing care for many children while mothers work.

Many are the advance in material ways. However, the progress that thrills our souls is that our young people have gone out to serve in special Christian services. Four of our young men have become ministers; Norman Keith, David Snider, Jerry Surratt, and Jack Alexander.

Looking back over the accomplishments of the past, we are made to rejoice. However, with faith, prayer, and Christian fellowship under leadership of one of God's men, we leave the backward look, and face the future—a future that promises much with God.

HISTORY OF SUMMERVILLE BAPTIST CHURCH

By Mrs. Sidney Garner

In Davidson County, North Carolina, at the base of Grice Mountain, the highest peak of the High Rock Range, there flows a spring of excellent water. In 1820, a few families from Salisbury built cottages and would spend part of each summer there for rest and health. Because of this the little community was designated "Summerville." Rev. A. P. Stoker, a pioneer Baptist preacher living only a few miles away, arranged for preaching services. Finally a small house was built in which to hold these services, and on July 6, 1873 a church was organized with 17 members, three males and 14 females. They were—John Bean, Joseph R. Doby, James Doby, Nancy Bean, Catherine Daniel, Mary Frank, Honor Garner, Martha Peterson, Elizabeth Davis, Selia J. Buie, Mary Peterson, Sally Davis, Angeline Davis, Salomy Shipton, Cleanda Bean, Nancy Grist and Selis Grist. The church took the name of the little summer community. The spring has always been known as Baker's Springs.

In 1884 John Greer either repaired the old building or built a new church. An offering of 24 cents was set for the members who had not already paid on the church.

Then in 1891 the trustees were to get a new consolidated deed for the church lot. A Sunday School was organized in 1892. George Frank was elected as Superintendent. The church roll was revised. That year they moved the church building. This church was used until 1914, and another church was built. It was paid for sometime in 1919.

1919 was the start of what was said to have been the most fruitful years of the church. Rev. D. P. Morris was pastor. At one baptism service he baptized 50 persons. He stayed until 1925. During his stay there was a total of 111 baptisms. Although he had been away from Summerville a few years the church elected their former pastor D. P. Morris "Pastor Emeritus as long as he lives," in 1933.

In 1935 a side door was cut to the church. The next year Sam Buie and Lois Carrick were elected to secure more land for a cemetery. In 1941 a one-half acre of land was bought.

It was decided in 1944 to build Sunday School rooms to the church. Five men were appointed. They were Sam Buie, Lois Carrick, Robins Bean, E. I. Snider, and Walter Bean. The estate of a Mrs. Layden gave the church $1147.84 to go on the building.

In 1945 the church set the first Sunday in July as Homecoming. It remained the first Sunday in July until just a few years ago. Now it is the Second Sunday in August.

The Sunday School rooms were finished in 1949. A fund was started to buy a carpet. That year the church also bought some kind of heat to be used in the

sanctuary. The church also received two lots from Mr. Sam J. Smith. The money that was left from the estate of Mrs. Layden was put into a building fund. Rev. Charles Young was pastor at the time. Mr. Adam C. Smith had previously given the church a lot.

In 1952 it was found that more land was needed for a new cemetery. The Trustees were given authority to purchase more land. The land was given by Bob Homberrier.

There was talk of building a new church when there was ten thousand dollars in the building fund. This year was 1954. Eight persons were elected on a building committee. They resigned in 1955. That year attendance badges were started. This has been continued through out the remaining years.

In 1958 another building committee was elected. This time only three men were elected. They were Floyd Watkins, Clifton Carrick and W. C. Daniels.

In 1959 the trustees were authorized to borrow the sum of $27,500.00 to complete the church. We moved into this church the first Sunday in June, 1960.

A brotherhood was organized in 1962. Also in 1962 the sum of $50.00 was set for grave plots for the non-members who are buried in the church cemetery. Sunday night services were also started that year.

The church paid off its debt the last Sunday in May, 1966, by adding the fifth Sunday offering. The total amount paid including pledges, interest, etc., was $96,707.27.

In December, 1966, the church voted to give authority to see about securing land for a parsonage. The land was secured beside the church from Mr. Sam Smith and Mr. Willie B. Varner, both being donors.

On March 12, 1967, the church voted to start a parsonage as soon as possible. That Sunday a planning committee was appointed. On May 27, 1967 a ground-breaking was held. Special guests for this service were Rev. Leonard Rollins, Mr. Sam Smith, and a representative from Charity and Children. October 1, 1967 marked the date of open house.

November, 1968 the final payment was made which was just fourteen months after the initial loan was made.

Although all our pastors have helped the church grow in grace and number, we are especially grateful to the last three pastors. Rev. Inman Stewart saw us through the actual building of the present church, Rev. Charles F. McDowell was with us through paying off the church debt, and the parsonage was built with the leadership of D. C. Sullivan, our present pastor. Our sincere prayers are that God will continue to bless us in the future.

BAPTIST HOSPITAL REPORT

Our medical center continues a high quality program of medical care, training of medical personnel, and research in the cause and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently then ever to minister to our people in keeping with their needs, and to the limit of the hospital's resources.

North Carolina Baptists through the years have been interested in helping our Baptist Hospital minister to the needy sick. Each May we express our love for our brothers, as we honor our mothers, with our Mother's Day Offering to our hospital, that some poor sick person may be given comfort, and restored to health again.

Through August, 1969, many of our churches across North Carolina gave more in eight months than they gave during all of 1968, and we are pleased to tell you that some of these churches are in the Liberty Baptist Association.

The offerings for the first eight months of 1969 are now more than they were for the entire year of 1968 in 22 associations. Again it pleases me greatly to tell you that the Liberty Baptist Association is one of the 22.

The Liberty Baptist Association offering through August, 1969, is $7,059.57. Churches in the association which have not sent an offering or wish to send more may do so and their contributions will be credited and used this year.

The free care our Mother's Day Offering permits our hospital to give must now be limited in keeping with the funds provided for this purpose, however, because the hospital can not continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings are used for this purpose alone, and the hospital makes them go as far as it possibly can.

The trustees and administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Respectfully submitted,
G. C. Lewis

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

This has been another great year for the Baptist Homes for the Aging. Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living there and in our other four Homes, Resthaven, Hayes Home in Winston-Salem, the Albemarle Home, and the Hamilton Home.

Evidently more attention was called and greater emphasis given to the special offering on the third Sunday in February because never before have your Baptist Homes for the Aging been more conscious of the Lord's presence and of His goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, the weather was at its severest on the third Sunday of February, the day of the special offering, but the churches came through with an offering of one of the greatest in the Homes' history.

The special offering and the Cooperative Program comprise one-third of the total income for the Homes. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

REPORT TO THE ASSOCIATIONS
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.
1969

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, is recongized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the State.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed provision will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

By the use of designated gifts and bequests from individuals and families, significant progress is being made in the long range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

STATE MISSIONS REPORT

More than a century ago it was learned that when strong new churches were to be built in North Carolina there had to be cooperative effort from the already existing churches. Looking beyond their own communities, churches contributed to the establishment of new congregations wherever a need for challenge was revealed. Rarely does one find a city, hamlet, town, or rural area today which has not been influenced and in some way financed by State Missions. Most of the great churches of North Carolina were at one time recipients of mission money given freely by other Christians to help in birthing and nourishing new congregations.

Distance lends enchantment, and when we think of missions we think of foreign fields. Yet the first point of missions must be near at hand, or missions outreach to far away places can never be accomplished. A strong missions pro-

gram is built on the pattern of a pyramid with a broad base and projecting converging lines to the most distant point. To think only of the base is to be in error, but to think only of the distant point would be an equal fallacy. There must be supporting strength from the bottom all the way to the top. The stronger the base is, the better the support for the distant point.

Our State Missions Program is just above the base level of the local church, for it is involved in strengthening and enlarging the number of congregations. It does this through salary supplements for mission pastors, aid for lots of new churches, a thriving ministry to the deaf, the development of stewardship programs, the training of deacons, Sunday School leaders and teachers, and the development of every area of local church life. It provides consultant services wherever a need arises, and constantly works toward the encouragement of a worldwide mission outlook.

State Missions helps train preachers through Fruitlant Bible Institute, provides a continuing ministry through a military and institutional chaplaincy program, and challenges individual Christians to a higher level of teaching through Seminary Extension courses.

State Missions has been described as a two-lane road, one going out from the local church to every part of our State, and the other returning to us from our fellow Christians and sister churches.

Woodrow W. Hill

EVANGELISM REPORT

Evangelism is the heart beat of the Baptist Denomination for as the heart sends life-giving blood into all parts of the body, so has the evangelistic spirit sent men like Shubal Stearns and John Gano into this Piedmont Section. The same spirit sent men with a mission and a message up and down our rivers and branches, our hills and hollows adding men to the Kingdom and to our Baptist Faith, until we now number over a million in North Carolina. Part of our ancient denomination, we now call Primitive Baptist, got bogged down in extreme Calvinistic Doctrine instead of answering the call of the Great Commission, are now facing slow death.

The year 1969 will probably go down in our denominational history as a red-letter year for Southern Baptist. The year of the Evangelistic Crusades of the Americas. We have not yet heard the final results of this crusade, but we were made aware that we have a strong ally in our neighbors in South America. We were made to wonder if in the near future we will be borrowing evangelistic fire from them.

In Liberty Baptist Association, we had 32 churches participating in the crusade. Two Brazilian pastors assisted several churches in their revivals. The crusade results were very gratifying as 436 were added by Baptism and 330 by letter and the spirit of evangelism and the Great Commission was kindled afresh in our midst.

As we move forward into a new year, we must not slow down. A great Evangelistic Conference has been planned for February in Greensboro by our new Evangelistic Director, Rev. W. C. Lamb. Special services are also being planned for our association.

Carl Hemphill

Constitution

(Adopted September 29, 1954-Revised October 1, 1969)

PREAMBLE

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

ARTICLE I—Name

The name of this body shall be the Liberty Baptist Association;

ARTICLE II—Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III—Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV—Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V—Officers and Their Elections

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union Director and Brotherhood Director.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. He shall be elected for a one-year term. Other officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Sunday School, Traingin Union, Woman's Missionary

Union and Brotherhood organizations, as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

ARTICLE VI—Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

ARTICLE VII—The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

ARTICLE VIII—Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

ARTICLE IX—Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

By-Laws

BY-LAW I—Parliamentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Robert's Rules of Order Revised shall be followed as the Association's rules for conducting its deliberative assemblies.

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and

approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already

affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, Quarterly, Annually).
2. Present a budget to the Association based on the finances pledged.
3. Present detailed specifications as to when, where, and how finances shall be distributed.
4. Inform member churches of their record of giving.

REPORT OF THE ASSOCIATIONAL MUSIC COMMITTEE
1970 Session

Liberty Baptist Association reported some 1940 persons involved in the Music Ministry in its various churches for 1969. It is with hope that 1970 will show a steady increase. It is worth noting that the Music Ministry was the only part of the church program that showed an increase in its enrollment in 1969 throughout the Southern Baptist Convention. These statistics were furnished by the Southern Baptist Convention.

The Music Committee of Liberty Baptist Association, with Ken Little as its director, provided an associational choir clinic last fall with Van Ramsey as guest clinician. Some 40 choir members from the various churches of our association attended the three night clinic at Mills Home Church.

Plans for 1970-71 include having a music leadership course to be offered for training music leadership in the local church. Promotion of the "First Timers" Festival and the Regional Music Festival will be given strong emphasis this year.

The Associational Music Director and the committee offer their help and service to any church of our association who might call on them.

MISSIONS COMMITTEE REPORT

The Missions Committee of the Liberty Baptist Association met once this year. In the meeting the request of the Antioch Church to withdraw from our fellowship was discussed and granted since there was no other alternative.

Since the last Associational Meeting the dates for the World Mission Conference was set for October 29-November 3 in joint participation with Pilot Mountain Association.

There is still grave concern over the lack of participation on the part of some of our churches in our Associational work. There is still concern over those which have withdrawn fellowship from us. During the year the Associational Missionary and I visited a member of one of the churches by request. She was deeply concerned about the church withdrawing from the Association. After discussion with her we offered literature to her that would explain the position of the Southern Baptist Convention and the Cooperative Program. There is no known results from this meeting with her.

I had hoped to visit every pastor in the Association this year for fellowship and prayer for their work, but I failed although I did get to visit a few.

I am sure that I turn the chairmanship over to very capable hands for our new year together.

Let us remember the words of our Lord when He said, "Ye are my witnesses beginning in Jerusalem, Judaea, Samaria, and earth."

Respectfully submitted,
Melvin Greene, Chairman

BAPTIST HOSPITAL REPORT

With all the growth at North Carolina Baptist Hospital, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 of this amount—$237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering. To date this year 39 churches in our association contributed $6,783.27 to the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Our Hospital has encountered serious financial problems this past year. This crisis has necessitated changes in admission procedures which require information on hospital insurance and other financial arrangements. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

There are General Hospitals in local areas throughout our state where most medical needs can be adequately met. Baptist Hospital is a Medical Center which specializes in the difficult problems of disease and health care. Through its research endeavors and its specialty fields it offers help annually to those who find it nowhere else.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Our Baptist hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

Respectfully submitted,
Woodrow W. Hill

1969-70 ANNUAL REPORT OF WOMAN'S MISSIONARY UNION—LIBERTY ASSOCIATION

"Shaping the 70's" has shaped our year in Liberty Association WMU, and with the prospect of change in age groupings and terminology, and the promise of excellent new materials, the officers decided to concentrate on offering the best available assistance to the local church groups. As I gathered material for this report I realized what a busy year it had been.

After attending a State Workshop for Associational Offices in September, our officers conducted a Leadership Workshop early in October at Rich Fork Church. Instruction in all phases of WMU work was included.

In November, in preparation for Foreign Mission Study and Week of Prayer, Miss Maurine Perryman, on furlough from Jordan, gave us an introduction to missions in the Middle East. In December, all participated in the Week of Prayer. In January, the Associational WMU officers attended the "Shaping the 70's" Clinics at Greensboro, then in February conducted WMU clinics for two nights, one in Lexington and the other in Thomasville. March found us in attendance at the State WMU Annual Convention.

At our own annual meeting at Mills Home Church on April 9, Miss Linda Warren, state YWA Director, was the speaker and 10 days later, many participated in a Mission Action Workshop in Greensboro, sponsored by the state WMU.

In May, for two nights, Mrs. A. L. Parker of Greensboro led in a study of the new WMU Manual, then in August our newly elected director for 1970-71, Mrs. Dale Martin, attended the full WMU Week at Ridgecrest. The last of August all new officers attended an Associational Officers' Workshop at Camp Mundo Vista, and finally on September 21 and 22, a Leadership Training Course was held at Lexington, with state workers teaching three classes. For Study Course Credit, 202 women from 23 churches enrolled. Throughout the year YWA's and GA's were having their regular meetings. "Sound of Music" was the theme of the GA Mother-Daughter Banquet. YWA girls attended a state-wide House Party at Camp Mundo Vista, and 75 girls attended a Spaghetti Supper and Song Fest in February. They held an overnight Prayer Retreat in May. Sunbeam leaders spent a day of preparation and planning for day camps.

We have adopted a budget of $405.00 for next year. This is not a part of the associational budget, but is met by contributions from each church in the amount of $.20 per WMU member.

Now we are Baptist Women, Baptist Young People, Acteens, Girls in Action and Mission Friends. Most encouraging to me is the increasing number of attractive young women and girls at Ridgecrest and at our leadership courses. Gradually women are catching the vision of how improved methods and organization can help them accomplish the WMU tasks in the church: to teach missions, engage in mission action, and support world missions through praying and giving.

Respectfully submitted,
Mrs. S. F. Nichols, Director

BROTHERHOOD REPORT

The commission of Baptist Brotherhood work is to teach Missions to Christian men and boys. Brotherhood is a church program and is comparative

with the Sunday School, Training Union, Church Music, and much the same as Women's Missionary Union.

We have not done all we should have done this year, but God has blessed us in many ways. We have undertaken and accomplished these things:

1. Our Associational Workshop held at Rich Fork Church on October 13-14 was well attended with 14 churches represented. An average of 41 each night.
2. The R.A. Banquet also held at Rich Fork on Saturday, November 15 was attended by 150 boys and men.
3. Royal Ambassadors Group from five of our churches took part in the Track Meet held at Wake Forest University on Saturday, May 16.
4. We also had a good number of boys and men for our Associational R.A. Rally Day held at Jersey Church on Saturday, June 20 with Mat Marlowe from Camp Caraway as our speaker.
5. On July 17-18 the R.A.'s of the Association held their camp out at Happy Lake near Salisbury, with six of our churches taking part with 91 attending.
6. We had three new Brotherhoods along with three new R.A. Chapters started this year.
7. We have two men from our Association on the State Brotherhood Specialist Team known as N.C. Baptist Men's Corps. They are Melvin Greene and Jimmie Edwards.

I will long remember the joy I have had in being able to attend all of the State Meetings and teaching courses this year.

God has blessed us in many ways this past year and will continue to bless if we will let him. I and the entire group of Brotherhood Officers stand ready to help you in any way that we can.

Respectfully submitted,
Jimmie Edwards

REPORT OF ASSOCIATIONAL MISSIONARY

Since we met in our annual meeting last year it has been my privilege to be in thirty-nine of our forty-three churches for at least one service. Included in these speaking engagements have been: deacons' and wives' meetings at Stoner's Grove, deacon ordination service and Brotherhood meeting at Cedar Lodge and Clearview, Bible Study and Sunday School Leadership Study at Coggins Memorial, Sunday School Study at Lexington, First, and three weeks of Vacation Bible School. Outside of the association I preached in revival services at Calvary Baptist Church in Fayetteville and Sunday services at Spencer and First Baptist Churches in Spindale. During the week of November 1-5 I will be in a World Missions Conference in the North Roanoke Association.

Between the dates of July 9 and August 8 of this year I was the recipient of the generosity of the churches in making a trip around the world, including attendance at the 12th Baptist World Congress in Tokyo, Japan. Since my return I have shared the experience ten times and have fifteen more commitments through December 13.

The special financial drive for equipment has provided a new screen and filmstrip projector, and an addressograph machine which makes it possible to mail the monthly newsletter to the leadership in the churches. Erlanger Church

has renovated and remodeled a new room to be used for the associational office, including carpeting and paneling, and prospects look good for regular secretarial assistance. This will greatly aid in planning the office work on a day-to-day basis.

Emphasis and guidance on an associational level was given during the past year to the following projects: Seminary Extension Centers, R.A. Banquet and Boys' Rally, Brotherhood and Choir Workshops, "M" Night, World Mission Rally, Shaping the 70's Clinics, Youth Night, Associational R.A. Track Meet, Training Union Tournaments, and Vacation Bible School. Seminary Extension will not be held this fall, but we are hoping to resume this ministry in the spring of next year.

As we look forward to another year, let us pray for more genuine fellowship among our pastors and churches, and a stronger financial base for the work of associational missions.

Respectfully submitted,
Leonard Rollins

CHRISTIAN HIGHER EDUCATION REPORT

Based on information received from the office of the Council on Christian Higher Education of our North Carolina Baptist State Convention, we share this report.

As of October 15, 1969, enrollment in the seven colleges and universities of our State, and contributions to these institutions from our North Carolina Baptist Churches through the Cooperative Program were:

	Enrollment	Contributions
Cambell College	1,306	$ 293,223
Chowan College	1,333	175,583
Gardner–Webb College	1,461	166,804
Mars Hill College	1,294	252,840
Meredith College	1,142	252,840
Wake Forest University	3,210	430,178
Wingate College	1,607	184,362
Totals	12,353	$1,755,830

Approximately 600 students who have dedicated their lives to full-time service in Christian ministry were enrolled in our seven colleges during last year. There were enrolled, during that same year, in all of our Convention related colleges and universities, 7,070 students who have chosen to give their lives to the service of the denomination.

In its second summer of operation, this year the Baptist Youth Corps, a joint venture between the Baptist Colleges and the Church Training Department, has been a highly profitable venture for both churches and colleges.

In addition to the Baptist Youth Corps, Baptist college students are serving in summer assemblies, vacation Bible schools, the Department of Work with the Deaf, Interracial Cooperation Department, and other areas of denominational service.

It is not too early to begin to make plans for the observance of Baptist College Day on Sunday, June 20, 1971. Materials to assist churches in promoting this day may be obtained free from the Council on Christian Higher Education, 301 Hillsborough Street, Raleigh, North Carolina 27603.

Joe D. Coltrane

EVANGELISM REPORT

In associational evangelism clinics a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of dependence upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing.

All Christians need to accept the challenge of Acts 2:32—"This Jesus hath God raised up, whereof we all are witnesses." In his book, "Exploring Evangelism," Mendell Taylor reminds us of this tremendous truth: "When

Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." All Christians can reveal to the world a greater concern for evangelism and total Christianity.

New materials on lay witnessing written by Dr. Kenneth L. Chafin and other SBC leaders will be available by January 1, 1971 in the Baptist Book Stores. Training clinics on the use of these materials for pastors and laymen will be held in all associations during 1971.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

This year in the Liberty Association, the Evangelism emphasis was left up to the local churches. Each church had at least one revival and some two. There were 375 additions by Baptism and 300 by letter or statement.

Next year, Melvin Green will be our new Chairman of Evangelism, and I am sure he will provide us with good leadership. Let us give him our best in cooperation.

Respectfully submitted,
Carl Hemphill

ASSOCIATIONAL SUNDAY SCHOOL REPORT, 1969-70

We have heard it said many times in the past months, "1970 is a year of change." It has, however been a year of "challenge." It has been a year of much "concern." For some, all that it has been is a year of "confusion," and confusion has reigned in some places because of the change, challenge, and concern, coupled with a lack of willingness to adapt to the changes.

Our Associational Sunday School Organization has, I trust, been a part of all this except the confusion. In October, 1969, an introductory meeting was held at the Coggins Memorial Baptist Church to present a preview of the new age-grouping plan, the new organizational literature. A fair group of people attended this meeting.

On January 5-7, 1970, Rev. Dearl Bunce and his fine group of Vacation Bible School workers attended the V.B.S. Clinic at Wingate College, and came back to conduct a very helpful V.B.S. Clinic in our own association on April 3 at Rich Fork Church. The Reports from V.B.S. this year have been good concerning the new literature which was used for the first time.

Along with representative of the other program organizations, your Associational Sunday School Superintendent attended the Shaping the 70's Conference at First Baptist Church, Greensboro, then came back to conduct Associational Shaping the 70's Clinics in our association at Lexington First Baptist and at Thomasville First Baptist Church. These were well attended and the vital information about the new program of Sunday School was fully discussed for the first time.

As a part of the same program, four men were elected from our Association to take additional training as resource persons and offered their services to the churches of the Association to try to help solve any problems brought about by the new program. We thank these men, Rev. James Lambert, Rev. Melvin

Greene, Rev. Dale Martin, and Rev. Larry Phillips for their willingness to help. Your Sunday School Superintendent has had the privilege of meeting with several of our churches to help to interpret the program.

On September 8, 1970, Age-Group Conferences were conducted at Mills Home Baptist Church with 122 people representing 18 of our churches. There were very meaningful sessions in making final preparation for the beginning of the new year.

Your Director has had the privilege of attending Ridgecrest for one Sunday School Week and the state briefing meeting.

I trust that many of you have had special training sessions in your churches, studying the methods books, and that your workers are reading the Understanding and Guiding books that are available to interpret new methods and organizations for the coming year.

Now, we realize that it is going to take some time to put into practice all that is involved in the changes for the 70's. I trust that you are at least making an effort to implement in your churches the new programs and organizations, not just for the sake of change, but because you believe that changes are necessary to meet the needs of a changing world all about us. Change our Gospel—Never! Change methods of presenting the Gospel so that more can hear—Yes!

I believe that we have done what we could this year to make available to you the information and inspiration that has been needed to generate in you a burning passion and enthusiasm for the task of "teaching the Word" during the coming year. We will continue to be available to your church to help and encourage you during the coming year. May God's Spirit touch you and enable you to take the "new things" of the 70's and share the "message of the ages" with saint and sinner alike through the Bible Teaching Program of your church.

The following people will be serving this year as resource persons to help you to have the very best Bible Teaching Program that you can.

Associational Director ..... Rev. John H. Pace
Associational Outreach Leader .....Rev. Joe Seay
Associational Teaching Improvement Leader ..... Mrs. Leonard Rollins
Associational Extension Leader ..... Rev. Melvin Greene
Associational Vacation Bible School Leader ..... Rev. Dearl Bunce
Age-Group Leaders:
Preschool Division ..... Mrs. Heywood Calvert
Childrens Division .....
Youth Division ..... Rev. Bill Greenwood
Adult Division ..... Rev. Lamar Moore

Will you continue to pray for us as we attempt to promote an effective Bible Teaching Program in the Liberty Baptist Association.

Respectfully submitted,
Rev. John H. Pace, Director

REPORT TO THE ASSOCIATION'S BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. 1970

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is

widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on seven campuses and through the work of regional casework centers throughout the state.

Broyhill Home at Waynesville and the Maternity Home at Asheville are scheduled to open within the next few months extending our ministry into Western North Carolina. In the East, Odum Home at Pembroke continues its vital ministry and Kennedy Home at Kinston is entering its intensive development program. Our ministry in Piedmont North Carolina focuses in Mills Home at Thomasville, Greer Home at Chapel Hill, and Wall Home at Wallburg.

We want you to become thoroughly acquainted with the Baptist Children's Homes of North Carolina. The more you know about the agency, the more you will appreciate its daily work and ministry. You would be thrilled to see the progress our boys and girls make as they emerge out of difficult and unfortunate circumstances over which they have no control. Through the ministry you can find personal joy and excitement in helping people.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Saviour and Lord.

REPORT OF ASSOCIATIONAL HISTORIAN

Since it was the original plan for the association to meet with the Hillside Baptist Chruch, rather than with the Oak Hill Memorial Church, and, furthermore, since a history of the Oak Hill Memorial Church was included in the 1962 minutes; this report deals with the history of the Hillside Park Church.

Due to a building program of the Hillside Park Church, it was necessary to change the place of meeting.

Respectfully submitted,
Sam J. Smith, Associational Historian

BRIEF HISTORY OF HASTY BAPTIST CHURCH FROM its beginning in 1955 to 1970

Early in September of 1955 Mr. & Mrs. Arthur Lott, Mr. John Hayes, lay preacher and Sunday School teacher from First Baptist Church, Thomasville, and Inman Stewart, who was at that time interim pastor of Rich Fork Baptist Church, made plans to begin a revival in a store building on the Ball Park Road owned by Mr. & Mrs. Lott. At the conclusion of the revival some three weeks later, it was decided to continue to have preaching services twice a week with John Hayes and Inman Stewart alternating in conducting the services.

Mr. & Mrs. Lott gave much encouragement and other support to the young work, and still continue to do so until this day.

The work had the approval of the Rich Fork Church as well as the First Baptist. The Rich Fork Church gave financial support to the "Mission" for two years. The first year Rich Fork paid the salary of Rev. Stewart and the second year they put $50.00 a month into the treasury of the work which was then known as the "Ball Park Road Mission."

On January 1, 1957 a Sunday School was organized with four classes consistig of Adults, Young People, Juniors, and beginners. About 52 people were enrolled in Sunday School the first Sunday. Bruce Hayes was the first Sunday School Superintendent. A few months later a Training Union was started and Mrs. Arthur Lott was the first Training Union Director.

On November 10, 1957 the Liberty Baptist Association Missions Committee met to consider a request for the mission to be organized into a church. After examination, the committee gave unanimous approval to the request and set November 24, 1957 as the date when the organization was to take place.

On Sunday afternoon November 24, in the Hasty School auditorium, Rev. W. N. Brookshire, Moderator of the Liberty Association called a meeting to order consisting of representatives from 23 churches in the association, including 16 pastors, and about 30 people interested in organizing the mission into a church with a. desire to become a member of it, and several visitors. After the usual procedure the church was organized into a Baptist church with 33 charter members, as follows:

It was then voted to name the work the Hasty Baptist Church, and to call Inman Stewart for its first pastor. Rev. Julian Hopkins, Secretary of Evangelism, delivered the charge to the new church using as a text, Luke 14:25-33.

The church continued to use the Lott's store building as well as their home for worship and Sunday School space until January of 1959 when it moved into its two story educational building and temporary auditorium just off the Hasty School road. The church record showed the church membership at 42, with a Sunday School enrollment of 90 at that time.

With the new and more adequate facilities the church experienced a moderate healthy growth and in 1965 we were able to begin construction of the sanctuary, and on April 17, 1966 the first service was held in the new sanctuary. At that time the record showed a church membership of 200 and Sunday School enrollment of 232.

What ever measure of success has been realized at Hasty, the credit belongs to the progressive and cooperative congregation, and the glory belongs to our Lord Jesus Christ.

The congregation has continuously voted to add to our Church proper, air condition, class rooms, etc. Our present membership is 283. To God be the Glory.

TRAINING UNION REPORT

One of the most acute needs in our churches across our convention is the need for Christian Training. Multitudes of church members have the potential to do many and varied tasks in the churches if they would avail themselves to the privilege of preparing for these tasks by participating in the Church Training Program.

We have Forty-three churches in the Liberty Baptist Association. We had reported at our Annual Associational Meeting in 1969 only Twenty-six training unions. Two more have been added during the year making a total of twenty-eight.

There is in my own opinion too little emphasis placed upon Christian Training in our churches. Many pastors are quite vocal about the ignorance of their members and still fail to provide them with an adequate training program in their churches. Church Training would greatly enhance the work of all the churches and the pastors and leaders of all our churches should avail themselves to this church-related organization that serves such a worthy role in God's kingdom.

Joe Seay

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society, an interdenominational and nonprofit organization founded in 1816 in New York City for the purpose of making the Christian Scriptures, without note or comment, available to people anywhere in the world and of encouraging their use. The society is supported principally by gifts from churches and individuals and its headquarters are in New York City.

With an increase of 47.6 per cent over 1968, Scripture distribution throughout the United States in 1969 totaled 76,216,553 in Bibles, Testaments, etc.

On the other hand, Scripture distribution throughout the 150 countries and territories receiving annual assistance from the American Bible Society showed an estimated increase of over 17 per cent. Distribution in Latin America alone increased approximately 24 per cent.

403,143 Scriptures in special formats, (Braille, records, and tapes) were provided for the blind, an increase of 36.8 per cent over 1968. The society is celebrating its 135th anniversary of distribution to the blind this year.

During 1969, almost two out of every three men and women serving our country in the Armed Forces, were reached with a copy of Scripture—an increase of 3.3 per cent distributed in 1968.

Almost four million copies of "Good News for Modern Man", the American Bible Society's New Testament in today's English version, were distributed in 1969, and work has progressed on the translation of the Old Testament in today's English version, with 1975 set as the target date for publication.

1,160,362 individual gifts were received in support of the society during 1969, and it is hoped that many more people remembered the society in their

prayers. Southern Baptists gave $232,765.03 to the society in 1969, and once again is the large supporter of the society.

ANNUITY BOARD REPORT

"Good experience credit" is a new term in Protection Program vocabulary. "Good experience credit" means larger benefits for active and retired members as of January 1, 1970. Briefly, here is how it works.

For the active member and his family the stipulated amounts of eligible benefits in Plans A10 and A11 (formerly Southern Baptist Protection Plan) now are the minimum. The "good experience credit" will be about 2% of the retirement credits accrued as of that date. The amounts credited in the future may vary, depending on interest earned.

Most retired members are finding the "good experience credit" in their 1970 monthly checks which are 4% larger. In addition, these members received the "13th Check" in February. The "good experience credit" and the "13th Check" are realities because interest earnings were in excess of what was required actuarially by the plans.

For the fourth consecutive year the Annuity Board mailed a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date.

Since 1918 the Annuity Board has paid $73,717,267 in benefits to Southern Baptist ministers, agency and church employees, widows and children through the programs administered.

A minister, church or denominational employee can create a protection program with the Annuity Board that will cover all his needs. Many churches are helping by paying dues in the retirement, health and life insurance plans. Information on any part of the Annuity Board's programs may be obtained from the state convention office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

The Liberty Association and 30 churches are participating in the Protection Program (retirement) August 11, 1970.

BAPTIST FOUNDATION REPORT

The Baptist Foundation in the past eight years has tripled its assets. Since its reactivation in 1966, the Foundation has increased from $350,000.00 to over a million dollars.

The Foundation's primary objective is serving Baptist agencies and institutions including the corporate program, missions, higher education, hospitals, and homes for the aged.

In advancing the assets of the Foundation the major interest this year is on the preparation and execution of wills—encouraging the will maker to devise or bequeath a substantial portion of his earthly assets to the Foundation. Another feature of this program is that the devisor may designate to what agency or institution he desires to leave all or a portion of his gift, which is a living

memorial to the advancement of God's Kingdom. Many churches have used the facilities of the Foundation to conduct will clinics which have been reported to be very successful. Anyone desiring to make a gift to the Foundation may contact Mr. C. Gordon Maddrey, Executive Secretary, North Carolina Baptist Foundation, Inc., 301 Hillsborough Street, Raleigh. Mr. Maddrey will be delighted to assist anyone so interested.

Respectfully submitted,
Beamer Barnes

FOREIGN MISSIONS REPORT

On May 1, 1970, Southern Baptist missionaries were under appointment to seventy-one geographical or political fields of service. During 1969 three new fields were added and at the close of the year the Southern Baptists were supporting an overseas missionary staff of 2,490 persons. Between January and May, 1970, eighteen more were added. Even with this tremendous personnel, several hundred calls for new missionaries needed still goes unanswered.

Foreign Missions branches out into evangelism; church development; schools and student work; publication work; hospitals and medical care; and benevolent ministries.

Total contributions of Southern Baptists for foreign missions during 1969 amounted to $131,005,797. The Lottie Moon Christmas offering reached $15,297,558.

The Liberty Association continues its prayerful and financial support to our foreign missions cause. The following is a presentation of our giving to that cause during the 1969 year and during the first six months of 1970:

Amount given through the Cooperative Program, 1969	$122482.61
Amount of the Above (16.7%) directed to foreign missions	20454.79
Special offering, 1969	75263.58
Amount of special offering either designated to foreign missions or given through the Lottie Moon Christmas offering	30621.87
Number of churches not contributing through the Cooperative Program, 1969	4
Amount given through the Cooperative Program, January through June, 1970	58333.91
Amount given through special offerings January through June, 1970	34522.30
Amount given through direct gifts, January through June, 1970	954.24

A breakdown showing the specific amounts to foreign missions during the first six months of 1970 is unavailable at this time.

Dr. Baker J. Cauthen says, "The missionary enterprise has grown to be a very large undertaking, both from the standpoint of the number of people involved, the vast extent of the work, the multiplicity of the type of service, the intricacy of the program and the large amounts of money required for its ongoing." May it be our prayer that WE will freely give of our time, money, and personality to further this great Christian cause.

"But when He saw the multitudes, He was moved with compassion on them, Because they fainted, and were scattered abroad, as sheep having no shepherd. Then saith He unto his deciples, the harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into His harvest."—Matthew 9:36-38

The Home Mission Board is observing its 125th anniversary year with gratitude to God for His favor and appreciation to Southern Baptists for their support during the past century and a quarter. Though society has changed drastically and the contemporary scene is often disturbing, the Board's basic task remains unchanged—Our Land for Christ.

Following are some of the highlights of the Home Mission Board for the past year.

The Home Mission Board appointed 585 new missionaries, bringing the total number to 2,235. Also, Student Summer Personnel, 922; Christian Service Corps, 74 short-term and 40 long-term; 31 youth groups with a total of 1,175 young people; 100 adults accompanied the young people. The need for additional missionaries in 1970 is 316.

There were 69,359 baptisms reported through the Home Mission Board. There were 370 new missions and 97 new churches reported for 1969. Four hundred-twenty-eight received church pastoral aid. During 1969, 142 loans were granted totaling more than 3.8 million dollars. An additional 85 loans were executed for more than 4.5 million dollars. The total churches served was 227 with over 8.3 million dollars total loans.

Through materials and counseling, 200 churches have been helped to begin church community weekday programs. Volunteers were enlisted in three states to serve as literacy missions resource personnel to promote and train volunteers at the local level.

Spiritual and other needs of migrants were ministered to by 14 state conventions, 26 associations, and 90 churches. Assistance was given in establishing 50 new volunteer ministries to youth and families.

Missionaries and mission leaders have been assisted in securing scriptures resulting in bringing a number to Christ and into His service. The large-type New Testament has been provided for the aged, the six, seven, and eight-year-olds whose readers in school have large type, people where there is limited light in the home, for study and those with limited eyesight.

As of the end of the year, there were 53,396 enrolled in the Correspondence Bible Course.

"The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light." "I must work the works of Him that sent me while it is day; the night cometh when no man can work."

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes—Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of $168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of $80,000.00 to the Homes for this purpose, contingent upon the Homes raising an additional $80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accomodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

Contributions to North Carolina Baptist Homes for the Aging from churches in Liberty Baptist Association from July 1, 1969—June 30, 1970 amounted to a total of $3,421.93. This amount exceeded the gifts from Liberty Baptist during 1967 and 1968. Let me urge each Church in Liberty Baptist Association to have a share in this great ministry and share the blessing that comes from giving that others who have given might have this important ministry which is carried out through North Carolina Baptist Homes for the Aging.

Respectfully submitted,
C. H. Calvert

STATE MISSIONS REPORT

The overall purpose of State Missions is to lead people to Jesus Christ and help develop the churches. New churches are given counsel and financial assistance upon request, and when the current budget will permit. Churches that are unable to support a full time program are encouraged to form a field of two or more churches in order to have a pastor live on the field, minister to them; and lead them to develop their own resources.

State Missions provides training for Christian vocation through Fruitland Bible Institute and an ever growing number of Seminary Extension Centers. In a new ministry State Missions is administering to thousands of people in Resort areas. State Missions reaches into our inner cities with needed Baptist Centers; into our military areas with help through the local churches and specialized ministries. There is limited Chaplaincy ministry in correctional institutions. There is a thriving ministry to the deaf. There is a helpful ministry to other races. Help is given the churches in their own stewardship programs. State Missions offers help in the training of deacons, Sunday School leaders and teachers, and Brotherhood leaders. Many other services which can be extended by the Convention to the local churches are given at the request of the pastor or other recognized leadership.

The ministry of State Missions is a cooperative one. It is usually given in cooperation with the local church. An attempt is made to always work in cooperation with the local Baptist Association. A majority of our Associations are given financial aid through State Missions. Some State Missions projects are a cooperative financial effort of the Baptist State Convention, the Association, and the Home Mission Board.

Your State Missions ministry is supported by cooperative program receipts and the special September offering for State Missions.

This indicates then, that State Missions begin at our own back door—our own church—and spreads beyond our back yard—throughout North Carolina. You can go into every community in North Carolina through State Missions as commanded by our Lord. "Go ye into all the world, and preach the gospel to every creature" said Jesus in Mark 16:15b.

Through State Missions, people and churches are helping in every area of the Christian life.

Respectfully submitted,
Mrs. Ralph Wilson
